

WEBVTT

necessary of working for the

good of the people. Give us

00:00:42.264 --> 00:00:44.264  
this wisdom to reflect on the

00:00:44.332 --> 00:00:46.332  
items on the budget in a

00:00:46.367 --> 00:00:48.969  
thoughtful manner. And I pray  
for your guidance today, and

00:00:51.239 --> 00:00:53.841  
thank you for all of your many  
blessings. Amen.

We ask that you observe the time

That, I would ask the clerk to  
identify any changes to the

00:03:03.174 --> 00:03:05.275

>>clerk of the board, robin  
stieler: Madam Chair we have no

00:03:05.275 --> 00:03:06.976  
changes to today agenda.  
>>lisa a. Bartlett, chair:

00:03:07.378 --> 00:03:09.378  
okay. Thank you. We have no

00:03:10.214 --> 00:03:12.850

today. We will move to the

00:03:13.317 --> 00:03:15.317  
discussion calendar Madam Clerk

00:03:15.720 --> 00:03:17.889  
would you read the title of the  
first item.

00:03:17.889 --> 00:03:19.889  
>>clerk of the board, robin

00:03:20.958 --> 00:03:23.127

environmental quality act and

00:03:37.410 --> 00:03:39.410  
other findings-district 3.

00:03:40.545 --> 00:03:43.113  
And we do not have any speaker  
requests for this item.

00:03:43.247 --> 00:03:45.782  
>>lisa a. Bartlett, chair:  
okay. We're so excited about

00:03:46.185 --> 00:03:48.652

this initiative of the county  
moving forward. This is first

00:03:49.421 --> 00:03:51.389  
in the nation with regard to  
public private partnership. The

00:03:51.490 --> 00:03:53.490  
partnership is between the

00:03:54.426 --> 00:03:56.426  
county of orange and mind oc and

00:03:56.628 --> 00:03:58.729  
is a transformative initiative  
bringing together the public and

00:04:00.650 --> 00:04:02.766  
private sectors to create a  
system of mental health care and

00:04:03.535 --> 00:04:05.535  
support for all orange county

00:04:05.604 --> 00:04:08.172  
residence. What we are doing  
today is the final step in the

00:04:10.420 --> 00:04:12.420  
first of a kind facility

00:04:15.800 --> 00:04:17.415  
bringing together hogue, kaiser  
cal-optima in treatment

00:04:17.949 --> 00:04:19.949  
facilities. This is only the

00:04:20.285 --> 00:04:22.587  
beginning. Before long this  
board's commitment along with

00:04:24.156 --> 00:04:26.658  
our partner mind oc is to bring  
another two facilities to treat

00:04:27.259 --> 00:04:29.961  
the region in all of orange  
county. I would like to thank

00:04:31.396 --> 00:04:33.431  
dan young for his vision and  
innovative thinking to getitous

00:04:34.433 --> 00:04:37.201  
where we are today and  
supervisor do for his leadership

00:04:38.503 --> 00:04:41.106  
as Chairman Last year when most  
of this was accomplished along

00:04:43.420 --> 00:04:45.420  
with his role with cal-optima

00:04:45.945 --> 00:04:48.446  
and ceo frank kim for taking  
risk and punish county staff to

00:04:48.948 --> 00:04:50.948  
try new things and of course

00:04:51.951 --> 00:04:53.951  
there is richard, jeff s matt

00:04:53.986 --> 00:04:56.621  
and all of the other great staff  
he have here at the county to

00:04:56.623 --> 00:04:58.623  
make this possible along with

00:04:59.893 --> 00:05:01.290  
all of the members of minds o  
c

00:05:02.262 --> 00:05:04.463  
this is a truly collaborative  
effort many stakeholders

00:05:04.897 --> 00:05:07.332  
involved here to make this  
happen and finally I would like

00:05:10.461 --> 00:05:12.137  
to thank the city of orange they  
worked with us in order to make

00:05:13.272 --> 00:05:15.272  
this a truly remarkable facility

00:05:15.642 --> 00:05:18.611  
and we look forward to the  
groundbreaking ceremony in the

00:05:19.946 --> 00:05:22.181  
not too distant future.  
Supervisor do would you like to

00:05:23.616 --> 00:05:25.350  
make comments?  
>>sup. Andrew do: thank you

00:05:25.819 --> 00:05:27.819  
Madam Chair. Good morning.

00:05:28.688 --> 00:05:31.489  
It's hardly, the legal board,  
it's been five years since you

00:05:32.226 --> 00:05:34.627  
and I started with the mental  
health ad hoc and I don't think

00:05:35.996 --> 00:05:38.797  
we could have foreseen then  
where that would have lead us to

00:05:39.533 --> 00:05:41.533  
today. And first of all, thank

00:05:43.303 --> 00:05:46.105  
you for the comments, you have  
all thanked all of the

00:05:46.539 --> 00:05:48.539  
appropriate people along the way

00:05:48.676 --> 00:05:50.676  
and those are a few of the

00:05:50.945 --> 00:05:52.945  
leaders. We have many people

00:05:53.447 --> 00:05:55.447  
who really worked behind the

00:05:55.516 --> 00:05:57.950  
scene, between the different  
hospitals, different stakeholder

00:06:00.287 --> 00:06:02.287  
groups, in particular we have

00:06:07.995 --> 00:06:09.995  
Dr. Clayton chow, marshallmont

00:06:13.667 --> 00:06:15.568  
who has done the work with the  
st. Joseph hospital putting

00:06:16.237 --> 00:06:18.237  
together the work. And this is

00:06:18.272 --> 00:06:20.873  
the final step that has really  
taken a lot of people, a lot of

00:06:22.376 --> 00:06:24.376  
work, the last two and a half

00:06:24.612 --> 00:06:26.847  
years to put together, when we  
first got together it was a

00:06:28.916 --> 00:06:30.916  
group of 40 or 50 of us in a

00:06:30.918 --> 00:06:33.186  
room, we didn't even have a  
name. We didn't know what we

00:06:34.550 --> 00:06:36.550  
were going to try to accomplish.

00:06:36.824 --> 00:06:38.824  
We just knew there was a need

00:06:39.193 --> 00:06:41.193  
for service in our county, and

00:06:42.831 --> 00:06:45.399  
we could speak from individual  
experiences why we need to do

00:06:46.568 --> 00:06:48.568  
something to meet that need.

00:06:49.304 --> 00:06:51.304  
From that, we came up with an

00:06:51.773 --> 00:06:53.907  
informal name of a mental health  
coalition, which then after

00:06:54.842 --> 00:06:56.842  
another year of working in

00:06:59.114 --> 00:07:01.114  
different working groups,

00:07:01.883 --> 00:07:03.818  
pursuing different ideas,  
researching into different

00:07:04.719 --> 00:07:06.719  
models across the country, we

00:07:10.959 --> 00:07:12.959  
came up with the about well oc

00:07:17.166 --> 00:07:19.166  
model, today it is a culmination

00:07:19.234 --> 00:07:22.360  
of that effort. And I want to  
thank of the current chair for

00:07:22.704 --> 00:07:24.939  
the support but certainly the  
previous chair with the previous

00:07:26.441 --> 00:07:28.542  
supervisors who have been very  
instrumental in helping us get

00:07:30.378 --> 00:07:32.378  
here and we do have one former

00:07:33.983 --> 00:07:36.284  
supervisor here in our audience,  
former supervisor todd spitzer.

00:07:36.819 --> 00:07:39.720  
I don't know if shawn nelson is  
here too but I want to thank

00:07:40.656 --> 00:07:43.391  
both of them, too, for their  
work in helping the county get

00:07:46.428 --> 00:07:49.630  
to this point. Let me describe  
a little bit of what this

00:07:50.866 --> 00:07:52.866  
facility is about. We are

00:07:53.536 --> 00:07:55.536  
breaking down barriers. No

00:07:56.172 --> 00:07:58.172  
longer will we be deciding on

00:07:59.375 --> 00:08:01.375  
the level of care and the type

00:08:01.644 --> 00:08:03.644  
of care based on who pays the

00:08:11.688 --> 00:08:13.688  
bill. I just saw marshall

00:08:15.191 --> 00:08:17.191  
montcleef. I'm glad you're

00:08:18.294 --> 00:08:20.529  
here. We're, by doing a public  
private partnership within this

00:08:22.298 --> 00:08:25.233  
facility, we will be agnostic as  
far as who pays for these

00:08:25.234 --> 00:08:27.803  
services. When the patient  
comes in, they get services they

00:08:30.207 --> 00:08:32.575  
need and then we will process  
whether it's through their

00:08:33.510 --> 00:08:35.510  
insurance, through the county,

00:08:38.481 --> 00:08:41.820  
or through al copped ma,  
cal-optima, we will take care of

00:08:42.919 --> 00:08:44.919  
that after the fact. We want to

00:08:44.988 --> 00:08:47.423  
be an asset of service and take  
care of the community at large.

00:08:48.625 --> 00:08:50.625  
What you see in terms of the

00:08:50.927 --> 00:08:52.927  
investment of the private

00:08:53.960 --> 00:08:55.960  
sector, cal-optima, from the

00:08:55.365 --> 00:08:58.200  
county, this is a new way that  
we are working together to build

00:09:00.905 --> 00:09:03.673  
a system of care. And as the  
chair mentioned, we are working

00:09:06.176 --> 00:09:08.244  
to have at least two more such

facilities in the county. We

00:09:09.313 --> 00:09:11.981  
are a large county. It's gotten  
to the point where distance wise

00:09:13.750 --> 00:09:15.750  
we May not be that far apart,

00:09:15.852 --> 00:09:17.852  
but because of traffic it would

00:09:18.956 --> 00:09:20.956  
take us probably close to an

00:09:21.158 --> 00:09:23.158  
hour and a half to go from san

00:09:23.961 --> 00:09:25.961  
clemente up to orange, or

00:09:25.963 --> 00:09:27.963  
vice-versa from la habra down to

00:09:30.434 --> 00:09:32.434  
orange. Sew so we know this is

00:09:35.907 --> 00:09:37.907  
not a pan sea, it won't be the

00:09:38.420 --> 00:09:40.377  
silver bullet that will  
challenge all our needs but it

00:09:41.913 --> 00:09:43.913  
will be the first step in a

00:09:44.150 --> 00:09:46.383  
template to replicate this idea  
elsewhere in the county. So

00:09:47.785 --> 00:09:49.785  
Madam Chair, again, thank you

00:09:50.621 --> 00:09:52.621  
very much for agreeing, the two

00:09:53.324 --> 00:09:55.526  
of us starting out four years  
ago with the mental health

00:09:55.961 --> 00:09:57.961  
ad-hoc, and the work continues.

00:09:58.763 --> 00:10:01.532  
And I will defer to your moving  
the item if you haven't done so

00:10:01.866 --> 00:10:03.567  
and I'll second that.  
>>lisa a. Bartlett, chair:

00:10:03.902 --> 00:10:06.103  
okay. Ill make the motion. We  
have other speakers and if you

00:10:06.237 --> 00:10:08.237  
would like to second, that would

00:10:09.340 --> 00:10:11.340  
be great. This is truly a

00:10:11.677 --> 00:10:14.245  
monumental day for the county.  
We have other counties across

00:10:14.346 --> 00:10:16.881  
the nation that are looking at  
what we're doing here in orange

00:10:16.881 --> 00:10:18.881  
county, and the steps that we

00:10:19.751 --> 00:10:21.751  
have taken to put together a

00:10:23.721 --> 00:10:25.889  
really unique model for mental  
and behavioral health and this

00:10:27.258 --> 00:10:29.727  
is even on the governor's radar  
so this is something we can be

00:10:30.696 --> 00:10:32.963  
proud of. I would like to move  
to supervisor wagner at this

00:10:34.199 --> 00:10:35.966  
time to speak.  
>>donald p. Wagner: thank you

00:10:36.568 --> 00:10:38.568  
Madam Chair. The facility is in

00:10:38.937 --> 00:10:40.937  
my district but as both you and

00:10:41.206 --> 00:10:43.407  
supervisor do have outlined the  
work began long before I got

00:10:44.750 --> 00:10:46.778  
here and I just wanted to make  
sure I have an opportunity to

00:10:49.382 --> 00:10:51.483  
chime in, perhaps less at the  
new supervisor who didn't have

00:10:53.520 --> 00:10:55.520  
much of a role in this, and

00:10:55.870 --> 00:10:57.870  
instead as somebody who was out

00:10:58.257 --> 00:11:00.257  
in the public watching as this

00:11:00.559 --> 00:11:02.559

board currently leadership,

00:11:04.689 --> 00:11:06.631  
supervisor, now district  
attorney spitzer and others  
grappled with this problem, this

00:11:10.102 --> 00:11:12.102  
today shows that the work was

00:11:12.371 --> 00:11:15.400  
very intense. The work was very  
hard, but at the end of the day

00:11:16.542 --> 00:11:18.543  
this shows that that work was  
successful. I agree we have

00:11:20.212 --> 00:11:22.881  
much more work to do. I'm happy  
to be here with you to do it but

00:11:23.383 --> 00:11:25.851  
I wanted to make sure they had  
the opportunity to thank you,

00:11:26.419 --> 00:11:28.954  
and to thank the prior board for  
the hard work that was done

00:11:30.423 --> 00:11:32.423  
getting itous where we are today.

00:11:33.893 --> 00:11:36.862  
And I was going to end by moving  
the item, but that's already

00:11:38.432 --> 00:11:40.833  
been taken care of by the two  
members of this board who really

00:11:42.202 --> 00:11:44.404  
deserve the opportunity and the  
kudos. Thank you both.

00:11:44.404 --> 00:11:46.404  
>>lisa a. Bartlett, chair:

00:11:46.473 --> 00:11:48.807  
thank you supervisor wagner.  
Supervisor chaffee?  
>>sup. Doug chaffee: thank you.

00:11:48.908 --> 00:11:50.908  
I would like to join supervisor

00:11:51.144 --> 00:11:53.445  
wagner in thanking prior board  
members for the work they have

00:11:56.249 --> 00:11:58.784  
done. This is a cutting edge  
stuff, and I'm glad to be part

00:11:59.686 --> 00:12:01.686

of it. What we're doing is

00:12:02.288 --> 00:12:04.288  
creating an orange county

00:12:05.158 --> 00:12:07.158  
behavioral health hub to be

00:12:09.290 --> 00:12:11.290  
joined by a wellness campus to

00:12:12.699 --> 00:12:15.301  
be combined with a crisis  
stabilize unit substance use

00:12:17.238 --> 00:12:19.238  
disorder treatment and

00:12:20.174 --> 00:12:22.174  
residential crisis services it's

00:12:22.376 --> 00:12:25.311  
unique to have all combined in  
one space. I commend you for

00:12:25.545 --> 00:12:27.947  
what you have done. That's  
great work and I will join with

00:12:29.182 --> 00:12:31.751  
you on this.

>>lisa a. Bartlett, chair:  
thank you for your comment

00:12:31.919 --> 00:12:33.919  
supervisor chaffee, we have a

00:12:33.988 --> 00:12:35.988  
motion and second on this item.

00:12:36.257 --> 00:12:39.580  
As indicated, we are so excite  
for this to move forward. Right

00:12:39.560 --> 00:12:41.560  
now for a lot of the services

00:12:41.562 --> 00:12:44.297  
that were just outlined by my  
colleagues. A number of the

00:12:44.298 --> 00:12:46.966  
residence in the county actually  
have to go out of the county for

00:12:47.401 --> 00:12:49.470  
some of these services and the  
fact that we're going to be able

00:12:50.505 --> 00:12:52.639  
to provide all of these services  
regardless of the ability to pay

00:12:54.642 --> 00:12:56.743  
right here in our county is very

significant and a great step in

00:12:56.944 --> 00:12:58.944  
the right direction. We have a

00:13:01.730 --> 00:13:03.249  
motion and second. Any  
objection on this item?  
Great. It passes. And thank

00:13:04.618 --> 00:13:06.687  
you to all of the many  
stakeholders who were assisting

00:13:08.823 --> 00:13:10.823  
in this process. Moving on to

00:13:11.292 --> 00:13:12.960  
supplemental item one a.

>> Speaker: good morning

00:14:21.831 --> 00:14:24.565  
honorable Chairwoman Bartlett

00:15:06.420 --> 00:15:08.420  
Endorsing a new enterprise,

00:15:09.146 --> 00:15:11.714  
orange county behavioral health  
hub in order more exploit

00:15:12.382 --> 00:15:14.382  
dangerous drugs and human

00:15:14.518 --> 00:15:16.518  
trafficking innocent people for

00:15:17.530 --> 00:15:19.622  
profiteering, big pharma and  
corruption of the court and

00:15:24.360 --> 00:15:26.360  
public offices. I expect very

00:15:26.464 --> 00:15:28.464  
soon all of the members of the

00:15:28.599 --> 00:15:30.599

00:15:38.608 --> 00:15:40.608  
walking distance from here to

00:15:41.745 --> 00:15:43.745  
observe the court which

00:15:43.748 --> 00:15:45.748  
resembles the clowns in a

00:15:45.816 --> 00:15:47.816  
circle, these judges, garments

00:15:48.452 --> 00:15:50.452  
in place of justice. How far

00:15:51.880 --> 00:15:53.880  
from the relative court

00:15:53.124 --> 00:15:56.590  
objective probate court,  
distance itself, you May observe

00:16:05.903 --> 00:16:07.903  
the petition of conservatorship

00:16:09.106 --> 00:16:11.106  
for profit. You spend more

00:16:12.430 --> 00:16:14.430  
month on behavioral health care

00:16:17.848 --> 00:16:19.848  
here than any county, and like

00:16:24.622 --> 00:16:27.124  
you see, costa rica, outdoing  
orange county in every measure

00:16:30.795 --> 00:16:32.795  
of the health of the public.

00:16:36.201 --> 00:16:38.201  
The reporter, channel second,

00:16:40.371 --> 00:16:42.371  
today, at 10:00 P.M. Regarding

00:16:43.475 --> 00:16:45.475  
many family's opinion of the

00:16:45.510 --> 00:16:47.510  
regional center that you abort

00:16:48.780 --> 00:16:50.681  
the performance and there make  
conclusion, what kind of

00:16:51.416 --> 00:16:53.416  
disaster you have been

00:16:55.387 --> 00:16:58.222  
supporting, budgeting the public  
defender designed by a murderer

00:16:59.291 --> 00:17:01.291  
and corrupt director of orange

00:17:01.393 --> 00:17:03.393

landauer and director of dds

00:17:08.100 --> 00:17:10.100  
nancy bardman to destroy

00:17:11.637 --> 00:17:14.372  
innocent people for personal  
profiteering and human  
trafficking and this is for

00:17:15.140 --> 00:17:17.140  
everyone and the public has a

00:17:20.279 --> 00:17:21.980  
copy of what I have here.  
>>lisa a. Bartlett, chair:

00:17:25.840 --> 00:17:27.840  
thank you. Next speaker please.

00:17:27.252 --> 00:17:29.821  
>>speaker: hello board of  
supervisors, robert segland

00:17:30.623 --> 00:17:33.558  
brother of nate segland I would  
like to speaker on the

00:17:34.627 --> 00:17:36.627  
behavioral health issues the

00:17:38.597 --> 00:17:40.465  
doctors and consist  
psychiatrists that

00:17:44.470 --> 00:17:46.470  
are supposed to help with the

00:17:46.772 --> 00:17:49.608  
disorders psychotropic, I  
presume in the case, some of the

00:17:50.643 --> 00:17:53.311  
individuals are placed on  
psychotropic drugs, what I would

00:17:54.881 --> 00:17:57.249  
like, oversight, if you have an  
oversight committee, pertaining

00:17:58.684 --> 00:18:00.684  
to this item, and so related,

00:18:01.187 --> 00:18:03.187  
you have an issue, as I have

00:18:03.890 --> 00:18:06.291  
stated before and I digress

where individuals might be

00:18:08.461 --> 00:18:10.461  
placed either, I guess,

00:18:10.463 --> 00:18:12.463  
outpatient or inpatient, well,

00:18:14.901 --> 00:18:16.901  
as you know quite well probate

00:18:19.305 --> 00:18:21.305  
case 246780, my brother nate

00:18:21.575 --> 00:18:23.575  
segland was placed in various

00:18:25.278 --> 00:18:27.278  
institutional environments, and

00:18:30.160 --> 00:18:32.160  
that didn't seem to be a -- good

00:18:32.986 --> 00:18:35.754  
for his mental health, right --  
and however thanks to the

00:18:35.955 --> 00:18:37.955  
intervention of public defenders

00:18:45.632 --> 00:18:47.632  
from 2008, of, to 2012 of these

00:18:48.101 --> 00:18:50.101  
-- sorry -- marianne johnson, so

00:18:51.304 --> 00:18:53.304  
you had these people, attorneys

00:18:53.407 --> 00:18:55.407  
who filed a right of habeas

00:18:55.476 --> 00:18:57.476  
corpus, so you have an

00:18:58.646 --> 00:19:01.281  
individual who has been released  
and nevertheless placed in a

00:19:03.284 --> 00:19:05.284  
group home this is my issue with

00:19:05.352 --> 00:19:07.352  
the oversight pertaining to this

00:19:08.422 --> 00:19:10.422  
item how do you oversee whether

00:19:12.359 --> 00:19:14.359  
in such an extreme case where

00:19:15.263 --> 00:19:17.263  
psychiatrists where allegedly

00:19:18.866 --> 00:19:20.866

Dr. Hak irk m has alleged May or

00:19:21.902 --> 00:19:23.902  
May not have a former criminal

00:19:25.600 --> 00:19:27.507  
record -- May or mat not is the  
question -- the issue here is

00:19:30.244 --> 00:19:33.130  
whether he is committing medical  
malpractice, and this has tried

00:19:36.684 --> 00:19:38.684  
to be investigatored but it

00:19:39.921 --> 00:19:42.856  
hasn't been halted by the  
current conservator the director

00:19:44.158 --> 00:19:46.158  
of department services and the

00:19:46.661 --> 00:19:48.661  
medical complaint to the medical

00:19:49.297 --> 00:19:50.998  
board is excused --  
>>lisa a. Bartlett, chair:

00:19:53.301 --> 00:19:55.301  
Mr. Segland please keep your

00:19:55.536 --> 00:19:57.504  
comments pertaining to the  
agenda item.

00:20:00.275 --> 00:20:02.275  
>>speaker: sure. How much more

00:20:02.644 --> 00:20:05.512  
so should you be involved in  
some other oversight committee

00:20:07.116 --> 00:20:09.116  
who will ensure the abuse of

00:20:09.318 --> 00:20:11.486  
psychotropic drugs, medical  
malpractice, complaints, and

00:20:15.824 --> 00:20:17.824  
other ways to alienate

00:20:18.326 --> 00:20:20.928  
situations where people have  
been abused medically and so

00:20:23.265 --> 00:20:25.368  
forth and I hope it can be  
remedies. Thank you.

00:20:25.368 --> 00:20:27.368  
>>lisa a. Bartlett, chair: all

00:20:27.703 --> 00:20:29.703  
right. Next speaker please.

00:20:31.273 --> 00:20:33.941  
>>speaker: hi Chairwoman  
Bartlett, supervisor do,

00:20:35.811 --> 00:20:37.811  
chaffee, steel and wagner. My

00:20:41.517 --> 00:20:43.517  
name is marshall, I work for the

00:20:45.521 --> 00:20:47.521  
st. Joseph volunteer system and

00:20:48.324 --> 00:20:50.925  
part of be well oc. I am  
talking about cal-optima's

00:20:51.270 --> 00:20:53.795  
partnership as well and would  
like to have these comments

00:20:55.197 --> 00:20:58.320  
addressed to that board and ceo,  
michael shader, I have Mr. Kim

00:20:59.869 --> 00:21:01.869  
in front of me, Mr. Sanchez I

00:21:02.939 --> 00:21:04.939  
don't see but jeff nagle I see

00:21:04.974 --> 00:21:07.750  
out there somewhere. I am  
tremendously grateful for your

00:21:07.477 --> 00:21:09.744  
leadership in what's happening  
here in mental health and orange

00:21:11.114 --> 00:21:13.748  
county. I am a licensed mental  
health clinician and many of us

00:21:14.483 --> 00:21:16.483  
get into the field because of

00:21:16.920 --> 00:21:18.920  
the direct impact, to either

00:21:19.550 --> 00:21:21.524  
ourselves or our families have  
experienced and that's certainly

00:21:24.294 --> 00:21:26.294  
my case. I have been a licensed

00:21:26.295 --> 00:21:28.295  
clinician active boots on the

00:21:28.398 --> 00:21:30.398  
ground for 20 years. Impacted

00:21:30.900 --> 00:21:33.368  
by way of family for my entire  
life and when somebody is

00:21:34.938 --> 00:21:37.273  
struggling, a person or family  
member with mental health

00:21:38.442 --> 00:21:40.710  
disorders or substance abuse  
disorders oftentimes finding

00:21:44.314 --> 00:21:47.150  
care is like navigating a maze.  
Exacerbating the experience

00:21:47.651 --> 00:21:50.520  
they're already having with a  
brain based illness and so what

00:21:52.890 --> 00:21:54.591  
you are doing here is bringing  
tremendous compassion and relief

00:21:55.859 --> 00:21:57.859  
to the people that need it. And

00:21:59.196 --> 00:22:01.196  
then easily accessible one stop

00:22:01.298 --> 00:22:04.266  
shop that, like supervisor do  
called out, will be replicated.

00:22:05.135 --> 00:22:07.203  
It brings me to tears thinkg  
about the collaboration and the

00:22:07.404 --> 00:22:09.404  
work and the leadership that you

00:22:10.675 --> 00:22:12.943  
all brought. And I'm just  
tremendously grateful for it.

00:22:16.213 --> 00:22:18.213  
For folks that don't know, the

00:22:20.840 --> 00:22:22.818  
services here are an innovative  
synergy of mental health and

00:22:22.853 --> 00:22:24.853  
diction service supervisor this

00:22:28.693 --> 00:22:30.693  
will be the corner stone of

00:22:32.196 --> 00:22:34.231  
transformation change. Thank  
you.  
>>lisa a. Bartlett, chair:

00:22:34.232 --> 00:22:37.330  
thank you for your comment.

Supervisor do and wagner. I

00:22:38.502 --> 00:22:41.710  
will second. Any objection?  
That item passes. Now moving on

00:22:42.707 --> 00:22:45.110  
to supplemental item one b.  
>>clerk of the board, robin  
stieler:  
authorize chief real estate

00:22:45.110 --> 00:22:47.344  
officer to execute agreement;  
and make california  
environmental quality act and

00:23:04.129 --> 00:23:06.129  
other findings-district three

00:23:07.399 --> 00:23:09.166  
.  
>>lisa a. Bartlett, chair: this

00:23:16.708 --> 00:23:18.776  
is a district three item. Super  
wagner?  
>>donald p. Wagner: thank you

00:23:18.911 --> 00:23:20.911  
very much Madam Chair. Very

00:23:21.280 --> 00:23:23.280  
briefly and then ill move the

00:23:24.116 --> 00:23:26.617  
item. This is related to irvine  
lake related to my district and

00:23:28.119 --> 00:23:30.119  
one of the things they and ceo

00:23:30.288 --> 00:23:32.923  
have been working on since I  
took this seethe is the

00:23:33.858 --> 00:23:36.294  
opportunity to get this resource  
open to the public again as soon

00:23:36.962 --> 00:23:38.962  
as possible: this is the first

00:23:40.199 --> 00:23:42.199  
step in that process. I will

00:23:42.768 --> 00:23:44.768  
not predict when we will be able

00:23:44.803 --> 00:23:47.672  
to finish that process and get  
the lake back open for fishing

00:23:48.273 --> 00:23:50.273  
and perhaps for some additional

00:23:52.645 --> 00:23:54.645  
recreation but I want to assure

00:23:56.816 --> 00:23:59.751  
folks the work is being done.  
The hope is it would be sometime

00:23:59.952 --> 00:24:01.952  
this summer and this is the

00:24:02.221 --> 00:24:04.889  
first step in that process. We  
had a very productive meeting a

00:24:05.991 --> 00:24:08.559  
couple of days ago with all of  
the stakeholders the result of

00:24:08.994 --> 00:24:10.994  
that meeting is this document

00:24:11.665 --> 00:24:13.665  
and this agenda item in front of

00:24:14.167 --> 00:24:16.167  
us and it is my hope we will be

00:24:16.970 --> 00:24:19.671  
able to bring more back to this  
board soon where resources are

00:24:20.406 --> 00:24:23.900  
available for the public to  
enjoy that and I move the item.

00:24:23.900 --> 00:24:25.910  
>>lisa a. Bartlett, chair: I  
will second that. The resident

00:24:26.679 --> 00:24:29.248  
in the area are thrilled about  
the amenities that are going to

00:24:29.683 --> 00:24:31.683  
be at the lake and especially

00:24:32.352 --> 00:24:34.720  
the fishing and they have  
contacted the county and want to

00:24:35.455 --> 00:24:37.455  
know if we're going to have the

00:24:38.625 --> 00:24:40.625  
large stovy fish. They want to

00:24:41.661 --> 00:24:43.929  
be specific. We have a lot of  
enthusiastic folks out there.

00:24:44.530 --> 00:24:47.100  
Any objection to this item  
passing?  
Supervisor do?

00:24:47.100 --> 00:24:49.402

>>sup. Andrew do: thank you  
Madam Chair. I know dan miller

00:24:50.837 --> 00:24:52.837

is here from the irvine company.

00:24:53.273 --> 00:24:55.273

Just want to acknowledge my

00:24:55.675 --> 00:24:58.444

thanks to the irvine company, I  
have been fortunate, this is the

00:24:59.212 --> 00:25:01.914

second dedication of irvine  
company land they have been,

00:25:06.186 --> 00:25:08.186

that I have worked on, one,

00:25:08.956 --> 00:25:10.956

staff ten years ago and today

00:25:13.227 --> 00:25:15.227

and I want to thank Mr. Brent.

00:25:15.562 --> 00:25:17.562

Please relay my thanks here. A

00:25:18.532 --> 00:25:21.435

good steward of county resource.  
Once again it's dedicated for

00:25:24.710 --> 00:25:26.739

public use, and based on our  
dedication last -- late last

00:25:30.411 --> 00:25:32.411

year, for the first veterans

00:25:32.913 --> 00:25:34.913

cemetery, it is a legacy that

00:25:35.182 --> 00:25:37.182

we, that the irvine company and

00:25:37.217 --> 00:25:39.217

the county has created for the

00:25:41.322 --> 00:25:43.758

public. So, that's it thank you  
Madam Chair.

>>lisa a. Bartlett, chair:

00:25:43.758 --> 00:25:45.758

thank you. And thank you

00:25:45.893 --> 00:25:48.595

supervisor wagner for putting  
this front and center and moving

00:25:49.196 --> 00:25:52.165

the amenities and this project

that we have forward. The

00:25:52.499 --> 00:25:54.499  
community thanks you and it's

00:25:54.501 --> 00:25:56.903  
going to be very exciting for  
all of the residents in the

00:26:00.320 --> 00:26:01.909  
county. We have a motion and  
second on this item. Any  
objection?

00:26:03.377 --> 00:26:05.912  
That item passes. Moving on to  
public hearings. Madam Clerk

00:26:08.449 --> 00:26:10.851  
please read the title for item  
two.  
>>clerk of the board, robin  
stieler: county executive

00:26:10.851 --> 00:26:13.654  
office-hold public hearing to  
consider adoption of the fy  
2019-20 recommended budget-all  
districts.

00:26:15.223 --> 00:26:18.580  
And we do have 38 speaker  
requests.  
>>lisa a. Bartlett, chair:

00:26:19.694 --> 00:26:21.694  
okay. At this time, why don't

00:26:22.931 --> 00:26:24.931  
we have the speakers queue up

00:26:25.200 --> 00:26:27.568  
and I think we will allow two  
minutes to get through this

00:26:28.670 --> 00:26:31.407  
process. Some people have time  
commitments today.  
>>clerk of the board, robin

00:26:31.407 --> 00:26:34.108  
stieler: Madam Would you like  
to open the public hearing.  
>>lisa a. Bartlett, chair:

00:26:34.510 --> 00:26:37.112  
okay. We will open the public  
hearing first.  
>>clerk of the board, robin

00:26:37.112 --> 00:26:39.112  
stieler: I'll call the first

00:26:39.514 --> 00:26:41.514  
three please line up behind the

00:26:51.961 --> 00:26:54.597  
posed pose e podium.  
>>speaker: should I start now?

00:26:54.597 --> 00:26:57.165  
>>lisa a. Bartlett, chair:  
actually I'm make some brief

00:26:57.533 --> 00:26:59.533  
comments this is the public

00:27:00.135 --> 00:27:02.135  
hearing to consider the fiscal

00:27:02.971 --> 00:27:05.439  
20192020 recommended budget.  
Following the opening remarks

00:27:08.411 --> 00:27:11.313  
from ceo frank kim and from  
michelle aguirre and budget

00:27:11.480 --> 00:27:13.480  
summary from the county budget

00:27:14.160 --> 00:27:16.151  
director lisa bohan johnston I  
will give my colleagues an

00:27:17.887 --> 00:27:19.887  
opportunity to make any

00:27:20.189 --> 00:27:22.189  
comments. Budget by program and

00:27:22.257 --> 00:27:24.727  
department including base  
budgets and augmentation

00:27:25.395 --> 00:27:27.395  
requests. We will not be taking

00:27:27.931 --> 00:27:30.399  
any formal action until  
June 25th at which time the

00:27:31.334 --> 00:27:33.334  
board will formerly consider the

00:27:34.203 --> 00:27:36.972  
adoption of the fiscal year  
2019/en 2020 budget we will be

00:27:38.874 --> 00:27:40.874  
asked to show by straw vote or

00:27:40.877 --> 00:27:42.877  
direct attention to staff

00:27:42.946 --> 00:27:45.681  
budgets and augmentation  
requests. It is not binding it

00:27:47.984 --> 00:27:49.984

is intended to guide in

00:27:51.788 --> 00:27:53.655  
preparation for the final budget  
consideration. Today will

00:27:54.490 --> 00:27:56.490  
include presentations for straw

00:27:56.693 --> 00:27:58.962  
votes in each of the seven areas  
and the programs not addressed

00:27:59.696 --> 00:28:02.464  
today will be heard tomorrow in  
the event we are able to

00:28:02.499 --> 00:28:05.670  
complete all seven programs  
today the public hearing May be

00:28:05.702 --> 00:28:08.304  
continued to tomorrow to allow  
the county budget office

00:28:11.560 --> 00:28:13.609  
sufficient time to document any  
changes to ceo recommended  
budget that's made today and

00:28:15.279 --> 00:28:17.279  
just note we will take a recess

00:28:17.514 --> 00:28:19.514  
for lunch around the noon hour

00:28:20.617 --> 00:28:22.617  
today, so with that, Madam Clerk

00:28:24.688 --> 00:28:27.390  
would you like to have ceo  
comments or proceed with public

00:28:27.424 --> 00:28:29.910  
comments at this time?  
>>clerk of the board, robin

00:28:29.693 --> 00:28:32.595  
stieler: public comments.  
>>lisa a. Bartlett, chair:  
please begin.  
>>speaker: thank you Madam

00:28:32.630 --> 00:28:34.630  
Chair and supervisors. My name

00:28:34.665 --> 00:28:36.665  
is eric reece my comments are

00:28:37.501 --> 00:28:39.501  
regard to oc budget and public

00:28:39.670 --> 00:28:41.670  
works for the surveyor position.

00:28:42.973 --> 00:28:44.973  
My comment for future

00:28:45.909 --> 00:28:47.909  
consideration is surveyor

00:28:51.616 --> 00:28:53.616  
position to make improvements to

00:28:55.319 --> 00:28:57.319  
quality of life while improving

00:28:57.655 --> 00:29:00.290  
roadway costs for the county.  
Researching the possibility of

00:29:01.960 --> 00:29:03.960  
using reflective pavements of

00:29:04.895 --> 00:29:06.895  
the preferred roadway in the

00:29:08.366 --> 00:29:11.100  
county. Reducing pavement  
temperatures by 11 degrees and

00:29:13.605 --> 00:29:15.605  
reduce sound by 11 decibels can

00:29:16.341 --> 00:29:18.976  
reduce air pollution and charge  
groundwater by absorbing 90

00:29:19.477 --> 00:29:21.477  
percent of storm water run

00:29:22.346 --> 00:29:24.346  
offer. Reflective pavements

00:29:25.183 --> 00:29:27.183  
filter out particulates meaning

00:29:28.654 --> 00:29:31.188  
they're able to perform the same  
wastewater treatment plants for

00:29:32.457 --> 00:29:34.457  
free. Up to 11 degrees

00:29:36.270 --> 00:29:38.270  
fahrenheit reduce health care

00:29:38.830 --> 00:29:40.830  
cost by reducing the number of

00:29:41.132 --> 00:29:43.132  
strokes. Reducing roadway cost

00:29:43.369 --> 00:29:45.369  
for flexibility because

00:29:48.707 --> 00:29:50.707  
reflective pavements are not

00:29:52.744 --> 00:29:54.744

rigid able to accept seismic

00:29:56.918 --> 00:29:58.918  
events. Surveyor position

00:29:59.719 --> 00:30:01.719  
researching fees eyebolt would

00:30:03.872 --> 00:30:05.823  
save the county money in the oc  
public works budget and resource  
s are budget and the orange

00:30:07.192 --> 00:30:09.192  
county water district budget I

00:30:10.290 --> 00:30:12.897  
would would highly encourage to  
aside the position and a

00:30:13.932 --> 00:30:15.932  
stepping stone to achieve

00:30:17.503 --> 00:30:20.720  
quality of life adapting  
communities to become resilient.

00:30:20.239 --> 00:30:22.507  
Thank you for your time and  
consideration of my proposal

00:30:24.377 --> 00:30:26.377  
that can make the county an

00:30:29.281 --> 00:30:31.483  
already in innovation  
sustainability.  
>>lisa a. Bartlett, chair:

00:30:32.551 --> 00:30:34.551  
thank you. Next speaker please.

00:30:35.550 --> 00:30:37.550  
>>speaker: \$6.8 billion budget

00:30:37.657 --> 00:30:39.657  
the public hearing reduced time

00:30:41.270 --> 00:30:43.270  
to two minutes I'm not surprised

00:30:43.329 --> 00:30:45.329  
because this board bait and

00:30:46.299 --> 00:30:48.299  
switcher elected da and newly

00:30:50.436 --> 00:30:52.436  
elected chief of staff negative

00:30:55.642 --> 00:30:57.642  
nancy nelson, and do, steel, as

00:30:59.790 --> 00:31:01.790  
in steel the public's right to

00:31:01.514 --> 00:31:03.514  
speak at a public hearing. Did

00:31:05.180 --> 00:31:07.180  
lilly at the last budget and as

00:31:08.755 --> 00:31:10.755  
I mentioned in 2017 which

00:31:12.250 --> 00:31:14.250  
Chairman Steel was mentioned you

00:31:14.261 --> 00:31:16.261  
guys excluded the public from

00:31:16.897 --> 00:31:18.897  
this meeting by commingling

00:31:19.433 --> 00:31:22.167  
agenda comments with public  
comments. I encourage the

00:31:23.690 --> 00:31:25.690  
attorney general, the governor,

00:31:25.171 --> 00:31:28.600  
whoever to look at the record.  
How many times an official from

00:31:32.613 --> 00:31:34.613  
the county said that concludes

00:31:34.982 --> 00:31:37.884  
program 1.5 billion let's pause  
for public comments is that ever

00:31:38.385 --> 00:31:40.385  
spoken during that meeting?

00:31:40.420 --> 00:31:43.255  
No it wasn't. You guys excluded  
the public from a blanken

00:31:43.957 --> 00:31:45.957  
budget. This is a public

00:31:46.600 --> 00:31:48.695  
hearing. This is not an agenda,  
this is a public hearing. And

00:31:48.863 --> 00:31:50.863  
what do you do?

00:31:51.398 --> 00:31:53.398  
You reduce the time, which I'm

00:31:55.970 --> 00:31:58.671  
not surprised at all. But this  
board, how many times did you --

00:32:00.374 --> 00:32:02.374  
I will say it again. Not one

00:32:02.410 --> 00:32:04.410

time was the public allowed to

00:32:04.412 --> 00:32:06.412  
speak on program one, program

00:32:06.547 --> 00:32:08.547  
two, or program 1 through 7.

00:32:08.583 --> 00:32:10.583  
Not one time on that budget and

00:32:11.252 --> 00:32:14.200  
then you commingled the comments  
saying oh let's have public

00:32:14.889 --> 00:32:17.290  
comment in the front so let's  
have the public address these

00:32:17.858 --> 00:32:19.225  
issues before they're even  
spoken?

00:32:20.762 --> 00:32:22.762  
How long would a judge last if

00:32:23.798 --> 00:32:25.966  
he only heard written comments?  
That's what you're forcing the

00:32:27.335 --> 00:32:29.903  
public to do. You guys got to  
make your decision based on

00:32:31.339 --> 00:32:33.339  
written, the 528 page budget and

00:32:34.275 --> 00:32:37.110  
then to do the powerpoint after  
you leave.  
>>lisa a. Bartlett, chair: your

00:32:37.110 --> 00:32:39.914  
time is up.  
>>speaker: you're busted not to

00:32:41.583 --> 00:32:44.219  
be trusted.  
>>lisa a. Bartlett, chair:  
thank you. Next speaker,  
please.

00:32:44.219 --> 00:32:45.953  
>>clerk of the board, robin  
stieler: the next three are

00:32:47.555 --> 00:32:49.555  
jeanine robins, rebecca, and eve

00:32:50.391 --> 00:32:52.459  
garo.  
>>speaker: good morning my name

00:32:53.828 --> 00:32:55.828  
is pat davis I live in anaheim

00:32:57.366 --> 00:33:00.340

district four and here as an  
active member of housing is a

00:33:00.502 --> 00:33:02.502

human right orange county I want

00:33:03.972 --> 00:33:06.774

to read a letter to you today we  
are here with many of our

00:33:09.277 --> 00:33:11.945

friends who are impacted. I  
will be brief. Acknowledging

00:33:13.682 --> 00:33:15.682

that you have taken the right

00:33:16.385 --> 00:33:18.319

steps, at least to the  
\$70 million from the mental

00:33:18.854 --> 00:33:21.322

health services act funding  
however we continue to move

00:33:22.124 --> 00:33:24.124

terribly slow. Now is the time

00:33:25.194 --> 00:33:27.194

to finish the job and end the

00:33:27.262 --> 00:33:29.262

homelessness crisis in orange

00:33:29.464 --> 00:33:32.167

county. Our most economically  
residents on our streets or

00:33:34.370 --> 00:33:36.370

shelters is inhumane. Only

00:33:37.440 --> 00:33:40.275

affordable herinant homes will  
end homelessness your own

00:33:43.545 --> 00:33:45.545

records show the stock was

00:33:46.810 --> 00:33:48.717

reduceded this year. We urge to  
you commit discretionary budget

00:33:49.319 --> 00:33:51.787

which you control to the housing  
first strategy. It is a

00:33:53.790 --> 00:33:55.790

strategy and it a plan it would

00:33:56.250 --> 00:33:58.794

be great if you would follow  
that. And finally this letter

00:33:59.162 --> 00:34:01.396  
we stand with the thousands of  
people living outdoors in the

00:34:02.231 --> 00:34:04.650  
cold and rain with no protection  
from the elements and the

00:34:04.935 --> 00:34:07.703  
thousands more who are living in  
shelters with no hope for an

00:34:08.471 --> 00:34:11.306  
affordable permanent home. I  
stand with the majority of

00:34:11.775 --> 00:34:13.775  
orange county homeless who say

00:34:15.211 --> 00:34:17.211  
that homeless is poverty are

00:34:18.881 --> 00:34:21.316  
their top priorities. I stand  
with the county where everyone

00:34:23.487 --> 00:34:25.487  
is humanely housed we have

00:34:26.690 --> 00:34:28.958  
waited too long for a permanent  
solution to house homelessness.

00:34:31.610 --> 00:34:33.610  
It is time for the county to act

00:34:34.364 --> 00:34:36.364  
and provide permanent supportive

00:34:38.435 --> 00:34:40.435  
housing, and we ask that you

00:34:40.571 --> 00:34:43.540  
consider bringing a bond measure  
forward for the housing need as

00:34:43.807 --> 00:34:45.807  
our population continues to

00:34:47.377 --> 00:34:49.812  
grow. You have had a lot of  
time to consider the items that

00:34:51.248 --> 00:34:53.248  
you are going to hear more about

00:34:57.321 --> 00:34:58.588  
today but in doing so we ask  
that

00:35:00.858 --> 00:35:03.226  
that you incorporate. And  
finally, during prayer celebrate

00:35:06.730 --> 00:35:08.730

and honor the folks who are left

00:35:11.833 --> 00:35:13.127

to die on the streets.

>>lisa a. Bartlett, chair:

thank you. Next speaker,

00:35:17.708 --> 00:35:19.509

please.

>>speaker: good morning. We

00:35:20.678 --> 00:35:23.613

come here year after year asking

you, no not asking, pleading

00:35:24.415 --> 00:35:26.415

with you to save homeless lives

00:35:26.417 --> 00:35:29.252

by providing housing. You have

the ability to save the lives

00:35:29.887 --> 00:35:31.887

but you seem to lack the desire

00:35:32.290 --> 00:35:34.290

to do this. Each and every day,

00:35:34.893 --> 00:35:36.893

we are out, trying to save

00:35:38.263 --> 00:35:40.263

lives, out trying to keep people

00:35:40.365 --> 00:35:42.365

alive until something is done

00:35:43.340 --> 00:35:45.569

from your end and every day we

realize another day has passed

00:35:47.400 --> 00:35:49.400

and you have done nothing to

00:35:49.708 --> 00:35:51.708

provide housing. That not exact

00:35:51.743 --> 00:35:53.743

is true some of you have done

00:35:55.380 --> 00:35:57.380

something andrew do is trying to

00:35:57.849 --> 00:35:59.950

push the steps toward

cal-optima. Everyone knows this

00:36:01.720 --> 00:36:03.954

is not true. You are blaming

yourself. It just makes you

00:36:05.757 --> 00:36:08.726

look foolish and uneducated.

The blame for homeless steps

00:36:09.361 --> 00:36:11.361  
comes right in that door over

00:36:13.512 --> 00:36:15.733  
there ask stops at the five  
assets that you are sitting on.

00:36:19.604 --> 00:36:21.604  
Michelle steel acts horrified

00:36:22.574 --> 00:36:24.574  
about the 10,000 homeless

00:36:25.211 --> 00:36:28.790  
individuals. The number is much  
greater. I feel horrified when

00:36:30.282 --> 00:36:32.282  
I speak at these meetings time

00:36:33.180 --> 00:36:35.186  
after time when you don't pay  
attention. Let's do something.

00:36:36.988 --> 00:36:38.923  
Walk outside. I offered 100  
homeless individuals come into

00:36:39.825 --> 00:36:41.825  
this building. You need to act

00:36:42.295 --> 00:36:44.295  
and save lives you need to spend

00:36:45.831 --> 00:36:47.666  
money for housing. Open your  
discretionary funds and house

00:36:48.301 --> 00:36:50.301  
people. You need to open that

00:36:50.470 --> 00:36:53.104  
safe and subsidize rent so you  
can prevent people from becoming

00:36:53.572 --> 00:36:55.572  
homeless in the first place

00:36:56.809 --> 00:36:58.809  
stead you do nothing but waste

00:36:58.910 --> 00:37:00.910  
our money and it's more costly

00:37:01.281 --> 00:37:04.182  
to leave people on the streets  
than to house them. You know

00:37:05.551 --> 00:37:07.919  
that. And you do nothing. Stop  
doing nothing and do something.

00:37:08.921 --> 00:37:10.921  
You vote today to spend some of

00:37:11.240 --> 00:37:13.240  
the hundreds of million dollars

00:37:14.930 --> 00:37:16.930  
of the discretionary funds. But

00:37:20.267 --> 00:37:22.267  
you have chip monked away. It

00:37:22.402 --> 00:37:24.402  
is time for you to do something.

00:37:25.171 --> 00:37:27.171  
This is the third year we have

00:37:27.740 --> 00:37:29.841  
been here pointing this out to  
you.

>>lisa a. Bartlett, chair:

00:37:36.350 --> 00:37:38.484  
thank you. Next speaker please.  
>>speaker: Chairman Bartlett

00:37:44.524 --> 00:37:46.992  
and supervisors I am with aclu  
and with housing is a human

00:37:50.290 --> 00:37:52.290  
right oc. I have a letter from

00:37:52.232 --> 00:37:54.232  
the people. The recommended

00:37:54.635 --> 00:37:56.635  
budget commits no discretionary

00:37:57.400 --> 00:37:59.906  
funding which you control to  
affordable permanent housing,

00:38:00.841 --> 00:38:03.809  
the only solution to  
homelessness. Without county

00:38:04.845 --> 00:38:06.845  
investment and solutions to

00:38:07.180 --> 00:38:09.248  
homelessness. It's really  
important to understand that it

00:38:10.510 --> 00:38:12.510  
will continue to grow. That's

00:38:12.420 --> 00:38:14.420  
because federal funding is

00:38:16.690 --> 00:38:18.690  
inadequate and is shrinking

00:38:18.759 --> 00:38:20.759  
relative to need. State funds

00:38:21.195 --> 00:38:23.195

have declined over time or like

00:38:23.530 --> 00:38:25.998  
the redevelopment funds have  
disappeared that's why people

00:38:26.768 --> 00:38:29.200  
wait 4 to 10 years for  
affordable housing once they get

00:38:29.537 --> 00:38:31.537  
on the list, which is difficult

00:38:34.609 --> 00:38:36.609  
to do. Because the list stays

00:38:36.944 --> 00:38:38.944  
closed for years and one in five

00:38:39.460 --> 00:38:41.460  
people who need it will ever get

00:38:41.582 --> 00:38:43.582  
it in this county. Your stock

00:38:43.950 --> 00:38:45.950  
of permanent supportive housing

00:38:47.555 --> 00:38:49.555  
decreased by 2.4 percent between

00:38:51.192 --> 00:38:53.260  
2017 and 2018. And chronically  
homeless people wait years on

00:38:54.662 --> 00:38:56.662  
that list for housing. It now

00:38:57.465 --> 00:39:00.400  
takes an income of \$60,000 a  
year to afford a one bedroom

00:39:00.968 --> 00:39:02.968  
apartment and it's pushing more

00:39:03.471 --> 00:39:05.272  
and more people into  
homelessness. Your approach

00:39:07.609 --> 00:39:10.770  
which is to fund minimal  
emergency shelters and ignore

00:39:10.145 --> 00:39:12.813  
the needs for affordable housing  
is not working and homelessness

00:39:14.182 --> 00:39:16.182  
according to your own count has

00:39:17.885 --> 00:39:19.885  
increased by 43 percent, from

00:39:21.824 --> 00:39:23.824  
2017 to -- from 2017 to 2019.

00:39:24.593 --> 00:39:26.593  
About 25 percent of all children

00:39:26.728 --> 00:39:28.728  
in the county experiencing

00:39:28.864 --> 00:39:31.398  
homelessness are unsheltered  
unless they're living in

00:39:32.330 --> 00:39:34.502  
shelters or programs and none of  
these are appropriate places for

00:39:35.870 --> 00:39:37.870  
children to thrive. So we stand

00:39:39.241 --> 00:39:41.976  
with all who share a vision of a  
vibrant healthy county in which

00:39:43.646 --> 00:39:46.810  
every person is safely and  
permanently housed. Thank you.

00:39:46.810 --> 00:39:48.810  
>>lisa a. Bartlett, chair:

00:39:50.652 --> 00:39:52.753  
thank you. Call the next three  
speakers.  
>>clerk of the board, robin

00:39:56.259 --> 00:39:58.259  
stieler: sanchez, alma, and

00:39:59.428 --> 00:40:02.263  
araha.  
>>speaker: good morning  
Chairman Bartlett and board of

00:40:03.232 --> 00:40:05.232  
supervisors my name is cynthia

00:40:06.635 --> 00:40:09.203  
sanchez director of organizing  
for -- orange county community

00:40:10.500 --> 00:40:12.641  
organization. We are here in a  
alliance for housing is a human

00:40:14.611 --> 00:40:16.611  
right. I am here to demand you

00:40:16.913 --> 00:40:19.781  
put discretionary funding toward  
ending the homeless crisis.

00:40:19.915 --> 00:40:21.915  
There are too many suffering

00:40:23.252 --> 00:40:25.530  
from homelessness and housing

insecurity federal fund suggest

00:40:29.250 --> 00:40:31.527  
not enough. This funding is not  
reaching low income communities

00:40:33.930 --> 00:40:36.765  
of color, single mothers and not  
accessible to the thousands and

00:40:38.168 --> 00:40:40.835  
thousands of undocumented  
brothers and sister who is have

00:40:42.272 --> 00:40:44.272  
to work 100 hours a week to

00:40:45.341 --> 00:40:47.341  
afford a one bedroom apartment

00:40:48.312 --> 00:40:51.147  
or otherwise live in incredibly  
overcrowded continues. Today we

00:40:53.316 --> 00:40:55.985  
will be hearing stories from  
local partners and leaders

00:40:56.920 --> 00:40:59.688  
speaking with the crisis many  
will be speaking in spanish and

00:41:00.423 --> 00:41:02.423  
I will translate to the best of

00:41:18.742 --> 00:41:21.143  
my ability.  
[Speaking in native language]  
>> Speaker: good morning

00:41:29.530 --> 00:41:32.210  
Chairman And board of  
supervisors.  
[Speaking in native language]

00:41:32.523 --> 00:41:34.657  
>> Speaker: I am here to demand  
that you use part of the

00:41:35.592 --> 00:41:37.592  
discretionary funding to put an

00:41:39.997 --> 00:41:41.997  
end to this housing crisis.

00:41:43.234 --> 00:41:46.350  
[Speaking in native language]  
>> Speaker: we are an assembly

00:41:46.871 --> 00:41:49.206  
of nine individuals who live in  
a two bedroom apartment that

00:41:50.874 --> 00:41:52.874  
cost \$1,800.

00:41:54.878 --> 00:41:57.347

[Speaking in native language]

>> Speaker: we are forced to

00:41:58.116 --> 00:42:00.116

rent one of our bedrooms to be

00:42:01.653 --> 00:42:03.653

able to afford rent.

00:42:10.695 --> 00:42:12.695

[Speaking in native language]

00:42:12.796 --> 00:42:14.796

>> Speaker: I am here to demand

00:42:15.300 --> 00:42:17.201

this, because the families of  
orange county deserve a better

00:42:22.307 --> 00:42:24.307

quality of life.

00:42:24.409 --> 00:42:26.810

>>speaker: thank you.

>>lisa a. Bartlett, chair: next  
speaker please.

00:42:26.945 --> 00:42:29.313

>>speaker: good morning

Chairwoman Bartlett and board of

00:42:30.181 --> 00:42:32.181

supervisors my name is lorraina,

00:42:33.180 --> 00:42:35.653

I am a resident in the city of  
anaheim and with all due respect

00:42:36.989 --> 00:42:39.290

I am here to demand that you use  
part of your discretionary

00:42:39.825 --> 00:42:41.825

funding to end the housing

00:42:44.963 --> 00:42:47.798

crisis. There is too many  
families experiencing an

00:42:49.669 --> 00:42:51.669

unaffordable living I am here to

00:42:52.538 --> 00:42:54.906

speak for my own. Due to the  
high price of rent I have to

00:42:56.508 --> 00:42:59.430

share a home with a my parents  
which my family is a family of

00:43:00.446 --> 00:43:02.847

five. I have three daughters,  
my husband and myself, and we

00:43:03.849 --> 00:43:05.849  
have to share a room. And I ask

00:43:06.886 --> 00:43:08.886  
that you please help and hear us

00:43:09.822 --> 00:43:12.691  
to be able to distribute the  
funds for affordable living

00:43:16.462 --> 00:43:18.462  
homes for families who have the

00:43:18.564 --> 00:43:20.564  
ability to have for their kids,

00:43:24.437 --> 00:43:26.437  
the room to be able to have a

00:43:28.975 --> 00:43:31.476  
healthy life. I have a  
nine-year-old daughter who, not

00:43:33.446 --> 00:43:35.446  
too long ago, she said we drive

00:43:35.648 --> 00:43:37.648  
by these new homes that are by

00:43:39.799 --> 00:43:42.320  
our home and she says my  
birthday should come true mom.

00:43:42.989 --> 00:43:45.958  
And I said what is that and she  
said for us to have our own

00:43:46.893 --> 00:43:48.893  
home. So I ask that you please

00:43:49.629 --> 00:43:51.831  
take that into consideration.  
Thank you.  
>>lisa a. Bartlett, chair:

00:43:51.831 --> 00:43:54.320  
thank you. Thank you. Next  
speaker, please.  
>>clerk of the board, robin

00:43:54.534 --> 00:43:56.534  
stieler: next three are

00:43:58.370 --> 00:44:00.370  
valerie, miguel h, and

00:44:08.849 --> 00:44:11.384  
hernandez.  
>>speaker: good morning my name  
is valerie.

00:44:11.384 --> 00:44:13.384  
>>lisa a. Bartlett, chair: you

00:44:13.653 --> 00:44:15.554  
can pull that up a little bit.  
>>speaker: good morning my name

00:44:18.158 --> 00:44:20.158  
is valerie, and I live with my

00:44:20.661 --> 00:44:23.562  
family, and, in a room, is my  
parents -- at my grandma's

00:44:29.269 --> 00:44:32.138  
guys to try to lower the rent,  
because it's small, and I want

00:44:42.383 --> 00:44:44.383  
two older sisters, and I want to

00:44:44.918 --> 00:44:47.787  
share a room with them. Thank  
you.

>>lisa a. Bartlett, chair:  
thank you. Thank you. Next

00:44:54.862 --> 00:44:57.163  
speaker, please.  
>>speaker: good morning

00:44:57.698 --> 00:44:59.698  
Chairwoman Bartlett,

00:45:00.501 --> 00:45:02.501  
supervisors, my name is miguel

00:45:02.870 --> 00:45:04.870  
hernandez, I residence of santa

00:45:04.905 --> 00:45:07.730  
ana, also a director of the  
orange county community

00:45:09.978 --> 00:45:12.946  
organization, a faith-based  
community who fights to lift the

00:45:13.848 --> 00:45:16.783  
voice of people who are  
marginalized in our community

00:45:17.518 --> 00:45:19.518  
especially those of color in our

00:45:19.821 --> 00:45:21.821  
communities. I grew up in

00:45:22.560 --> 00:45:24.824

orange county, in an immigrant family. At a time where we

00:45:25.259 --> 00:45:27.259  
could afford housing and had

00:45:27.262 --> 00:45:29.797  
good paying jobs. That time has gone. You heard some stories

00:45:30.198 --> 00:45:33.000  
already, from the families in our communities, and you know

00:45:34.235 --> 00:45:36.235  
the facts, so I won't repeat

00:45:36.805 --> 00:45:38.805  
them. But I do ask you to use

00:45:39.140 --> 00:45:41.140  
your discretionary funding, your

00:45:41.809 --> 00:45:44.778  
power, to alleviate and solve the housing crisis in orange

00:45:47.716 --> 00:45:49.716  
county. I ask you to act with

00:45:50.186 --> 00:45:52.987  
compassion, with swift speed to our solve our problems. I know

00:45:53.521 --> 00:45:56.424  
this is not something we're going to solve overnight, but we

00:45:57.626 --> 00:45:59.626  
need to move more boldly, you

00:46:00.428 --> 00:46:02.832  
need to move more boldly and swiftly than you are now. Thank

00:46:02.832 --> 00:46:05.434  
you very much.

>>lisa a. Bartlett, chair:

>> Speaker: and I ask myself,

00:47:05.361 --> 00:47:07.361  
when did we go through all this

00:47:08.197 --> 00:47:11.133  
fear, all this stress, all this  
frustration that accompanies the

00:47:11.802 --> 00:47:13.836

00:47:15.138 --> 00:47:17.138

-- I am from costa  
mesa.  
>>speaker: [Speaking in native

00:50:58.498 --> 00:51:00.498  
>> Speaker: I want to speak to

00:51:00.635 --> 00:51:03.536  
you transparently human to  
human, because often were times

00:51:09.243 --> 00:51:11.578  
we get caught up in the numbers.  
>>speaker: [Speaking in native  
language]

00:51:11.578 --> 00:51:14.347  
>> Speaker: the way I spend my  
time as a volunteer is to talk

00:51:16.351 --> 00:51:18.351  
to registered voters, people in

00:51:18.886 --> 00:51:21.255  
my community.  
>>speaker: [Speaking in native  
language]

00:51:21.255 --> 00:51:23.390  
>> Speaker: and often were  
times it's very painful to hear

00:51:28.328 --> 00:51:31.297  
the testimonies of those folks.  
>>speaker: [Speaking in native  
language]

00:51:34.690 --> 00:51:36.690  
>> Speaker: my priority are my

00:51:37.172 --> 00:51:39.274  
children.  
>>speaker: [Speaking in native

>> Speaker: and the last time

00:51:41.643 --> 00:51:43.643  
that we walked around in our

00:51:45.880 --> 00:51:47.880  
neighborhood to talk to

00:51:52.220 --> 00:51:54.355  
registered voters --  
>>speaker: [Speaking in native  
language]

00:51:54.456 --> 00:51:56.456  
>>speaker: I sat to speak with

00:52:01.796 --> 00:52:03.796  
a single mother. Who wasn't

00:52:05.166 --> 00:52:07.166  
able to afford her rent. And

00:52:13.342 --> 00:52:15.509  
she didn't know who raped her  
14-year-old daughter. That

00:52:15.744 --> 00:52:18.450  
destroyed me and I immediately  
put myself in her place.

00:52:18.847 --> 00:52:20.847  
Because that could have happened

00:52:21.750 --> 00:52:23.650  
to me. And I asked, did you  
report it?

00:52:27.390 --> 00:52:28.656  
And she said no. And I said  
why?

00:52:31.560 --> 00:52:33.560  
Because there is no justice for

00:52:38.660 --> 00:52:40.935  
us. Public servants we don't  
know who your priorities are,

00:52:41.369 --> 00:52:43.369  
who is people are your

00:52:47.143 --> 00:52:49.143  
priorities. For me my children

00:52:50.413 --> 00:52:52.413  
are my reason to exist. And so

00:52:56.218 --> 00:52:57.585  
I ask you, is it the same for  
you?

00:52:59.755 --> 00:53:01.755  
Do you -- we want to live with

00:53:06.162 --> 00:53:08.162  
dignity, with human dignity and

00:53:08.998 --> 00:53:10.732  
without fear.

>>speaker: [Speaking in native

00:53:14.136 --> 00:53:16.136  
language]

00:53:18.842 --> 00:53:20.842  
>> Speaker: psalm 133, 1, 2, 3

00:53:20.911 --> 00:53:22.911  
says I May only be able to do a

00:53:23.179 --> 00:53:25.179  
little bit but together we can

00:53:25.848 --> 00:53:27.884  
do a lot.  
>>speaker: [Speaking in native

00:53:27.884 --> 00:53:29.651  
language]  
>> Speaker: May God bless you,

00:53:31.721 --> 00:53:33.721  
and I hope this testimony is

00:53:37.561 --> 00:53:40.300  
grow consciousness in you.  
>>speaker: thank you.  
>>lisa a. Bartlett, chair:

00:53:40.300 --> 00:53:42.300

>> Speaker: I am here to demand

00:54:03.687 --> 00:54:05.687  
that you use part of your

00:54:06.223 --> 00:54:08.858  
discretionary funding --  
>>speaker: [Speaking in native  
language]

00:54:09.920 --> 00:54:11.760  
>> Speaker: to put an end to  
this housing crisis. There are

00:54:13.130 --> 00:54:15.130  
too many people experiencing the

00:54:15.766 --> 00:54:17.766  
lack of housing and housing

00:54:20.304 --> 00:54:22.171  
insecurity.  
>>speaker: [Speaking in native

00:54:24.174 --> 00:54:26.309  
language]  
>> Speaker: I know that there

00:54:27.110 --> 00:54:28.945  
is a housing crisis in the  
community because I experience

00:54:29.380 --> 00:54:31.380  
it every day, and I pray about

00:54:34.285 --> 00:54:36.486  
it every day.  
>>speaker: [Speaking in native  
language]

00:54:37.255 --> 00:54:39.255  
>> Speaker: in my case, I am

00:54:43.260 --> 00:54:45.395  
experiencing a lot of anxiety.  
>>speaker: [Speaking in native

00:54:54.305 --> 00:54:56.305  
children I already have.

00:54:59.911 --> 00:55:02.379  
Because the rents are still  
high. One of my daughters has

00:55:04.416 --> 00:55:06.751  
to work and go to school.  
>>speaker: [Speaking in native

>> Speaker: and there is  
nothing she can do in addition

language]  
>> Speaker: divorce is given

00:57:43.978 --> 00:57:45.978  
the lack of intimacy amongst

00:57:46.547 --> 00:57:49.316  
partners, alcoholism, drug  
diction, crime, murder, lack of

00:57:50.718 --> 00:57:52.718  
green spaces, lack of parking,

00:57:58.260 --> 00:58:00.260  
these are all the roots of our

00:58:00.395 --> 00:58:02.162  
housing crisis.  
>>speaker: [Speaking in native

00:58:10.905 --> 00:58:13.390  
language]  
>> Speaker: do you know what it

00:58:13.674 --> 00:58:16.142  
feels like to be able to have to  
go over on the side of the

00:58:16.378 --> 00:58:18.378

street because you don't have

00:58:19.247 --> 00:58:21.247  
money for gas, to be hungry, to

00:58:21.950 --> 00:58:23.950  
lose your parents, your

00:58:24.619 --> 00:58:26.619  
brothers, sisters, grandpa,

00:58:27.589 --> 00:58:29.589  
uncles, daughters, and sons, and

00:58:29.591 --> 00:58:31.591  
to know what it's like to be on

00:58:37.990 --> 00:58:39.100  
the brink of being divorced?  
>>speaker:

00:58:49.477 --> 00:58:51.477  
[Speaking in native language]

00:58:52.748 --> 00:58:55.350  
>> Speaker: this is what is  
experiencing the housing crisis

00:58:57.620 --> 00:58:59.620  
feels like every day. We don't

00:58:59.922 --> 00:59:01.922  
-- I don't know when they raped

00:59:02.240 --> 00:59:04.240  
my daughter. I don't know when

00:59:05.761 --> 00:59:08.596  
my son started doing drugs given  
the experiences because I have

00:59:09.498 --> 00:59:11.498  
to work so much, two shifts to

00:59:20.709 --> 00:59:22.709  
be able to work.

00:59:26.382 --> 00:59:28.484  
>>speaker: [Speaking in native  
language]

00:59:29.519 --> 00:59:32.120  
>> Speaker: I want to be make  
responsible for the housing

00:59:33.790 --> 00:59:36.391  
crisis to the landlords, to the  
owners of apartment buildings,

00:59:36.692 --> 00:59:38.692  
to the association -- to the

00:59:38.828 --> 00:59:40.828  
apartment associations, to the

00:59:40.896 --> 00:59:43.798  
owners who, because of their  
lack of leadership, and lack of

00:59:46.236 --> 00:59:48.236  
mercy and also to those that

00:59:49.339 --> 00:59:51.339  
govern.

00:59:53.521 --> 00:59:55.521  
>>speaker: [Speaking in native

01:00:05.789 --> 01:00:07.789  
language]

01:00:08.525 --> 01:00:11.930  
>> Speaker: I want to hold you  
accountable, our housing crisis

01:00:11.394 --> 01:00:13.950  
May end today.  
>>lisa a. Bartlett, chair:

01:00:13.463 --> 01:00:15.970  
thank you for your comments.  
Thank you. Next speaker,

01:00:22.673 --> 01:00:25.207  
please.  
>>speaker: [Speaking in native

01:00:30.914 --> 01:00:33.215  
language]  
>> Speaker: good morning my

01:00:37.688 --> 01:00:39.688  
name is alejandra, a member of

01:00:40.424 --> 01:00:42.424  
huntington beach and here to

01:00:43.527 --> 01:00:45.261  
speak on behalf of my community.  
>>speaker: [Speaking in native

01:00:58.476 --> 01:01:00.476  
language]

01:01:00.878 --> 01:01:02.878  
>> Speaker: I came to this

01:01:03.414 --> 01:01:06.349  
country 40 years ago and I am  
saddened to see how things have

01:01:06.717 --> 01:01:08.717  
gotten worse and worse how

01:01:09.353 --> 01:01:11.353  
people can no longer buy a home

01:01:11.389 --> 01:01:14.291  
afford a car and how youth are  
not able to afford anything for

01:01:23.968 --> 01:01:25.968  
themselves.

01:01:26.370 --> 01:01:28.538  
>> Speaker: the cost of housing  
going increasing going up and

01:01:30.975 --> 01:01:32.975  
up, and what's happening within

01:01:37.349 --> 01:01:39.830  
our community --  
>>speaker: [Speaking in native

01:01:39.617 --> 01:01:41.617  
language]

01:01:42.190 --> 01:01:44.190  
>> Speaker: sadly, I see the

01:01:44.322 --> 01:01:47.125  
pattern of couples having to  
move out to the living rooms so

01:01:47.626 --> 01:01:50.561  
they can rent one of their  
bedrooms to be able to afford

01:01:56.101 --> 01:01:58.535  
the rent.  
>>speaker: [Speaking in native

01:02:14.953 --> 01:02:16.953  
language]

01:02:26.499 --> 01:02:28.533  
>> Speaker: and what is the  
result of that?

01:02:30.269 --> 01:02:32.670  
There is lack of privacy and  
intimacy amongst our families

01:02:33.272 --> 01:02:35.272  
and all of the children are

01:02:36.675 --> 01:02:39.111  
forced to share one bedroom,  
five-year-olds, 10-year-olds

01:02:39.579 --> 01:02:41.379  
together, and what's the problem  
with that?

01:02:42.148 --> 01:02:44.783  
They don't have a place to do  
their homework. They don't have

01:02:49.489 --> 01:02:51.489  
the ability to succeed in

01:02:52.558 --> 01:02:54.558  
school.

01:02:54.860 --> 01:02:56.860  
>>speaker: [Speaking in native  
language]

01:03:08.140 --> 01:03:10.140  
language]

01:03:11.100 --> 01:03:13.545  
>> Speaker: and sadly, I see  
children having to cope with

01:03:15.820 --> 01:03:17.820  
things they're not supposed to,

01:03:18.385 --> 01:03:20.385  
doing drugs playing video games

01:03:20.754 --> 01:03:22.754  
they're not supposed to because

01:03:23.590 --> 01:03:25.590  
they don't have anything else by

01:03:26.192 --> 01:03:27.926  
means to cope with it.  
>>speaker: [Speaking in native  
language]

01:03:44.344 --> 01:03:46.344  
language]

01:04:04.264 --> 01:04:06.900  
>> Speaker: while waiting to  
speak, I saw so many homeless,

01:04:09.203 --> 01:04:11.203  
and I know there are people who

01:04:13.365 --> 01:04:16.142  
feed the community as well, I  
know someone who has a problem

01:04:23.185 --> 01:04:25.185  
with schizophrenia who has

01:04:28.122 --> 01:04:30.290  
problems supporting himself.  
>>speaker: [Speaking in native  
language]

01:04:30.792 --> 01:04:32.792  
>> Speaker: I ask you that you

01:04:34.362 --> 01:04:36.362  
we only, with dignity, like 60

01:04:37.265 --> 01:04:39.265  
years ago when everybody could

01:04:39.533 --> 01:04:41.235  
afford housing.  
>>lisa a. Bartlett, chair:

01:04:42.904 --> 01:04:45.172  
thank you. Thank you. Next  
speaker, please.  
>>speaker: [Speaking in native

01:04:48.760 --> 01:04:49.877

language]

>> Speaker: good morning my

01:04:52.414 --> 01:04:54.414

name is maria martinez, I am a

01:04:57.170 --> 01:04:59.170

leader with -- and I live in

01:05:01.356 --> 01:05:03.491

costa mesa.

>>speaker: [Speaking in native language]

01:05:03.492 --> 01:05:06.600

>>translator: I am the in other of two children with special

01:05:07.129 --> 01:05:09.129

needs and we know that the

01:05:09.364 --> 01:05:11.364

effects of the housing crisis

01:05:15.671 --> 01:05:18.539

are widespread and are severe.

>>speaker: [Speaking in native language]

01:05:19.175 --> 01:05:21.809

>>translator: vulnerable groups one in four children in orange

01:05:27.883 --> 01:05:29.884

county are living in poverty.

>>speaker: [Speaking in native

01:05:30.619 --> 01:05:32.987

language]

>>translator: it is concerning

01:05:33.656 --> 01:05:35.656

to see the housing crisis that

01:05:36.192 --> 01:05:38.192

we're experiencing, given that

01:05:39.328 --> 01:05:41.328

so many families are losing

01:05:44.433 --> 01:05:46.602

their homes.

>>speaker: [Speaking in native

01:05:46.602 --> 01:05:48.436

language]

>>translator: children have the

01:05:49.905 --> 01:05:51.905

right to a happy childhood and

01:05:54.911 --> 01:05:57.212

an opportunity to grow.

>>speaker: [Speaking in native language]

01:05:57.680 --> 01:06:00.248

>>translator: and to be able to prepare themselves for

01:06:00.583 --> 01:06:02.583

integration into society with

01:06:05.855 --> 01:06:07.855

the life filled with dignity.

01:06:09.225 --> 01:06:10.593

>>speaker: [Speaking in native language]

01:06:11.661 --> 01:06:13.661

>>translator: if the laws

01:06:13.863 --> 01:06:15.863

impede the ability to have a

01:06:16.699 --> 01:06:18.467

dignified housing are increasing

--

01:06:19.636 --> 01:06:21.670

>>speaker: [Speaking in native language]

01:06:22.805 --> 01:06:24.805

>>translator: -- what is at

01:06:24.841 --> 01:06:26.841

stake for our children that grow

01:06:27.878 --> 01:06:29.878

up and are unable to join

01:06:32.182 --> 01:06:34.490

society?

>>speaker:

01:06:39.889 --> 01:06:41.890

[Speaking in native language]

>>translator: my primary

01:06:42.693 --> 01:06:45.280

concern is that I have two children with special needs, and

01:06:45.829 --> 01:06:47.829

I think about what's going to

01:06:49.166 --> 01:06:51.601

happen when they grow up and are unable to join society and they

01:06:53.360 --> 01:06:55.360

have that added layer of need,

01:06:56.940 --> 01:06:59.842

what's going to happen to them?

>>speaker:

[Speaking in native language]

01:06:59.943 --> 01:07:01.943  
>>translator: I want to read a

01:07:04.781 --> 01:07:06.781  
passage from the bible.

01:07:07.618 --> 01:07:10.486  
>>speaker: [Speaking in native  
language]  
>>translator: to the rich of

01:07:13.633 --> 01:07:15.633  
this world, ask them not to be

01:07:17.527 --> 01:07:19.763  
greedy.  
>>speaker: [Speaking in native

01:07:23.234 --> 01:07:25.234  
language]

01:07:25.369 --> 01:07:27.369  
>>translator: to not put their

01:07:28.606 --> 01:07:30.606  
hopes in uncertain things but to

01:07:30.708 --> 01:07:32.442  
put them in God.  
>>speaker: [Speaking in native

01:07:40.518 --> 01:07:42.518  
language]

01:07:42.887 --> 01:07:44.887  
>>translator: that they May

01:07:45.657 --> 01:07:47.657  
build abundance so that everyone

01:07:47.858 --> 01:07:49.858  
can enjoy that they do good,

01:07:49.894 --> 01:07:51.894  
that they in their wealth do

01:07:52.196 --> 01:07:54.932  
good deeds, that they share,  
that they are generous, that

01:07:55.834 --> 01:07:57.834  
they build a world upon a

01:08:01.873 --> 01:08:03.873  
foundation for all. In God's

01:08:04.409 --> 01:08:06.444  
eternal hands.

language]  
>>lisa a. Bartlett, chair:

01:08:10.149 --> 01:08:11.683

thank you. Thank you. Next  
speaker, please.

01:08:16.121 --> 01:08:18.923

>>speaker: patrick hogan, david  
duran, and lynne b.

01:08:19.570 --> 01:08:21.570

>>speaker: good morning. My

01:08:22.127 --> 01:08:24.127

name is linda, and I am a

01:08:24.729 --> 01:08:26.497

resident of anaheim here can the  
orange county organization and

01:08:27.967 --> 01:08:29.934

housing is a human right orange  
county to demand that you use

01:08:30.669 --> 01:08:32.669

part of your discretionary

01:08:33.539 --> 01:08:35.539

funding as part of the housing

01:08:36.442 --> 01:08:38.442

crisis. In 2020 the counties's

01:08:39.110 --> 01:08:41.110

general purpose revenue or

01:08:42.800 --> 01:08:44.315

discretionary funds are proposed  
to be \$906 million up from two

01:08:45.785 --> 01:08:48.530

years ago when we first started  
coming here over 88 percent of

01:08:48.754 --> 01:08:51.256

this money comes from property  
taxes money from some folks that

01:08:52.658 --> 01:08:55.493

are here and should be spent  
here. None of this is devoted

01:08:56.895 --> 01:08:58.895

to ending the root cause of

01:09:01.200 --> 01:09:02.934

homelessness and housing  
insecurities of affordable

01:09:03.570 --> 01:09:05.570

housing. We know from the

01:09:05.638 --> 01:09:08.273

united way study that to provide  
housing for folks instead of

01:09:08.608 --> 01:09:10.608  
leaving them on the streets or

01:09:11.440 --> 01:09:13.440  
in shelters, it's the fiscal

01:09:13.112 --> 01:09:15.480  
responsible thing to do is to  
provide housing for the increase

01:09:16.982 --> 01:09:19.784  
of funds in the general purpose  
revenue perhaps the board should

01:09:20.386 --> 01:09:22.386  
set aside a percentage of these

01:09:23.560 --> 01:09:25.391  
funds every year to devote to  
housing. This lack of

01:09:25.859 --> 01:09:27.859  
investment of the county's own

01:09:29.228 --> 01:09:31.863  
funds makes no sense. It is  
fiscally irresponsible and

01:09:33.366 --> 01:09:35.366  
morally wrong. Jim wallace and

01:09:35.401 --> 01:09:37.401  
founder of sojourners said any

01:09:37.538 --> 01:09:40.172  
budget is a moral statement of  
priority whether it's a budget

01:09:40.741 --> 01:09:42.741  
created by an individual,

01:09:43.977 --> 01:09:46.712  
family, school, city, county, or  
nation. Mathematically what

01:09:47.547 --> 01:09:50.249  
areas, issues and things are  
most important to the creators

01:09:50.950 --> 01:09:53.519  
of that perjury and who are  
least important. Please use

01:09:54.554 --> 01:09:56.554  
your discretionary funding to

01:09:57.124 --> 01:09:58.925  
provide permanent supportive and  
affordable housing for the

01:09:59.793 --> 01:10:02.162  
residents of orange county.

Thank you.

>>lisa a. Bartlett, chair:

01:10:02.162 --> 01:10:04.162  
thank you. Thank you. Next

01:10:06.633 --> 01:10:09.100  
speaker, please.  
>>speaker: between the second

01:10:09.736 --> 01:10:11.736  
and third minute I was going to

01:10:12.740 --> 01:10:14.740  
use that to go ahead and explain

01:10:14.909 --> 01:10:17.844  
the reasons why many of us are  
here, but since that's been

01:10:19.680 --> 01:10:21.680  
taken away, really all I'm left

01:10:23.617 --> 01:10:25.617  
is to, again, ask, like everyone

01:10:27.255 --> 01:10:29.255  
has asked, plead like everyone

01:10:30.958 --> 01:10:32.958  
has pleaded, to do the right

01:10:33.127 --> 01:10:35.127  
thing, and use discretionary

01:10:35.296 --> 01:10:37.296  
funds. Some of those hundreds

01:10:37.999 --> 01:10:39.999  
of millions of dollars in

01:10:40.635 --> 01:10:42.635  
discretionary funds to help

01:10:42.770 --> 01:10:44.770  
resolve homelessness. Starting

01:10:46.640 --> 01:10:48.640  
in July, 2019, as I'm sure you

01:10:51.679 --> 01:10:53.679  
are well aware of, ab1338, i

01:10:53.781 --> 01:10:55.781  
believe will be in place. Where

01:10:59.320 --> 01:11:01.320  
you will be mandated to follow

01:11:02.890 --> 01:11:04.890  
the housing first plan. And

01:11:06.728 --> 01:11:09.563  
wearily be we'll be here and  
watching. The history of the

01:11:09.931 --> 01:11:12.199  
board of supervisors and in

accordance with the grand jury

01:11:13.568 --> 01:11:15.568  
reports since 2005 doesn't play

01:11:16.137 --> 01:11:18.137  
well, it says there is neglect.

01:11:22.176 --> 01:11:24.176  
It says there is -- my words --

01:11:24.980 --> 01:11:26.980  
an ineptness of the board to

01:11:27.282 --> 01:11:29.784  
provide housing for the  
communities. This history,

01:11:32.521 --> 01:11:35.222  
since 2005, is here again today.  
We wouldn't be here. We

01:11:37.492 --> 01:11:40.600  
wouldn't be here if there was  
sufficient housing. You

01:11:40.863 --> 01:11:42.863  
wouldn't have to listen to us.

01:11:44.366 --> 01:11:46.366  
So I'm offering you a proposal,

01:11:47.303 --> 01:11:49.303  
to get rid of us. Get rid of

01:11:49.338 --> 01:11:51.338  
us, by doing the right thing.

01:11:52.207 --> 01:11:54.207  
By using discretionary funds,

01:11:54.309 --> 01:11:56.309  
following the housing first

01:11:58.492 --> 01:12:01.283  
plan, to help save lives, and  
eliminate all this malicious

01:12:02.551 --> 01:12:04.252  
neglect.  
>>lisa a. Bartlett, chair:

01:12:04.654 --> 01:12:06.655  
thank you. Thank you. Next  
speaker, please. Call the next

01:12:06.689 --> 01:12:09.624  
three speakers.  
>>clerk of the board, robin  
stieler: next three speakers

01:12:13.962 --> 01:12:15.962  
are mark richard daniels adam

01:12:19.302 --> 01:12:21.302

overton and kelly butler.

01:12:21.371 --> 01:12:23.371  
>>speaker: in 2019 I am here to

01:12:24.674 --> 01:12:26.641  
honor a friend and reiterate and  
remind the board of supervisors

01:12:28.611 --> 01:12:30.611  
of the death of my friend. In

01:12:31.380 --> 01:12:33.949  
your position, the inhumane  
conditions of your shelters and

01:12:35.618 --> 01:12:37.618  
quell the lack of compassion

01:12:41.240 --> 01:12:43.240  
towards the lack of the less

01:12:43.626 --> 01:12:46.295  
fortunate endures. The man I'm  
honoring died in your shelter

01:12:48.398 --> 01:12:50.398  
one month ago, his name was

01:12:50.901 --> 01:12:52.901  
robert eston he was born and

01:12:52.970 --> 01:12:54.970  
raised in anaheim he became

01:12:55.439 --> 01:12:57.439  
known to the community as the --

01:12:58.475 --> 01:13:01.377  
king. Riding his bicycle and  
sustained for close to a mile,

01:13:02.712 --> 01:13:04.712  
and the thing that impressed me

01:13:07.685 --> 01:13:10.620  
the most was his ability to  
insist the people regard him as

01:13:11.588 --> 01:13:13.588  
a person. Regarded by persons

01:13:13.657 --> 01:13:15.657  
of authority to expert his right

01:13:16.159 --> 01:13:18.159  
as a citizen, he refused to

01:13:18.795 --> 01:13:20.795  
allow police to search him, and

01:13:21.980 --> 01:13:23.980  
he would stand up to clerks who

01:13:23.366 --> 01:13:26.303

tried to bully him out of  
stores. Although his

01:13:26.670 --> 01:13:29.572  
self-esteem May have suffered  
from being homeless, like all

01:13:30.740 --> 01:13:32.740  
who have become homeless, he

01:13:36.714 --> 01:13:39.449  
never let it show. Then he went  
into bridges, one of your

01:13:40.150 --> 01:13:42.150  
shelters, I call it your

01:13:42.152 --> 01:13:44.152  
shelters because although the

01:13:44.289 --> 01:13:46.289  
county does not own and does not

01:13:46.925 --> 01:13:48.925  
run the shelter, you hire and

01:13:49.930 --> 01:13:51.930  
pay them, that makes you the

01:13:54.999 --> 01:13:56.999  
county leaders responsible and

01:14:00.372 --> 01:14:02.372  
accountable. No apologies.

01:14:02.374 --> 01:14:04.374  
Only rhetoric is inflated

01:14:05.343 --> 01:14:07.343  
numbers to impress the easily

01:14:08.680 --> 01:14:11.615  
impressed. My friend was not so  
impressed. He spent 12 lonely

01:14:17.756 --> 01:14:20.691  
hours locked in your shelter's  
lavatory. 12 hours locked and

01:14:21.426 --> 01:14:23.193  
the security guard notified --  
>>lisa a. Bartlett, chair: wrap

01:14:24.620 --> 01:14:26.730  
up your comments. Your time is  
up.  
>>speaker: yeah. I'll wrap

01:14:27.999 --> 01:14:30.834  
them up. The person did not  
have the wherewithal when he

01:14:31.836 --> 01:14:33.836  
tried to look for a key to help

01:14:34.205 --> 01:14:36.205  
my friend. So one year later,

01:14:38.443 --> 01:14:40.443  
not much has changed. Reports

01:14:42.781 --> 01:14:45.583  
of sexual harassment by staff.  
The industry is well established

01:14:46.451 --> 01:14:49.286  
as well as oversight procedures  
it is a wonder more deaths have

01:14:50.422 --> 01:14:52.923  
not occurred in your shelters.  
>>lisa a. Bartlett, chair:  
thank you for your comment.

01:14:53.192 --> 01:14:55.694  
>>speaker: when I think about  
robert -- I think about --

01:14:55.694 --> 01:14:57.694  
>>lisa a. Bartlett, chair: we

01:15:00.320 --> 01:15:02.320  
need to call the next speaker.

01:15:06.905 --> 01:15:08.905  
Your time is up. All right.

01:15:08.940 --> 01:15:10.940  
thank you for your comments.

01:15:15.281 --> 01:15:17.782  
Next speaker please.  
>>speaker: good evening. Good

01:15:18.851 --> 01:15:20.851  
morning. My name is mark

01:15:22.488 --> 01:15:25.256  
richard daniels, a life-long  
resident of this county I was

01:15:26.910 --> 01:15:28.910  
born in the city of anaheim, and

01:15:30.229 --> 01:15:32.229  
I am a cal-optima member. No

01:15:33.232 --> 01:15:35.232  
affordable housing keeps people

01:15:36.736 --> 01:15:38.736  
homeless. In this rich affluent

01:15:40.973 --> 01:15:43.575  
nation of ours, this is obscene.  
So you look at the graphic up

01:15:44.443 --> 01:15:46.443  
here, and you see how many

01:15:49.715 --> 01:15:51.715  
people in the oc need subsidized

01:15:51.785 --> 01:15:53.785  
affordable housing, that have

01:15:55.822 --> 01:15:57.822  
it. One in four, which is about

01:15:58.157 --> 01:16:00.258  
21,600. How many households are  
on the affordable housing

01:16:00.626 --> 01:16:02.626  
waiting list?

01:16:03.497 --> 01:16:05.497  
About 84,000 as of the close of

01:16:17.544 --> 01:16:19.544  
2017. How many extremely low

01:16:20.581 --> 01:16:22.581  
income renters who are all

01:16:23.817 --> 01:16:25.817  
eligible, 96,280. How many are

01:16:26.190 --> 01:16:28.190  
on the waiting list for housing

01:16:30.157 --> 01:16:32.157  
that have to wait?

01:16:36.396 --> 01:16:38.396  
4 to 8 years. And so often were

01:16:40.735 --> 01:16:43.269  
do the waiting lists get opened?  
Every few years. This begs the

01:16:44.839 --> 01:16:46.839  
question that you have a

01:16:46.840 --> 01:16:48.840  
discretionary fund. You have

01:16:49.510 --> 01:16:51.510  
to, without even being asked,

01:16:52.246 --> 01:16:54.847  
you have to be using this  
discretionary fund. Because, do

01:16:55.750 --> 01:16:57.617  
you want to be on the right side  
of history?

01:16:59.353 --> 01:17:02.220  
Or do you want to be continued  
to be known as the board of

01:17:02.256 --> 01:17:04.256  
supervisors who just sit on

01:17:04.292 --> 01:17:06.292  
their hands as time passes by?

01:17:08.762 --> 01:17:10.762  
This is unacceptable. In the

01:17:12.330 --> 01:17:14.330  
greatest, richest country of the

01:17:15.937 --> 01:17:17.504  
history of planet earth  
earth that

01:17:18.606 --> 01:17:20.606  
has sent men to the moon and you

01:17:21.420 --> 01:17:23.310  
are sitting on your hands.  
>>lisa a. Bartlett, chair:  
thank you. Thank you. Next

01:17:23.310 --> 01:17:25.310  
speaker, please.

01:17:25.446 --> 01:17:27.481  
>>speaker: good morning  
Chairwoman And board of

01:17:29.551 --> 01:17:31.551  
supervisors. My name is kelly

01:17:32.187 --> 01:17:34.187  
rudder. I am a warrior for the

01:17:35.123 --> 01:17:37.123  
homeless. And I am a resident

01:17:39.294 --> 01:17:41.294  
at bridges. I am also a voter

01:17:42.300 --> 01:17:44.598  
as are so many of the  
unsheltered. I am here to

01:17:45.266 --> 01:17:47.266  
demand that you use part of your

01:17:48.670 --> 01:17:50.670  
discretionary funding to end

01:17:50.839 --> 01:17:53.608  
this crisis. There are too many  
people experiencing homelessness

01:17:55.110 --> 01:17:57.110  
and housing insecurity. I know

01:17:58.513 --> 01:18:00.513  
there is a housing crisis in my

01:18:02.116 --> 01:18:04.116  
community, because I am

01:18:04.987 --> 01:18:06.987  
homeless. There is 162 million

01:18:07.623 --> 01:18:09.623  
in the discretionary budget,

01:18:09.992 --> 01:18:11.992  
meaning under your discretion,

01:18:15.597 --> 01:18:17.597  
under your discretion. Using a

01:18:20.340 --> 01:18:22.340  
formula of \$51,000, you could

01:18:25.308 --> 01:18:27.308  
house 3,176 of us. I walked

01:18:28.311 --> 01:18:30.311  
into bridges at kraemer place

01:18:32.415 --> 01:18:34.415  
being lied to. On a whiteboard

01:18:37.319 --> 01:18:39.454  
that reads "over 181 housed" we  
pulled the county records and

01:18:41.291 --> 01:18:43.291  
the freedom of information act,

01:18:43.326 --> 01:18:45.326  
124 in two years. That doesn't

01:18:45.328 --> 01:18:47.996  
mean that it's from bridges  
alone. But I want to know where

01:18:50.733 --> 01:18:52.733  
that number comes from. The

01:18:53.569 --> 01:18:55.569  
actual record, as I said, is

01:18:56.405 --> 01:18:58.405  
124. Mercy house has lied. My

01:19:00.760 --> 01:19:02.760  
county has lied. They have

01:19:02.212 --> 01:19:04.212  
fraudulently represented

01:19:05.248 --> 01:19:08.116  
yourself to me. I demand a  
forensic accounting I demand a

01:19:14.992 --> 01:19:16.859  
reason to know where parra  
pledge  
are

01:19:17.327 --> 01:19:19.327  
housed in my shelter, sitting in

01:19:20.964 --> 01:19:22.898  
their own fecal matter. Why is

that?

01:19:23.633 --> 01:19:25.633  
That's inappropriate assistance.

01:19:26.670 --> 01:19:29.138  
That should be staff, qualified  
staff --  
>>lisa a. Bartlett, chair: your

01:19:30.730 --> 01:19:32.730  
time is up. If you could wrap

01:19:32.509 --> 01:19:34.509  
up your comments please?

01:19:34.912 --> 01:19:36.912  
>>speaker: I demand forensic

01:19:39.149 --> 01:19:41.517  
accounting and demand the county  
public health department come in

01:19:42.686 --> 01:19:44.387  
and see what's going on.  
>>lisa a. Bartlett, chair:

01:19:44.788 --> 01:19:46.989  
thank you. Thank you. Next  
speaker, please.  
>>clerk of the board, robin

01:19:53.297 --> 01:19:55.297

01:19:57.902 --> 01:19:59.902  
josh ogler.

01:20:01.238 --> 01:20:03.238  
>>speaker: hello. I'm that

01:20:04.875 --> 01:20:06.875  
homeless loser that exists, my

01:20:07.278 --> 01:20:09.278  
name is kenneth, and basically I

01:20:09.814 --> 01:20:12.549  
am here to say that people don't  
survive on the streets without

01:20:12.950 --> 01:20:14.950  
housing availability. And I

01:20:16.187 --> 01:20:18.187  
have known 60 people, six-zero

01:20:19.657 --> 01:20:21.657  
that are dead, that are not

01:20:29.467 --> 01:20:31.467  
waiting for housing anymore.

01:20:33.370 --> 01:20:35.439  
That's it.

>>lisa a. Bartlett, chair:  
thank you. Next speaker,  
please.

01:20:35.439 --> 01:20:37.207  
>>speaker: good morning  
Chairwoman Bartlett and board of

01:20:38.710 --> 01:20:41.311  
supervisors. My name is jo jo  
aguirre, and I am a homeless

01:20:42.681 --> 01:20:45.483  
citizen in the city of anaheim.  
Here to demand that you use part

01:20:47.518 --> 01:20:49.987  
of your discretionary funding to  
end the housing crisis. There

01:20:51.690 --> 01:20:53.824  
are too many people experiencing  
homelessness and housing

01:20:54.158 --> 01:20:56.158  
insecurity. I know there is a

01:20:56.994 --> 01:20:58.994  
crisis because I am first and

01:21:00.499 --> 01:21:02.934  
foremost one of those faces of  
the homeless in desperate need

01:21:04.369 --> 01:21:07.138  
of housing. I have been  
chronically homeless for the

01:21:09.174 --> 01:21:11.174  
past six years not due to lack

01:21:11.610 --> 01:21:13.610  
or motivation to work but

01:21:14.450 --> 01:21:16.450  
because I fled an abusive

01:21:16.800 --> 01:21:18.800  
relationship. The shelter I am

01:21:19.819 --> 01:21:22.453  
currently how does housed in  
does not make my crisis a

01:21:23.322 --> 01:21:26.570  
priority. I am just a dollar  
sign to keep their doors open

01:21:27.826 --> 01:21:30.695  
and all of us warehoused like  
animals. I am not a criminal

01:21:32.330 --> 01:21:35.132  
and not just a number on their  
whiteboard. I am a human being

01:21:42.441 --> 01:21:44.441  
who deserves a good and whole

01:21:47.146 --> 01:21:49.146  
life just like all of you. I

01:21:49.481 --> 01:21:51.481  
demand the forensic audit on

01:21:53.353 --> 01:21:55.353  
those who hold the key to my

01:21:56.456 --> 01:21:59.240  
future homelessness. I hold a  
vote. You will not silence me

01:22:01.600 --> 01:22:03.995  
and I will never give up. With  
what has not killed me has made

01:22:05.765 --> 01:22:08.466  
me stronger. I am not an  
invisible person. I am a person

01:22:10.700 --> 01:22:12.972  
that unlike you, have a home,  
and I'm not going to be stopped.

01:22:13.673 --> 01:22:15.673  
I will continue to be here

01:22:17.243 --> 01:22:19.243  
whenever I can, and to speak not

01:22:19.779 --> 01:22:21.947  
on behalf of myself but also my  
twin brother and anybody else

01:22:24.350 --> 01:22:27.285  
who is suffering. Thank you.  
>>lisa a. Bartlett, chair:  
thank you. Thank you. Next  
speaker, please.

01:22:30.466 --> 01:22:33.359  
>>clerk of the board, robin  
stieler: stephanie roberts,  
mike robins and thomas fielder.  
>>speaker: my name is josh

01:22:34.895 --> 01:22:37.429  
vogel, born and raised in yorba  
linda, homeless for about a year

01:22:39.466 --> 01:22:41.466  
and a half. And been add

01:22:41.701 --> 01:22:43.701  
bridges for about ten months and

01:22:44.538 --> 01:22:46.773  
taken it upon myself to actually  
help clean the place and

01:22:47.808 --> 01:22:49.808  
maintain that cleanliness, which

01:22:49.810 --> 01:22:51.810  
is, you know, pretty impossible

01:22:52.179 --> 01:22:54.179  
without the help of the staff,

01:22:55.549 --> 01:22:57.983  
and I help a lot of the  
crippled, paraplegic people in

01:22:58.852 --> 01:23:00.852  
and out of bed and I would be

01:23:01.210 --> 01:23:03.790  
willing to help them in and out  
of the showers and whatever else

01:23:04.825 --> 01:23:07.327  
I can do. Something needs to be  
done about this it shouldn't be

01:23:09.960 --> 01:23:11.698  
up to me and people volunteering  
inside of the shelters to do

01:23:12.399 --> 01:23:15.680  
this. It's up to staff and you  
guys to really change this.

01:23:15.435 --> 01:23:18.337  
>>lisa a. Bartlett, chair: all  
right. Thank you. The  
individual in the audience with

01:23:18.905 --> 01:23:21.808  
the bright light, if you want to  
come on the side to film or

01:23:22.610 --> 01:23:24.610  
whatever you're doing, the light

01:23:24.745 --> 01:23:26.745  
is shining directly in our eyes

01:23:27.140 --> 01:23:29.282  
and it's very glaring. Next  
speaker please.

01:23:29.483 --> 01:23:31.418  
>>speaker: good morning chair  
bartlett and board of

01:23:32.219 --> 01:23:34.621  
supervisors. My name is  
stephanie roberts and I'm a

01:23:35.456 --> 01:23:37.456  
resident of garden grove. And

01:23:40.261 --> 01:23:43.163  
here on behalf of hhrc and I am  
here to demand that you use part

01:23:44.299 --> 01:23:46.299  
of your discretionary funds to

01:23:47.769 --> 01:23:49.769  
end homelessness. Homeless for

01:23:52.940 --> 01:23:54.940  
a chronically homeless person is

01:23:55.244 --> 01:23:57.244  
thousands of dollars each year.

01:24:00.549 --> 01:24:03.483  
The cost of unhoused is 7,059.  
My homeless friend greg has been

01:24:04.452 --> 01:24:07.540  
on the streets for about four  
years. I have watched his

01:24:07.889 --> 01:24:10.357  
health steadily decline over  
that time and he has suffered

01:24:12.327 --> 01:24:14.327  
from copd and struggled with

01:24:14.530 --> 01:24:17.364  
breathe issues. His emergency  
room visits have increased and

01:24:17.766 --> 01:24:19.766  
hospital visits have become

01:24:20.302 --> 01:24:22.302  
longer and longer. He was

01:24:23.672 --> 01:24:25.672  
released into recuperative care

01:24:27.375 --> 01:24:30.111  
but eventually denied that. It  
got to a point that he would

01:24:32.281 --> 01:24:34.281  
spend a week in the hospital and

01:24:35.840 --> 01:24:37.752  
be released only to be returning  
to the emergency room within to

01:24:39.655 --> 01:24:42.256  
to three days. I estimate he  
has been in the hospital three

01:24:44.493 --> 01:24:47.128  
weeks out of each month. He has  
told me he feared he would die

01:24:48.640 --> 01:24:50.732  
on the street. The average cost  
of a hospital stay in california

01:24:53.135 --> 01:24:55.135

is \$3,030. For greg this

01:24:57.206 --> 01:24:59.206  
computed to \$63,630 per month

01:25:02.311 --> 01:25:04.311  
and \$763,560 per year. This

01:25:04.314 --> 01:25:07.282  
doesn't include emergency room  
visited or special services

01:25:08.170 --> 01:25:10.170  
provided during hospital stays,

01:25:11.540 --> 01:25:13.540  
ambulance and emt services or

01:25:13.222 --> 01:25:15.222  
drug costs the actual number May

01:25:15.391 --> 01:25:18.259  
be in excess of \$1 million for  
one year. When you consider

01:25:19.328 --> 01:25:21.562  
that providing greg with  
permanent supportive housing

01:25:22.933 --> 01:25:24.933  
with wrap-around services that

01:25:25.468 --> 01:25:28.700  
would have likely cost less than  
one month hospital expenses and

01:25:29.605 --> 01:25:31.907  
that providing the same to our  
chronically homeless would save

01:25:32.575 --> 01:25:34.575  
the county \$42 million a year

01:25:35.110 --> 01:25:37.580  
it's apparent that cost is no  
excuse. So what is your excuse?

01:25:37.580 --> 01:25:39.580  
>>lisa a. Bartlett, chair:

01:25:40.651 --> 01:25:42.285  
thank you for your comments.  
Thank you. Next speaker,

01:25:46.990 --> 01:25:49.658  
please.  
>>speaker: michael robins,

01:25:51.728 --> 01:25:53.728  
member of people's homeless task

01:25:55.887 --> 01:25:58.340  
force founding member of housing  
is a human right oc, the anaheim

01:25:58.102 --> 01:26:00.102  
homeless policy working group.

01:26:01.338 --> 01:26:04.730  
I would like to point out czars  
are notorious for killing people

01:26:05.209 --> 01:26:07.945  
and putting their heads on  
spikes. We need a managing

01:26:07.945 --> 01:26:09.945  
director of homeless services

01:26:10.514 --> 01:26:13.115  
with a mandate to provide food  
and sanitation across the county

01:26:13.517 --> 01:26:16.186  
that's to make sure the people  
don't die before we get to them.

01:26:17.888 --> 01:26:19.888  
The county's ten year plan in

01:26:20.910 --> 01:26:22.992  
2012, we're a long way behind  
that. The first goal, in the

01:26:24.610 --> 01:26:26.596  
county's ten year plan was to  
prevent homelessness by ensuring

01:26:28.332 --> 01:26:30.332  
that no one in our community

01:26:31.101 --> 01:26:33.101  
becomes homeless. We need some

01:26:34.372 --> 01:26:36.372  
county state owned housing with

01:26:38.142 --> 01:26:40.142  
no rent. I pleaded for that

01:26:40.444 --> 01:26:42.444  
before, modular dorms and

01:26:43.800 --> 01:26:45.800  
modular accessory units are

01:26:45.282 --> 01:26:48.251  
\$50,000 per unit so for 100  
million you could build 2000

01:26:49.754 --> 01:26:51.754  
units perhaps in the 1500 plots

01:26:52.230 --> 01:26:54.580  
of land that shawn nelson  
pointed out that the county

01:26:55.727 --> 01:26:57.270  
controls. What can we do with  
that?

01:26:58.229 --> 01:27:00.229  
We have to put it in the budget,

01:27:01.599 --> 01:27:04.200  
and we have to start now. This  
is where it begins. You have

01:27:05.360 --> 01:27:07.905  
the money, let's put it on the  
board. Let's put it in the

01:27:08.673 --> 01:27:10.673  
budget, let's build some

01:27:10.809 --> 01:27:12.809  
housing. Let's create a leader

01:27:13.545 --> 01:27:16.280  
who can also take care of the  
people on the streets with, you

01:27:17.215 --> 01:27:20.830  
have to give them a mandate, and  
this is what they have to do.

01:27:21.185 --> 01:27:24.540  
They have to keep the people  
alive until we can build

01:27:24.957 --> 01:27:26.957  
housing. Until we can get them

01:27:29.860 --> 01:27:30.695  
services. So please, number  
one, you need a managing

01:27:32.163 --> 01:27:34.398  
director of homeless services,  
that's the person that sounds

01:27:34.833 --> 01:27:36.833  
like someone, someone who is

01:27:37.969 --> 01:27:39.969  
going lead, and you have to give

01:27:42.207 --> 01:27:44.207  
them a mandate to save people

01:27:46.812 --> 01:27:48.812  
lives until we build housing for

01:27:49.715 --> 01:27:51.715  
them. We could build 20,000

01:27:52.484 --> 01:27:55.190  
modular units called accessory  
dwellings, and they can be built

01:27:56.221 --> 01:27:58.323  
in three months.

>>lisa a. Bartlett, chair:  
thank you.

01:27:58.323 --> 01:28:00.860  
>>speaker: please, let's move  
forward. Let's put it in the

01:28:00.860 --> 01:28:03.529  
budget. Thank you very much.  
>>lisa a. Bartlett, chair:  
thank you. Thank you. Next

01:28:03.529 --> 01:28:05.529  
speaker, please. And then call

01:28:05.998 --> 01:28:07.666  
the following three speakers.  
>>clerk of the board, robin

01:28:10.469 --> 01:28:12.469  
stieler: harry l, reagan hamry,

01:28:13.439 --> 01:28:15.673  
and jc martinez.  
>>speaker: good morning my name

01:28:16.810 --> 01:28:18.810  
is thomas fielder member of

01:28:21.470 --> 01:28:23.470  
orange county for 30 years and

01:28:23.449 --> 01:28:25.449  
housing is a human right oc.

01:28:25.818 --> 01:28:27.920  
Two words for you. Housing  
first. What do these words

01:28:27.920 --> 01:28:29.920  
mean?

01:28:29.989 --> 01:28:31.989  
Housing does not mean a

01:28:33.492 --> 01:28:36.428  
warehouse where people must give  
up possession, pets,

01:28:36.763 --> 01:28:38.763  
relationships where people are

01:28:39.332 --> 01:28:41.800  
treated more like inmates than  
residents. People are at the

01:28:43.937 --> 01:28:46.839  
mercy of untrained and ill  
quipped staff who have no idea

01:28:51.578 --> 01:28:53.578  
how to deal with the multiple

01:28:56.830 --> 01:28:58.830  
problems. People who have no

01:28:58.351 --> 01:29:00.351  
independent oversight existing

01:29:00.520 --> 01:29:02.520  
to protect residents from

01:29:03.490 --> 01:29:06.225  
abusive treatment and unfair  
evictions. Housing needs a

01:29:06.926 --> 01:29:08.926  
stable location where residents

01:29:09.496 --> 01:29:12.298  
can eat, sleep, store  
possessions have access to a

01:29:12.900 --> 01:29:14.901  
bathroom, have addresses and  
identification where they can

01:29:16.236 --> 01:29:18.838  
receive their mail. Second  
word. First. Why should

01:29:19.390 --> 01:29:21.740  
housing come first?  
Before addressing all of the

01:29:21.875 --> 01:29:24.310  
other problems that homeless  
people face?

01:29:26.480 --> 01:29:28.480  
The answer is shockingly stable.

01:29:29.183 --> 01:29:31.183  
Having a living space makes it

01:29:32.720 --> 01:29:34.921  
much easier to deal with other  
problems. Of the county will

01:29:36.557 --> 01:29:38.557  
save hundreds of millions of

01:29:38.692 --> 01:29:40.692  
dollars spent on never ending

01:29:41.695 --> 01:29:43.695  
cycles of arrest, destruction of

01:29:43.932 --> 01:29:45.932  
property and all other problems

01:29:48.436 --> 01:29:50.436  
health and mental and fiscal and

01:29:51.439 --> 01:29:53.439  
all the problems on the streets.

01:29:56.677 --> 01:29:58.677  
You can save millions of dollars

01:30:02.283 --> 01:30:04.552  
if you employee affordable  
housing.

>>lisa a. Bartlett, chair:

01:30:04.552 --> 01:30:06.954  
thank you. Next speaker,  
please.

>>speaker: good morning. I'm

01:30:09.524 --> 01:30:11.524  
harry l. I live in fullerton.

01:30:11.793 --> 01:30:14.628  
And members of my church have  
been volunteering at the armory

01:30:16.864 --> 01:30:18.864  
in fullerton for 20 years and

01:30:19.468 --> 01:30:22.369  
since 2015 I volunteered there  
once a week every opportunity

01:30:24.306 --> 01:30:26.306  
that was available. And I am

01:30:26.675 --> 01:30:28.675  
really saddened by what I see

01:30:29.610 --> 01:30:31.610  
there. For example, there is an

01:30:31.713 --> 01:30:33.713  
87-year-old woman in a

01:30:36.840 --> 01:30:38.840  
wheelchair named phyllis who was

01:30:38.220 --> 01:30:40.220  
pushed in every evening by her

01:30:40.822 --> 01:30:42.822  
daughter also named phyllis.

01:30:45.927 --> 01:30:47.927  
And there was no help for them,

01:30:48.930 --> 01:30:50.930  
other than giving them a thin

01:30:51.666 --> 01:30:53.666  
mat and a thin wool blanket to

01:30:54.470 --> 01:30:57.305  
sleep on a concrete floor with a  
hundred other people in the

01:30:58.440 --> 01:31:00.440  
armory. And in the spring, I

01:31:01.810 --> 01:31:03.810  
came to know another fellow name

01:31:04.913 --> 01:31:06.913  
david gibson who told me he was

01:31:08.784 --> 01:31:10.784

a veteran, is he had served for

01:31:12.968 --> 01:31:15.890  
11 years. I asked him where he  
said it was in germany but he

01:31:16.250 --> 01:31:18.760  
couldn't -- I couldn't  
understand where in germany it

01:31:21.940 --> 01:31:23.498  
was because he was in bad shape.  
He couldn't speak very well. He

01:31:25.401 --> 01:31:28.369  
was unsteady on his feet, always  
in good spirits and always

01:31:28.971 --> 01:31:31.840  
friendly but I knew he had a  
problem and the last I saw him

01:31:33.543 --> 01:31:35.543  
was in April, and he died at the

01:31:38.447 --> 01:31:40.447  
end of April of heat exhaustion,

01:31:41.384 --> 01:31:43.384  
or heart failure, and also, I

01:31:43.452 --> 01:31:45.452  
have a letter here from my wife,

01:31:45.454 --> 01:31:47.454  
who is a psychologist in the

01:31:47.757 --> 01:31:49.757  
regional center, and just

01:31:49.960 --> 01:31:52.561  
briefly, she bemoans the affects  
of homelessness on the little

01:31:56.933 --> 01:31:59.401  
children she sees coming in.  
They lack necessary skills to

01:32:00.636 --> 01:32:02.636  
survive in our society, and she

01:32:03.390 --> 01:32:05.441  
is saying, if you truly value  
the next generation of young

01:32:05.976 --> 01:32:07.976  
people and the future of orange

01:32:08.450 --> 01:32:10.450  
county and our state, I urge you

01:32:10.513 --> 01:32:13.215  
to allocate sufficient and  
appropriate funding to end

01:32:14.500 --> 01:32:16.486  
homelessness in this county.

Thank you.

>>lisa a. Bartlett, chair:

01:32:16.486 --> 01:32:18.922  
thank you. Next speaker please  
call the following three

01:32:18.922 --> 01:32:20.589  
speakers.

>>clerk of the board, robin

01:32:23.127 --> 01:32:25.127  
stieler: next three tim

01:32:25.663 --> 01:32:27.363  
hauchen, lou noble and jeff  
sampson.

01:32:28.310 --> 01:32:30.310  
>>speaker: good morning. My

01:32:31.668 --> 01:32:34.437  
name is reina hamry, a 44  
resident and 30 year home owners

01:32:36.573 --> 01:32:38.573  
in huntington beach. I serve as

01:32:42.546 --> 01:32:45.480  
the community minster for the  
university tap century

01:32:45.382 --> 01:32:47.382  
congregation in lake forest. I

01:32:50.154 --> 01:32:52.154  
am here because I am ashamed,

01:32:52.790 --> 01:32:55.758  
and I am sad. I am heartened to  
hear that we have a mental

01:32:55.859 --> 01:32:57.859  
health hub that is moving

01:32:58.463 --> 01:33:00.463  
forward. That's great news.

01:33:01.732 --> 01:33:04.334  
But I also want to speak for our  
most vulnerable population in

01:33:05.636 --> 01:33:07.636  
the county. Our children. I

01:33:09.373 --> 01:33:11.373  
have spent five years working

01:33:14.779 --> 01:33:16.779  
with our mo motel kids and other

01:33:17.415 --> 01:33:19.950  
children who were completely

homeless, and I despair. I

01:33:20.685 --> 01:33:22.685  
worry that these kids who have

01:33:25.560 --> 01:33:27.560  
been neglected and hungry, and

01:33:28.659 --> 01:33:31.940  
suffered all kinds of terrible  
things are not going to find

01:33:36.567 --> 01:33:39.690  
their way back to our citizenry.  
They are -- some of them --

01:33:41.439 --> 01:33:43.439  
there will be a few whole be

01:33:44.943 --> 01:33:47.711  
resilient and be wonderful and  
make us all proud but there are

01:33:49.915 --> 01:33:52.650  
those who are broken and oh so  
angry and I wonder what we're

01:33:56.421 --> 01:33:58.421  
going to reap in a few years

01:34:00.325 --> 01:34:02.325  
with the younger generation. It

01:34:04.229 --> 01:34:06.463  
just really scares me. I am an  
unfortunatelyist and my religion

01:34:09.134 --> 01:34:11.269  
calls for me to hear the  
indignancy of each person is I

01:34:12.971 --> 01:34:15.840  
try to do that. I don't care  
their social position or how old

01:34:17.776 --> 01:34:19.776  
they are. I think every person

01:34:20.245 --> 01:34:22.245  
matters and I hate to see us

01:34:23.148 --> 01:34:25.148  
give up on these kids. It's

01:34:25.751 --> 01:34:28.653  
just heartbreaking. I just ask  
use what discretionary funds you

01:34:29.888 --> 01:34:32.857  
have to move toward supportive  
housing.

>>lisa a. Bartlett, chair:  
okay. Thank you. Thank you.

01:34:34.560 --> 01:34:36.728

Next speaker, please.

>>speaker: good morning my name

01:34:38.797 --> 01:34:40.797  
is jc martinez and all I can say

01:34:41.340 --> 01:34:43.340  
right now is wow. I have tears

01:34:44.704 --> 01:34:47.606  
in my eyes. I have been working  
with the homeless before it got

01:34:48.574 --> 01:34:50.574  
popular worked with the armories

01:34:50.609 --> 01:34:53.111  
back in st. Joseph was involved  
and boots on the ground if air

01:34:55.614 --> 01:34:57.614  
long time and human trafficking,

01:34:57.649 --> 01:35:00.553  
and rent caps, shelters, all  
this stuff, I mean, there needs

01:35:02.222 --> 01:35:04.222  
to be oversighting on all of the

01:35:06.375 --> 01:35:08.893  
shelters, there is chaos. I  
remember five and a half years  
ago when they first started  
breaking ground on bridges.

01:35:09.695 --> 01:35:11.763  
There has been deaths and  
everything. They have hospital

01:35:13.332 --> 01:35:15.733  
beds in there. There is no  
oversight in any of the

01:35:15.802 --> 01:35:17.802  
shelters, permanent housing is

01:35:18.500 --> 01:35:20.572  
the way to go. Everything  
everybody else said is true. I

01:35:21.574 --> 01:35:23.574  
have pictures, a lot of stuff

01:35:24.100 --> 01:35:26.100  
going on, the oversight is

01:35:26.379 --> 01:35:28.379  
absolutely huge. I grew up in

01:35:28.648 --> 01:35:31.116  
santa ana, my dad was a santa  
ana police officer. I love

01:35:31.918 --> 01:35:34.687

santa ana. I was the pride of  
our county. You guys make it

01:35:35.923 --> 01:35:37.923  
kick and make it work, and the

01:35:44.130 --> 01:35:46.130  
stuff we see every day, it's

01:35:47.100 --> 01:35:49.100  
appalling, and the people who --

01:35:49.803 --> 01:35:52.472  
the kids being raped, it's huge,  
in the shelters -- and the

01:35:52.840 --> 01:35:55.442  
money, I don't want to get into  
the numbers because you know the

01:35:56.277 --> 01:35:58.277  
numbers. Basically, just make

01:35:58.579 --> 01:36:01.147  
it happen. Let's make a thumb  
print here in orange county go

01:36:04.510 --> 01:36:06.419  
to congress and say we did this  
here. And thank you. That's

01:36:07.521 --> 01:36:10.560  
all I have to say for now.  
>>lisa a. Bartlett, chair: all  
right. Thank you. Thank you.

01:36:17.431 --> 01:36:19.165  
Next speaker, please.  
>>speaker: good morning

01:36:21.502 --> 01:36:23.403  
supervisors. My name is tim  
hauchen executive director of

01:36:25.339 --> 01:36:27.541  
hope for restoration, registered  
non-profit organization and a

01:36:28.476 --> 01:36:30.476  
member of the county continuum

01:36:30.512 --> 01:36:32.612  
of care the system that works  
collaboratively with other

01:36:33.982 --> 01:36:35.982  
county agency and non-profits to

01:36:36.170 --> 01:36:38.170  
address homelessness here in

01:36:38.886 --> 01:36:40.886  
orange county. I first began

01:36:40.888 --> 01:36:43.790

advocating to end homelessness  
in orange county while I was

01:36:45.127 --> 01:36:47.127  
still homeless myself. And

01:36:47.329 --> 01:36:49.329  
living just outside of the walls

01:36:50.699 --> 01:36:52.699  
here back in 2013. Excuse me.

01:36:54.736 --> 01:36:56.736  
I'm sorry. During those days,

01:36:56.871 --> 01:36:58.772  
there were fewer that were  
experiencing homelessness on the

01:36:59.907 --> 01:37:01.907  
streets of our county and even

01:37:02.211 --> 01:37:04.712  
fewer people in organizations  
and at that time we had a ten

01:37:05.814 --> 01:37:07.814  
year plan. I brought the last

01:37:10.619 --> 01:37:12.619  
copy with me. If I bring it

01:37:12.654 --> 01:37:15.556  
out, everyone coming to the  
budget hearings just to be

01:37:16.570 --> 01:37:18.525  
remembered that at one time we  
had a coordinated plan. If

01:37:19.361 --> 01:37:22.163  
there is one now, would like to  
know where I can get it. Is

01:37:26.350 --> 01:37:28.350  
there a plan?

01:37:28.737 --> 01:37:30.737  
I didn't think there was.

01:37:31.573 --> 01:37:34.141  
Anyway. This is something that  
the federal government

01:37:35.978 --> 01:37:37.978  
initiative, these ten year

01:37:38.214 --> 01:37:40.214  
plans, and you have been

01:37:49.910 --> 01:37:51.910  
veryific effective across our

01:37:53.195 --> 01:37:55.195  
country, the ten year plan, it's

01:37:58.635 --> 01:38:00.635  
promoted three base solutions to

01:38:02.572 --> 01:38:04.940  
homelessness. The framework  
housing first philosophy which

01:38:06.542 --> 01:38:08.944  
was recognized by the federal  
government based and best

01:38:11.548 --> 01:38:13.548  
practice for any homelessness.

01:38:14.884 --> 01:38:16.884  
The plan's core principles and

01:38:18.721 --> 01:38:20.721  
values insisted that persons who

01:38:21.124 --> 01:38:23.925  
are homeless be treated with  
dignity and respect.

>>lisa a. Bartlett, chair: if

01:38:24.861 --> 01:38:27.695  
you could wrap up your comments.  
>>speaker: of course. I want

01:38:30.167 --> 01:38:32.167  
to continue, you didn't -- it

01:38:33.937 --> 01:38:35.937  
was all set to work in the

01:38:36.173 --> 01:38:38.173  
future -- it never got funded.

01:38:38.475 --> 01:38:41.243  
I'm asking you today, so I don't  
have to come back every year and

01:38:42.612 --> 01:38:44.713  
to remind you to put it in the  
budget. Put something in the

01:38:46.550 --> 01:38:48.785  
budget and let's get together on  
some kind of plan on moving

01:38:49.653 --> 01:38:52.588  
forward and getting folks off  
our street. It's just a broken

01:38:53.230 --> 01:38:54.724  
promise right now.

>>lisa a. Bartlett, chair:

01:38:55.258 --> 01:38:56.892  
thank you for your comment.  
Thank you. Next speaker,

01:38:58.662 --> 01:39:00.662  
please.

01:39:03.266 --> 01:39:05.602

>>speaker: my name is steve  
noble. -- was called and she

01:39:08.500 --> 01:39:10.500

sell be next after me. Are we

01:39:10.400 --> 01:39:12.400

still a nation under God?

01:39:16.313 --> 01:39:18.313

Because we have forgotten the

01:39:19.516 --> 01:39:21.516

word, professor herbs 22: 16

01:39:25.890 --> 01:39:27.890

says oppressing the poor to get

01:39:32.363 --> 01:39:34.363

rich leads to poverty. We are

01:39:41.272 --> 01:39:43.272

losing ground.

01:39:43.808 --> 01:39:45.808

Ground. We forget to help those

01:39:47.745 --> 01:39:49.745

who are in need. Like God says,

01:39:50.148 --> 01:39:52.816

help those. There is a  
misconception out there that

01:39:53.417 --> 01:39:55.417

says God helps those who help

01:39:55.854 --> 01:39:57.854

themselves. That's no not in

01:39:58.456 --> 01:40:00.456

the bible at all. We are our

01:40:01.260 --> 01:40:03.427

brother's keepers and you have  
the means. Because you have the

01:40:05.797 --> 01:40:07.797

power, you have the money. And

01:40:11.502 --> 01:40:13.502

the people ask, not only help

01:40:14.373 --> 01:40:16.373

for all, but housing for all.

01:40:19.344 --> 01:40:21.344

Because we have the means.

01:40:24.849 --> 01:40:27.785

Please do, in your right  
consciousness, do the right

01:40:28.620 --> 01:40:30.620  
thing. Because it will get

01:40:32.324 --> 01:40:34.324  
worse if you don't implement

01:40:35.628 --> 01:40:37.628  
something to alleviate the

01:40:37.796 --> 01:40:40.765  
problem. It has become worse.  
And when it becomes too much, it

01:40:42.735 --> 01:40:44.735  
will be too late. Because all

01:40:48.808 --> 01:40:51.760  
of us will pay the price. Thank  
you.

>>lisa a. Bartlett, chair:

01:40:54.213 --> 01:40:55.747  
thank you. Thank you. Next  
speaker, please.

01:40:56.964 --> 01:40:59.251  
>>clerk of the board, robin  
stieler: next two speakers are  
elliot seglund and robert

01:40:59.251 --> 01:41:01.251  
seglund.

01:41:01.854 --> 01:41:03.854  
>>speaker: Chairman Bartlett,

01:41:08.161 --> 01:41:10.161  
board of supervisors my name is

01:41:14.567 --> 01:41:17.202  
emily b. At this point I refuse  
to call myself homeless, because

01:41:18.571 --> 01:41:20.905  
I am home. I am in america. I  
have a constitution that

01:41:21.107 --> 01:41:23.107  
supports my rights. And all the

01:41:27.447 --> 01:41:29.447  
people that are in here. The

01:41:40.259 --> 01:41:42.259  
people who are here right now, I

01:41:43.697 --> 01:41:45.697  
tell my boys practically every

01:41:47.133 --> 01:41:49.133  
day of my life, one of them

01:41:51.271 --> 01:41:53.271  
passed while I was out here. I

01:41:55.341 --> 01:41:58.176  
have a hard time grasping that.  
you have a lot of courageous

01:41:59.113 --> 01:42:01.113  
people out here who are willing

01:42:04.451 --> 01:42:06.451  
to help, allow us to help. Put

01:42:07.354 --> 01:42:10.322  
in place an oversight committee,  
hold people accountable. There

01:42:11.425 --> 01:42:13.425  
is a lot of good being done out

01:42:13.660 --> 01:42:16.630  
there but there is a lot of bad.  
It's time. Seeing the

01:42:18.532 --> 01:42:21.501  
discretionary fund is quite big,  
let's do something with it. I

01:42:21.969 --> 01:42:23.969  
know you're doing a lot. I know

01:42:27.307 --> 01:42:30.209  
you take a lot of flack, but  
you're public servants elected

01:42:32.790 --> 01:42:34.790  
officials we also are public

01:42:34.849 --> 01:42:36.849  
seven

01:42:38.986 --> 01:42:40.986  
seven servants but we don't

01:42:45.920 --> 01:42:47.727  
delicate. We can bring  
awareness and stand in the gaps

01:42:47.962 --> 01:42:49.962  
where no one sees and do the

01:42:50.665 --> 01:42:52.665  
best we can every day and get up

01:42:54.602 --> 01:42:56.602  
and brush ourselves off. I call

01:42:56.871 --> 01:42:59.706  
home, right now and have been to  
places I don't even want to

01:43:01.409 --> 01:43:03.910  
discuss but I call them home  
because it's the place where I

01:43:06.214 --> 01:43:08.850  
lay my head. A wise person said  
home is where you lay your head

01:43:08.850 --> 01:43:10.551

right now.

>>lisa a. Bartlett, chair:

01:43:18.930 --> 01:43:20.940

thank you for your comments.

Thank you. Next speaker,  
please.

01:43:20.628 --> 01:43:22.628

>>speaker: hello my name is

01:43:23.364 --> 01:43:25.364

justin seism southern part of

01:43:25.901 --> 01:43:27.901

hhroc and other groups that are

01:43:28.537 --> 01:43:30.537

here this morning. I'm not

01:43:30.839 --> 01:43:33.774

going to reiterate what everyone  
has said because it's been said

01:43:34.576 --> 01:43:36.576

over and over again about how

01:43:38.713 --> 01:43:41.682

this board has been inept in  
failing to address the

01:43:41.783 --> 01:43:44.185

homelessness crisis that's  
rocking our city right side now.

01:43:45.421 --> 01:43:48.122

But I'm here to talk about what  
are the priorities of the board

01:43:48.557 --> 01:43:51.392

of supervisors and the county of  
orange?

Currently, we have a

01:43:54.620 --> 01:43:56.964

discretionary budget that's over  
\$900 million but yet zero is

01:44:00.680 --> 01:44:02.680

being devoted to solving this

01:44:03.390 --> 01:44:05.440

issue. 43 percent of our  
discretionary money,

01:44:07.843 --> 01:44:09.843

approximately \$400 million is

01:44:11.647 --> 01:44:13.647

going towards public protection,

01:44:14.216 --> 01:44:16.284

ie the sheriff's department, the

orange county fire department

01:44:17.286 --> 01:44:20.155  
and only 14 percent is going  
towards social services such as

01:44:20.323 --> 01:44:22.323  
the orange county health

01:44:22.425 --> 01:44:25.600  
department and others. So it  
really shows what the values of

01:44:26.796 --> 01:44:28.796  
this county is. Now we're

01:44:29.432 --> 01:44:31.432  
willing to spend money to lock

01:44:36.673 --> 01:44:38.673  
up and criminal ize homeless

01:44:38.875 --> 01:44:41.477  
advance than actually give them  
the housing and health care they

01:44:42.679 --> 01:44:44.679  
need. I want to remind you all

01:44:44.681 --> 01:44:47.249  
that 2020 is coming up soon.  
We're not going away. We have

01:44:47.850 --> 01:44:50.352  
been here for the past three  
years. We're not going

01:44:52.388 --> 01:44:55.124  
anywhere. We're going to  
continue to mobilize. We're

01:44:57.527 --> 01:44:59.527  
going to continue to vote and

01:44:59.529 --> 01:45:01.529  
educate our communities to vote

01:45:02.199 --> 01:45:04.199  
the values of inclusion to vote

01:45:04.500 --> 01:45:06.435  
the values of permanent  
supportive housing and

01:45:07.300 --> 01:45:09.471  
affordable housing so you can  
get with the program or get the

01:45:10.941 --> 01:45:12.941  
hell out. So, I want to be

01:45:13.610 --> 01:45:15.610  
acting for each of you, right

01:45:18.150 --> 01:45:20.850

now, to please, to devote money  
to permanent supportive housing.

01:45:22.285 --> 01:45:24.285  
Let's have the guts to do what's

01:45:24.755 --> 01:45:26.755  
rights. Let's stand up against

01:45:28.259 --> 01:45:30.259  
these special interests like the

01:45:32.459 --> 01:45:34.697  
sheriff's union who are asking  
for hundreds of millions of  
dollars and has no need and

01:45:36.867 --> 01:45:39.200  
basically don't have the wants  
--

>>lisa a. Bartlett, chair: your

01:45:40.137 --> 01:45:41.537  
time is up. Thank you for your  
comments.

01:45:42.305 --> 01:45:44.907  
>>speaker: let's have the guts.  
Thank you.  
>>lisa a. Bartlett, chair: next

01:45:45.577 --> 01:45:47.244  
three speakers please.  
>>clerk of the board, robin

01:45:51.820 --> 01:45:53.820  
stieler: last two are elliot

01:45:54.385 --> 01:45:56.385  
seglund and robert seglund.

01:45:57.188 --> 01:45:59.188  
>>speaker: good morning

01:46:00.557 --> 01:46:03.920  
honorable Chairman Bartlett and  
orange county supervisor my name

01:46:05.497 --> 01:46:07.497  
is elliot segland and I want to

01:46:07.865 --> 01:46:09.865  
say that the owner to talk to

01:46:11.602 --> 01:46:13.602  
such people who talk before me,

01:46:13.905 --> 01:46:15.905  
with the person who I'm talking

01:46:16.841 --> 01:46:19.376  
after, he's a person with  
disability. He is lucky that he

01:46:22.614 --> 01:46:24.614

did not come to regional center.

01:46:25.917 --> 01:46:27.917  
They would kill him very fast,

01:46:31.156 --> 01:46:33.924  
because how we care and coming  
for seven years and talking what

01:46:35.930 --> 01:46:37.794  
we're doing with orange county  
regional center. Supervisor

01:46:39.664 --> 01:46:41.664  
nelson say I cannot do nothing

01:46:45.637 --> 01:46:47.637  
in the court. And I want to

01:46:47.705 --> 01:46:49.705  
show you the face of the court.

01:46:56.849 --> 01:46:58.849  
This is judge hubbard how did

01:46:59.840 --> 01:47:01.819  
she pass the exam bar, how did  
she come to the court and never

01:47:06.325 --> 01:47:08.325  
did have a million part of the

01:47:09.270 --> 01:47:11.270  
conscious. This is a criminal,

01:47:12.764 --> 01:47:14.764  
judge of the court, that's why

01:47:14.867 --> 01:47:17.435  
those who talked before me, have  
daughter raped, and she will

01:47:19.739 --> 01:47:21.739  
never come to the court, because

01:47:24.276 --> 01:47:26.276  
such judges as hubbard,

01:47:28.981 --> 01:47:31.617  
brown,ly, moberly, and many  
citizens and people who cannot

01:47:35.880 --> 01:47:37.880  
come to the court. You spent

01:47:38.570 --> 01:47:40.570  
billions of dollars for public

01:47:41.227 --> 01:47:43.227  
defender that never, except some

01:47:46.465 --> 01:47:48.465  
very good public defender, but

01:47:51.404 --> 01:47:53.404

he is one of the 400 that can

01:47:53.540 --> 01:47:55.641  
talk and do his job  
consistently, the rest are not,

01:47:57.243 --> 01:47:59.243  
and he give them money -- these

01:48:01.514 --> 01:48:03.883  
people deserve money.  
>>lisa a. Bartlett, chair:

01:48:03.883 --> 01:48:06.170  
thank you. Next speaker,  
please.  
>>speaker: board of supervisors

01:48:06.453 --> 01:48:08.453  
robert segland brother of nate

01:48:08.622 --> 01:48:10.622  
segland, regarding the budget

01:48:12.492 --> 01:48:14.527  
allocations, not only to our  
courts, supposed to be

01:48:17.661 --> 01:48:20.465  
representation of individuals  
such as the public defender's  
office who is supposed to  
represent both in the criminal

01:48:21.134 --> 01:48:23.368  
division and the probate  
division much more particularly

01:48:24.538 --> 01:48:27.507  
in the case of my brother, the  
probate division as a

01:48:28.508 --> 01:48:30.508  
conservatee, and also compare

01:48:31.745 --> 01:48:33.745  
and contrast situation whereas

01:48:34.347 --> 01:48:37.249  
you're out -- whereas allocation  
or lack thereof of such services

01:48:37.684 --> 01:48:40.452  
to people who May be in need,  
whereas you have a situation, in

01:48:41.589 --> 01:48:43.589  
the case of my brother,

01:48:43.824 --> 01:48:45.824  
kidnapped three times from his

01:48:47.361 --> 01:48:49.361  
family home, placed in

01:48:49.830 --> 01:48:51.830  
psychiatric -- well first in a

01:48:52.700 --> 01:48:54.700  
group home, ran away from a

01:48:55.135 --> 01:48:57.135  
group home placed in a

01:48:57.170 --> 01:48:59.170  
psychiatric facility and

01:48:59.607 --> 01:49:01.607  
transferred to fairview, probate

01:49:03.811 --> 01:49:06.246  
case a246780, where indicate or  
expound upon this further so if

01:49:07.114 --> 01:49:09.349  
you have a case where a public  
defender who is supposed to

01:49:09.984 --> 01:49:11.984  
protect the conservatee now you

01:49:12.720 --> 01:49:15.555  
have that in a conservatorship  
case how much more so as other

01:49:16.458 --> 01:49:18.458  
people alounded to and

01:49:18.493 --> 01:49:20.493  
individuals who have no such

01:49:20.828 --> 01:49:22.828  
protection ie the homeless, how

01:49:23.631 --> 01:49:25.631  
much -- how outrageous would

01:49:25.767 --> 01:49:27.767  
they be to find out that you

01:49:28.436 --> 01:49:30.436  
have a regional center

01:49:30.471 --> 01:49:32.471  
allocating 50,000 a month this

01:49:34.176 --> 01:49:36.176  
is a declaration not of just me,

01:49:37.450 --> 01:49:39.450  
of the so-called guardian ad

01:49:39.314 --> 01:49:42.490  
litem allocating 50,000 per  
month to separate my brother

01:49:43.418 --> 01:49:45.418  
from his family having a trial

01:49:49.957 --> 01:49:51.693

and legal cob serve  
conservatorship

01:49:52.427 --> 01:49:54.695  
with habeas corpus, didn't  
explain what was wrong with what

01:49:56.398 --> 01:49:58.733  
they did, that's clear but they  
different explain why they did

01:49:59.568 --> 01:50:01.568  
it or any justification and then

01:50:02.437 --> 01:50:04.437  
put on psychotropic drugs and so

01:50:04.606 --> 01:50:07.242  
forth I hope you can resolve it  
you have a lot to resolve.

01:50:07.242 --> 01:50:09.944  
>>lisa a. Bartlett, chair:  
thank you. Madam Clerk do we

01:50:10.513 --> 01:50:13.480  
have any additional speakers at  
this time.  
>>clerk of the board, robin  
stieler: no we don't.

01:50:13.480 --> 01:50:15.480  
>>lisa a. Bartlett, chair:

01:50:15.384 --> 01:50:17.384  
thank you. Starting with

01:50:17.519 --> 01:50:19.519  
opening remarks for our budget.

01:50:20.550 --> 01:50:22.890  
Starting with ceo frank kim.  
>>ceo frank kim: good morning

01:50:22.324 --> 01:50:24.324  
Chairwoman Bartlett, members of

01:50:24.693 --> 01:50:26.693  
the board. I am happy to

01:50:27.429 --> 01:50:30.332  
present to you today, the ceo  
recommended budget, a

01:50:30.566 --> 01:50:32.566  
structurally balanced budget one

01:50:33.102 --> 01:50:35.102  
that balanced ongoing revenues

01:50:35.471 --> 01:50:37.505  
with ongoing expenses. We are  
recommending some strategic

01:50:38.307 --> 01:50:41.209

investments you will see those highlighted as our expand

01:50:41.243 --> 01:50:44.213  
augmentations where we did receive a request for over

01:50:44.247 --> 01:50:46.748  
\$75 million in funding commitment from our net county

01:50:49.318 --> 01:50:51.318  
costs and we are recommending a

01:50:53.489 --> 01:50:56.358  
significant portion of that score

64  
million strategic investments

01:50:57.193 --> 01:50:59.761  
funded from our reserve s are related to system integration

01:51:01.164 --> 01:51:03.499  
and that has to do with us enhancing technology that allows

01:51:04.301 --> 01:51:07.136  
our departments to work together or common clients. We are

01:51:09.506 --> 01:51:12.341  
making investments as the board approved today related to our

01:51:15.522 --> 01:51:17.522  
system of care on our response

01:51:18.482 --> 01:51:20.482  
to homelessness and the mentally

01:51:21.585 --> 01:51:23.819  
ill population regulated to the anita project. Specific

01:51:24.221 --> 01:51:26.221  
investment related to the

01:51:26.790 --> 01:51:28.790  
funding of our jail, mental

01:51:30.260 --> 01:51:31.827  
health and physical headlight lth

01:51:33.290 --> 01:51:35.533  
component with 20 poress and dollars that are committed to

01:51:35.533 --> 01:51:37.533  
addressing the challenges that

01:51:39.360 --> 01:51:41.360  
we're seeing with the mentally

01:51:42.239 --> 01:51:44.640  
ill and physically disabled  
population that are within our

01:51:45.508 --> 01:51:47.508  
jail system. We do make

01:51:48.110 --> 01:51:49.712  
investments related to the  
modernization of equipment

01:51:52.148 --> 01:51:54.148  
related to the registration of

01:51:54.518 --> 01:51:56.518  
voters as our current equipment

01:51:57.621 --> 01:52:00.389  
is at end of life. We make  
adjustments to one stop shop

01:52:01.759 --> 01:52:04.327  
and civic center. This is a  
budget that maintains existing

01:52:04.795 --> 01:52:07.363  
levels and key areas that by  
policy of the board that has

01:52:08.365 --> 01:52:11.101  
directed CEO to develop and  
program out in this budget. And

01:52:11.903 --> 01:52:14.270  
with that I am available for any  
comments and I recommend we turn

01:52:15.540 --> 01:52:17.642  
it to staff to make a full  
presentation on the details of

01:52:17.642 --> 01:52:20.610  
our budget.  
>> Lisa A. Bartlett, chair: all  
right. Thank you CEO. At this

01:52:21.779 --> 01:52:24.130  
time we will have our county  
financial officer Michelle

01:52:28.586 --> 01:52:30.387  
Aguirre provide an overview.  
>> Speaker: good morning

01:52:31.756 --> 01:52:33.857  
members of the board. Michelle  
Aguirre chief financial officer

01:52:34.292 --> 01:52:36.960  
in developing the budget each  
year we look to the board and

01:52:37.895 --> 01:52:40.297  
its priorities and those

priorities were established back

01:52:42.500 --> 01:52:44.500  
in 2012 coming out of the

01:52:46.138 --> 01:52:48.205  
recession period a firm  
affirmed in

01:52:50.675 --> 01:52:52.675  
2015 and established today.

01:52:57.816 --> 01:52:59.816  
First priority is to stabilize

01:53:01.286 --> 01:53:03.286  
the budget. The payment is

01:53:03.388 --> 01:53:05.388  
\$55 million of \$150 million owed

01:53:05.624 --> 01:53:07.624  
over the last five years. In

01:53:08.126 --> 01:53:10.126  
addition, as you know, orange

01:53:10.362 --> 01:53:12.362  
county receives only \$0.05 of

01:53:12.364 --> 01:53:14.631  
every property tax dollar  
revenue collected that's

01:53:16.868 --> 01:53:18.868  
hundreds of millions of dollars

01:53:19.304 --> 01:53:21.304  
less than san diego county with

01:53:22.375 --> 01:53:25.309  
a like population so our county  
is challenged every single year

01:53:27.120 --> 01:53:29.120  
to meet the needs and the

01:53:29.481 --> 01:53:31.481  
department of the community it

01:53:33.252 --> 01:53:36.870  
serves. The next is to prepare  
for contingency and that means

01:53:37.523 --> 01:53:39.523  
to build reserves to prepare for

01:53:40.260 --> 01:53:42.260  
the next recession period. And

01:53:42.295 --> 01:53:44.295  
during the last recession period

01:53:44.463 --> 01:53:47.165  
we used \$200 million in

reserves and exhausted our

01:53:48.334 --> 01:53:50.334  
public safety sales tax reserve

01:53:51.370 --> 01:53:53.370  
that was \$103 million tied to

01:53:53.639 --> 01:53:55.975  
prop 172 revenue which is  
allocated 80 percent to the

01:53:56.409 --> 01:53:59.144  
sheriff's department and 20  
percent to the district

01:53:59.979 --> 01:54:02.615  
attorney. And coming out of the  
recession we have been not able

01:54:03.850 --> 01:54:05.850  
to rebuild that reserve because

01:54:07.152 --> 01:54:09.152  
we have needed all of the pro172

01:54:10.560 --> 01:54:12.990  
revenue just to meet our budget  
every year.

>>lisa a. Bartlett, chair:

01:54:13.293 --> 01:54:15.562  
michelle supervisor do has a  
question.

>>sup. Andrew do: for the

01:54:15.562 --> 01:54:17.562  
public certification can you

01:54:17.864 --> 01:54:19.864  
explain the \$0.05 that we get

01:54:19.966 --> 01:54:22.468  
back for every tax dollar we  
send up to sacramento?

01:54:22.602 --> 01:54:25.437  
It's important that the public  
knows this and put it in context

01:54:26.439 --> 01:54:28.439  
with respect to other counties

01:54:29.408 --> 01:54:31.844  
as well, please.

>>speaker: right. So the

01:54:32.779 --> 01:54:35.648  
county receives \$0.05 of every  
dollar property tax revenue

01:54:35.782 --> 01:54:38.183  
collected and that was  
established by statute back in

01:54:41.921 --> 01:54:43.921  
the 70s related to prop 13. And

01:54:44.900 --> 01:54:46.900  
so, the, for san diego county

01:54:47.227 --> 01:54:49.227  
like I mentioned, a like county

01:54:49.430 --> 01:54:51.798  
they receive \$0.12 of every  
dollar. They receive know

01:54:53.734 --> 01:54:55.734  
hundreds of millions of dollars

01:54:56.537 --> 01:54:57.970  
four or \$5 million than orange  
county.

01:55:02.909 --> 01:55:04.276  
>>sup. Andrew do: how about los  
angeles.

01:55:05.346 --> 01:55:07.346  
>>speaker: los angeles receives

01:55:09.583 --> 01:55:11.583  
ten percent. And san diego we

01:55:12.586 --> 01:55:15.154  
would have four or \$5 million  
more to be able to meet the

01:55:15.456 --> 01:55:17.657  
needs of the county. It's a  
challenge for us to meet the

01:55:20.894 --> 01:55:23.640  
needs of our budget, meet the  
needs of the community that we

01:55:23.640 --> 01:55:24.831  
serve.  
>>sup. Andrew do: thank you.

01:55:25.667 --> 01:55:28.568  
>>speaker: back to prop 172, we  
have not been able to rebuild

01:55:29.236 --> 01:55:31.805  
that reserve so those  
departments, those critical

01:55:32.440 --> 01:55:34.808  
departments, the sheriff and  
district attorney are going to

01:55:35.376 --> 01:55:37.376  
be solely dependent on the

01:55:38.145 --> 01:55:40.145  
general fund during the next

01:55:41.683 --> 01:55:43.683

recession period and we used

01:55:44.180 --> 01:55:46.180  
from our general reserve during

01:55:46.654 --> 01:55:48.654  
the recession and we were not

01:55:49.824 --> 01:55:51.958  
able to avoid layoffs furloughs  
and impact services to the

01:55:52.994 --> 01:55:54.828  
community we have been focusing  
based on the government

01:55:55.496 --> 01:55:58.231  
financing officers association  
guideline of having two months

01:55:59.401 --> 01:56:01.401  
of general fund revenue in

01:56:01.469 --> 01:56:03.469  
reserve in building reserves to

01:56:03.638 --> 01:56:06.540  
prepare for the next recession  
period so we can hopefully avoid

01:56:07.375 --> 01:56:10.344  
any impacts in the future. The  
next priority is to address and

01:56:10.678 --> 01:56:12.678  
fund agency infrastructure. And

01:56:14.820 --> 01:56:16.484  
we had to defer one of our  
infrastructure related projects

01:56:17.352 --> 01:56:19.352  
during the recession period, but

01:56:19.721 --> 01:56:21.721  
we have quite a few project

01:56:22.457 --> 01:56:24.558  
currently underway. The anita  
project which we're excited

01:56:25.827 --> 01:56:28.496  
about has already been commented  
on several times during today's

01:56:29.798 --> 01:56:31.798  
public hearing. We also have

01:56:33.703 --> 01:56:36.337  
our county admin building who is  
nearly completed, county admin

01:56:37.139 --> 01:56:39.139  
north facility that project will

01:56:39.241 --> 01:56:41.241  
begin in October. We have our

01:56:41.476 --> 01:56:44.145  
central utility facility upgrade  
project that is engineer

01:56:44.279 --> 01:56:46.279  
completion and in the budget

01:56:46.448 --> 01:56:49.116  
this year we have a couple of  
requests for funding for design

01:56:49.852 --> 01:56:51.852  
work, the first is \$2 million

01:56:52.455 --> 01:56:55.900  
for a classroom facility at our  
youth guidance center and

01:56:57.693 --> 01:57:00.161  
\$2 million for design of a new  
17th street clinic to replace

01:57:00.729 --> 01:57:02.729  
the existing facility on 17th

01:57:03.466 --> 01:57:05.466  
street.

01:57:06.340 --> 01:57:08.804  
As we approach the end of fiscal  
year 18/19, I am pleased to be

01:57:10.173 --> 01:57:13.141  
able to say that we'll be making  
our final vlf payment to the

01:57:14.143 --> 01:57:16.143  
state that's the \$55 million,

01:57:16.746 --> 01:57:18.746  
and even with that payment, we

01:57:21.250 --> 01:57:23.250  
will have about \$17 million,

01:57:23.419 --> 01:57:26.288  
hopefully left in fund balance  
and that balance will roll to

01:57:27.557 --> 01:57:29.557  
reserves at the end of the year

01:57:29.960 --> 01:57:31.894  
per board policy and per  
government accounting standards

01:57:32.562 --> 01:57:34.562  
and we will review the use of

01:57:38.468 --> 01:57:40.468  
any of that fund balance through

01:57:40.836 --> 01:57:42.836  
our steak fund process and that

01:57:42.973 --> 01:57:44.973  
will kick off in August. And

01:57:45.275 --> 01:57:48.110  
the strategic planning process  
is critical for the county in

01:57:48.845 --> 01:57:50.845  
looking at not only the next

01:57:50.881 --> 01:57:53.549  
five years but most importantly  
the next year coming up so it

01:57:55.118 --> 01:57:57.319  
provides us with a look at the  
expenditures and revenue and it

01:58:01.158 --> 01:58:03.158  
also allows us a preview

01:58:03.227 --> 01:58:05.896  
department request for capital  
projects and information

01:58:05.896 --> 01:58:08.464  
technology requests and  
information technology which are

01:58:08.932 --> 01:58:11.330  
requests for new resources  
exceeding a million dollars in

01:58:12.269 --> 01:58:15.204  
any one year. And the process  
allows us to prioritize in

01:58:15.605 --> 01:58:18.174  
advance of the budget  
development process. So as we

01:58:21.746 --> 01:58:23.880  
move into the fiscal year 1920  
development budget process one

01:58:24.382 --> 01:58:26.382  
of the things we really wanted

01:58:26.917 --> 01:58:28.917  
to be able to do was to fund

01:58:29.386 --> 01:58:32.210  
department restore requested on  
an ongoing basis we have not

01:58:32.589 --> 01:58:34.589  
done that over the last couple

01:58:34.859 --> 01:58:36.859  
of years due to the economic

01:58:38.963 --> 01:58:41.932

forecast of recession and also  
because of the vfla payments

01:58:42.800 --> 01:58:45.402  
that were owed. There is a  
change in the forecast and

01:58:46.437 --> 01:58:48.437  
making the final reelect payment

01:58:49.473 --> 01:58:51.473  
so the restore augmentation

01:58:52.344 --> 01:58:55.179  
payments are permanently on an  
ongoing basis this year. And

01:58:56.981 --> 01:58:59.850  
funding many of the expand  
augmentations as we possibly

01:59:00.552 --> 01:59:03.320  
could especially those that are  
related to the strategic  
financial planning process and

01:59:05.356 --> 01:59:07.524  
many of those are for ongoing or  
multi-year capital projects. So

01:59:09.193 --> 01:59:11.762  
we have a number of those being  
recommended in the budget, for

01:59:12.631 --> 01:59:14.631  
example, we have the sheriff

01:59:16.568 --> 01:59:18.568  
avenue jail security electronic

01:59:18.836 --> 01:59:21.305  
control system, the cct system  
is the video system in the jail

01:59:24.542 --> 01:59:26.542  
and the katella range upgrade we

01:59:26.544 --> 01:59:28.544  
had had the election system

01:59:29.615 --> 01:59:31.615  
upgrade we are using prior fund

01:59:31.850 --> 01:59:34.652  
balance for those projects  
planned draws that are

01:59:35.530 --> 01:59:37.554  
strategically planned through a  
strategic financial planning

01:59:38.156 --> 01:59:40.156  
process. And as frank mentioned

01:59:40.892 --> 01:59:43.861

one of our primary focuses this year and that will continue into

01:59:45.498 --> 01:59:47.899  
fiscal year 1920 is on integrated services and our

01:59:50.135 --> 01:59:52.670  
system of care. And it's all there, for departments to work

01:59:53.705 --> 01:59:55.705  
together to provide services

01:59:55.707 --> 01:59:58.643  
that result in a reduced number of individuals in our system of

02:00:02.515 --> 02:00:04.750  
care because they have achieved self-sufficiency, and kim in her

02:00:05.551 --> 02:00:07.886  
presentation is going to go into detail about the integrated

02:00:09.955 --> 02:00:11.955  
services effort.

02:00:13.759 --> 02:00:15.759  
And finally provide update on

02:00:16.295 --> 02:00:18.295  
the counties general fund

02:00:18.464 --> 02:00:20.464  
reserves. The first line item

02:00:22.902 --> 02:00:25.837  
there is the total general fund reserves at beginning of the

02:00:29.976 --> 02:00:32.430  
last fiscal year we had \$651 million that was a result

02:00:34.914 --> 02:00:37.482  
of last year's 35 million and sb90 reimbursement of the state

02:00:39.853 --> 02:00:42.588  
of \$25 million. So you can see at the end of next fiscal year

02:00:43.857 --> 02:00:45.857  
we are projected to have a

02:00:46.192 --> 02:00:48.827  
decrease in our reserves due to the draw from reserves as a

02:00:49.362 --> 02:00:51.362  
result of those of items that

02:00:51.397 --> 02:00:53.397

were including in the 1920

02:00:56.970 --> 02:00:58.970  
budget. Then I mentioned the gf

02:00:59.106 --> 02:01:01.307  
guideline of having two months  
reserves revenue and reserve s

02:01:02.442 --> 02:01:04.442  
are that's the next line item

02:01:05.579 --> 02:01:07.613  
the target reserve or budget  
stabilization reserve we met

02:01:07.680 --> 02:01:09.680  
that target for the first time

02:01:10.650 --> 02:01:12.650  
this fiscal year, and so you can

02:01:12.686 --> 02:01:14.686  
see at the beginning of the year

02:01:17.791 --> 02:01:19.791  
we were at 427 million you look

02:01:20.260 --> 02:01:22.260  
at the bottom we're under target

02:01:22.696 --> 02:01:24.630  
but at the end of this fiscal  
year we will achieve that

02:01:26.566 --> 02:01:28.334  
because we received the sb90  
reimbursement from the state

02:01:28.735 --> 02:01:30.735  
that we were able to apply there

02:01:32.473 --> 02:01:34.473  
and also shifting part of the 60

02:01:36.614 --> 02:01:38.645  
million, 55 million for reserve  
operations for the target

02:01:40.948 --> 02:01:42.948  
reserve line allowing us to meet

02:01:43.450 --> 02:01:45.450  
our target and achieving our

02:01:45.486 --> 02:01:47.486  
target with the adoption of the

02:01:48.590 --> 02:01:50.590  
fiscal year 19/20 budget.

02:01:51.426 --> 02:01:54.940  
Upgrade we have set aside  
\$20 million for that budget but

02:01:55.196 --> 02:01:57.797  
we only need half so we're  
shifting the other half to meet

02:02:01.268 --> 02:02:03.970  
our target reserve and we have  
some general purpose funds to be

02:02:06.274 --> 02:02:08.274  
able to achieve that. And

02:02:08.610 --> 02:02:10.610  
contingency reserve in the event

02:02:10.845 --> 02:02:13.214  
of the floods, fire or  
earthquake, of the reserve for

02:02:13.214 --> 02:02:16.183  
operations already address that  
we're going to be zeroing that

02:02:18.886 --> 02:02:20.886  
out this year the zero capital

02:02:22.691 --> 02:02:25.259  
projects timeline we had 85  
million and will be decreasing

02:02:26.628 --> 02:02:28.628  
that to 36 million for use of

02:02:29.130 --> 02:02:31.298  
reserves for the projects that  
year and for maintenance and

02:02:31.700 --> 02:02:33.700  
construction that's specific to

02:02:33.701 --> 02:02:36.336  
the probation department and we  
are requesting to draw up

02:02:37.138 --> 02:02:39.138  
\$2 million for the design of the

02:02:39.508 --> 02:02:41.508  
classroom facility at the youth

02:02:41.910 --> 02:02:43.910  
guidance center this year and we

02:02:44.112 --> 02:02:46.112  
anticipate the 9.4 million will

02:02:47.382 --> 02:02:49.382  
be drawn down over the next few

02:02:49.551 --> 02:02:51.551  
years with board approval

02:02:52.420 --> 02:02:54.420  
theying completion of that class

02:02:54.856 --> 02:02:56.856

facility and worst-case scenario

02:02:58.127 --> 02:03:00.127  
should we have economic decline

02:03:00.629 --> 02:03:02.629  
is need to make whole the

02:03:03.566 --> 02:03:05.733  
properties for the text rav new.  
That's concludes my

02:03:06.268 --> 02:03:08.268  
presentation. I am going to

02:03:09.571 --> 02:03:11.571  
invite lisa bohan-johnson to

02:03:12.107 --> 02:03:13.808  
review the 2019 budget.  
>>lisa a. Bartlett, chair:

02:03:15.311 --> 02:03:17.479  
thank you. Lisa please proceed.  
>> Speaker: good morning

02:03:17.980 --> 02:03:19.980  
Chairwoman Bartlett members of

02:03:21.830 --> 02:03:23.830  
the board of supervisors I am

02:03:23.252 --> 02:03:25.754  
lisa bohan-johnson with the  
county executive office I will

02:03:26.789 --> 02:03:28.957  
provide the highlight of the  
budget. Of the first slide is

02:03:30.225 --> 02:03:32.225  
the review of all of the

02:03:32.562 --> 02:03:34.562  
appropriations in the 1920

02:03:35.398 --> 02:03:37.398  
budget which is \$6.8 billion.

02:03:41.370 --> 02:03:43.370  
This is \$305 million or 4.7

02:03:44.640 --> 02:03:46.640  
percent increase over the 18/19

02:03:47.176 --> 02:03:49.176  
adopted budget. The largest

02:03:49.779 --> 02:03:51.779  
program area at 41 percent is

02:03:51.982 --> 02:03:53.982  
community services and includes

02:03:54.718 --> 02:03:56.952

programs that the county  
administers on behalf of the

02:03:57.854 --> 02:04:00.822  
state and federal government.  
Those funds are primarily in the

02:04:03.226 --> 02:04:05.661  
health care and social service  
agencies. The next largest

02:04:07.640 --> 02:04:09.999  
budget component is public  
safety, public protection at 21

02:04:11.702 --> 02:04:14.303  
percent. This is where the  
majority of the county's

02:04:15.605 --> 02:04:17.605  
discretionary revenue or general

02:04:17.874 --> 02:04:19.874  
purpose revenue is allocated to

02:04:20.710 --> 02:04:23.245  
the sheriff, district attorney,  
probation, and public defender

02:04:25.516 --> 02:04:27.516  
to fund county mandates.

02:04:27.818 --> 02:04:30.686  
This next chart illustrates the  
county appropriations by

02:04:32.689 --> 02:04:35.240  
expenditure category.  
Approximately 1/3 of the

02:04:36.293 --> 02:04:38.293  
county's spending is for

02:04:40.697 --> 02:04:42.697  
employee salary and benefits.

02:04:42.967 --> 02:04:44.967  
The next in line is services and

02:04:47.772 --> 02:04:50.340  
supplies at 26.4 percent. That  
category funds commodities,

02:04:50.808 --> 02:04:52.808  
equipment, and services to

02:04:53.243 --> 02:04:55.243  
support the county's operations.

02:04:56.800 --> 02:04:58.800  
Those two components account for

02:04:58.248 --> 02:05:00.248  
a little over 59 percent of the

02:05:04.189 --> 02:05:06.957  
appropriations. This chart  
depicts the county's revenue

02:05:08.726 --> 02:05:11.461  
budget. The county revenue is  
divided between general fund and

02:05:12.363 --> 02:05:14.363  
nongeneral fund. The majority

02:05:17.102 --> 02:05:19.102  
of the county's revenue, at

02:05:21.720 --> 02:05:23.720  
3.1 billion or 445.5 percent is

02:05:23.275 --> 02:05:25.976  
dedicated revenue for specific  
programs including john wayne

02:05:27.245 --> 02:05:29.245  
airport, orange county waste and

02:05:30.800 --> 02:05:32.800  
recycling, road, flood, library,

02:05:32.717 --> 02:05:34.717  
and parks. This funding is

02:05:34.987 --> 02:05:36.987  
restricted to those departments.

02:05:37.522 --> 02:05:40.257  
That dedicated revenue comprises  
the nongeneral fund component of

02:05:41.526 --> 02:05:43.526  
the budget.

02:05:44.796 --> 02:05:46.796  
The green and orange areas

02:05:47.565 --> 02:05:49.565  
combined constitutes the general

02:05:51.696 --> 02:05:53.696  
fund. Here the majority of

02:05:55.917 --> 02:05:57.909  
revenues at \$2.8 billion are  
also for specific purposes,  
primarily the administration of  
various state and federal

02:06:00.545 --> 02:06:02.545  
programs.

02:06:02.748 --> 02:06:04.748  
The piece of the budget pie the

02:06:06.840 --> 02:06:09.190  
county has discretion over is  
general purpose revenue which

02:06:12.324 --> 02:06:14.324  
makes up \$906.6 million or 13.4

02:06:14.726 --> 02:06:16.726  
percent of the county's total

02:06:18.163 --> 02:06:20.163  
revenue budget. Note. 94

02:06:20.766 --> 02:06:23.668  
percent of the general purpose  
revenue is derived from property

02:06:27.373 --> 02:06:29.373  
tax revenue.

02:06:30.242 --> 02:06:33.178  
This next graph shows secured  
property tax revenue and

02:06:35.881 --> 02:06:38.850  
accessed value growth history.  
With the general purpose revenue

02:06:40.486 --> 02:06:42.486  
so heavily reliant on property

02:06:43.622 --> 02:06:45.622  
tax revenue we track it closely

02:06:46.159 --> 02:06:48.627  
and are mindful of its  
volatility. This slide shows

02:06:49.620 --> 02:06:51.620  
property tax revenue in the

02:06:51.664 --> 02:06:53.664  
green bars, the orange line

02:06:55.101 --> 02:06:57.769  
reflects of the accessed value  
growth. The dips in the graph

02:06:58.871 --> 02:07:01.806  
indicate the recession period  
where growth was less than zero

02:07:02.943 --> 02:07:05.444  
and the slower growth trend  
following the recession.

02:07:06.946 --> 02:07:08.946  
Although the trends are aligned

02:07:10.483 --> 02:07:12.985  
due to timing of revenue  
received the property tax

02:07:14.687 --> 02:07:16.687  
typically tracks lower than the

02:07:19.460 --> 02:07:21.460  
access assessed value growth.

02:07:21.995 --> 02:07:23.995  
This slide charts both median

02:07:25.320 --> 02:07:27.320  
home prices and home -- the

02:07:28.768 --> 02:07:30.768  
number of homes sold. It also

02:07:31.137 --> 02:07:33.137  
is indicative of the risk in of

02:07:33.473 --> 02:07:35.473  
the general purpose revenue

02:07:36.209 --> 02:07:38.209  
forecasted in the 18 -- in the

02:07:40.214 --> 02:07:42.214  
1920 budget. The county's seven

02:07:42.683 --> 02:07:44.683  
year streak of month to month

02:07:45.180 --> 02:07:47.180  
growth in median home prices

02:07:48.822 --> 02:07:50.822  
ended in February 2019. This

02:07:53.260 --> 02:07:55.260  
drop in median home prices

02:07:57.832 --> 02:07:59.832  
coincided with a reduction in

02:08:01.200 --> 02:08:03.200  
the number of homes sold when

02:08:03.137 --> 02:08:05.972  
compared to February 2018.  
Since property tax revenue is

02:08:08.475 --> 02:08:10.475  
based on actual revenue received

02:08:11.440 --> 02:08:13.580  
revenue growth is limited by  
proposition 13. Gains in

02:08:15.830 --> 02:08:17.830  
property tax revenue occur when

02:08:17.385 --> 02:08:19.385  
new properties are built or

02:08:19.987 --> 02:08:21.987  
homes are sold at their market

02:08:24.158 --> 02:08:26.158  
value. Comprising 94.4 percent

02:08:26.427 --> 02:08:29.295  
of general purpose revenue a  
downward trend in either median

02:08:31.466 --> 02:08:33.466  
home prices or numbers of home

02:08:33.702 --> 02:08:35.702  
sales could negatively impact

02:08:39.607 --> 02:08:41.607  
property tax revenue. This is a

02:08:42.176 --> 02:08:44.176  
summary of the ceo recommended

02:08:44.579 --> 02:08:46.579  
restore augmentation from the

02:08:48.709 --> 02:08:50.500  
1920 budget. Due to the zero  
percent growth in net county

02:08:52.870 --> 02:08:54.870  
cost or general purpose revenue

02:08:55.356 --> 02:08:57.356  
coupled with one time restore

02:08:58.860 --> 02:09:00.860  
augmentation in fiscal year

02:09:01.829 --> 02:09:03.829  
18/19 department submitted

02:09:03.831 --> 02:09:05.831  
\$107.6 million in restore

02:09:05.934 --> 02:09:07.934  
requests. This was an increase

02:09:08.137 --> 02:09:10.137  
of approximately 19 million over

02:09:11.974 --> 02:09:13.974  
what was forecasted in the 2018

02:09:17.746 --> 02:09:19.746  
strategic financial plan.

02:09:20.115 --> 02:09:22.115  
And as michelle stated the

02:09:22.885 --> 02:09:24.885  
strategy for the 1920 budget is

02:09:25.821 --> 02:09:27.821  
to restore departments on an

02:09:28.900 --> 02:09:30.900  
ongoing basis now that the efla

02:09:30.325 --> 02:09:33.294  
payments are completed. As  
indicated in the chart, the ceo

02:09:35.764 --> 02:09:37.764  
is recommending \$100 million in

02:09:40.903 --> 02:09:42.838  
total in restore augmentations,  
90.9 million of that fund

02:09:47.176 --> 02:09:49.176  
suggesting is recommended on an

02:09:49.578 --> 02:09:51.578  
ongoing basis. This next chart

02:09:52.314 --> 02:09:54.314  
is a summary of the expand

02:09:56.586 --> 02:09:58.586  
augmentations with the ceo

02:09:59.288 --> 02:10:01.288  
recommends. The ceo is

02:10:02.926 --> 02:10:04.926  
recommending \$63.7 million of

02:10:05.462 --> 02:10:07.462  
which \$20.1 million is ongoing.

02:10:09.398 --> 02:10:11.398  
These requests will be reviewed

02:10:12.768 --> 02:10:14.768  
in the presentation department

02:10:19.242 --> 02:10:21.242  
budgets. Next is a chart

02:10:21.878 --> 02:10:24.713  
outlining the net county cost by  
program. It illustrates the

02:10:26.382 --> 02:10:28.382  
distribution of 906 million of

02:10:28.718 --> 02:10:30.718  
general purpose revenue or net

02:10:30.720 --> 02:10:32.720  
county cost in the recommended

02:10:32.789 --> 02:10:34.789  
budget. The largest percentage

02:10:36.726 --> 02:10:39.128  
at 44 percent or \$401 million is  
allocated to public protection

02:10:40.230 --> 02:10:42.230  
to fund county mandates. Note

02:10:44.467 --> 02:10:46.467  
that in the table, the last line,

02:10:46.736 --> 02:10:48.736  
insurance reserves and

02:10:50.574 --> 02:10:52.574

miscellaneous at \$181.5 million

02:10:52.576 --> 02:10:54.576  
includes both the restore

02:10:55.345 --> 02:10:58.800  
recommendations of \$100 million  
and the expand recommendations

02:11:00.450 --> 02:11:02.450  
at \$63.7 million.

02:11:03.120 --> 02:11:04.887  
Again, allocations for the  
augmentations will be

02:11:05.322 --> 02:11:07.322  
described in more detail later

02:11:10.161 --> 02:11:12.161  
in the presentation. This next

02:11:14.650 --> 02:11:16.650  
chart showing a comparison with

02:11:17.268 --> 02:11:19.268  
the net county cost restore and

02:11:21.500 --> 02:11:23.773  
expand allocations allocated to  
the programs. You can see an

02:11:24.175 --> 02:11:26.175  
increase in public protection

02:11:27.645 --> 02:11:29.645  
going to five honed 6 million.

02:11:30.247 --> 02:11:33.160  
Community services 152 million.  
Infrastructure and

02:11:34.552 --> 02:11:36.552  
environmental, 36 million,

02:11:37.822 --> 02:11:39.822  
general government, 141 million.

02:11:40.157 --> 02:11:42.927  
Capital improvements 54 million  
and insurance and miscellaneous

02:11:46.665 --> 02:11:49.566  
at 18 million.  
As indicated in the chart,

02:11:50.435 --> 02:11:52.435  
positions are fairly level over

02:11:53.771 --> 02:11:55.771  
the past five years: if ceo

02:11:55.840 --> 02:11:57.840  
expand recommendations are

02:11:59.440 --> 02:12:01.440  
approved today, the total number

02:12:07.850 --> 02:12:09.850  
of positions will equal 18,478.

02:12:10.555 --> 02:12:12.555  
Madam Chair, this concludes my

02:12:13.625 --> 02:12:15.960  
summary of the -- executive  
summary of the budget.

02:12:15.960 --> 02:12:17.695  
>>lisa a. Bartlett, chair:  
okay. Thank you very much.

02:12:18.397 --> 02:12:20.765  
Colleagues are there any board  
comments on the overall budget

02:12:23.835 --> 02:12:26.370  
or the process for today's  
meeting?  
Okay. All right. Then we're

02:12:39.285 --> 02:12:41.285  
ready to move on to program one.

02:12:41.720 --> 02:12:43.720  
>>speaker: good morning my name

02:12:45.657 --> 02:12:47.657  
is kim ingelby and I will be

02:12:51.196 --> 02:12:53.196  
presenting the budgets program 1

02:12:53.599 --> 02:12:55.599  
and 2. I would like to begin

02:12:55.701 --> 02:12:58.436  
with a brief overview of the  
public protection program, which

02:13:01.540 --> 02:13:03.540  
consists of a district

02:13:03.742 --> 02:13:05.944  
attorneys, sheriff coroner,  
probation, public defender and

02:13:06.345 --> 02:13:08.947  
the office of independent  
review. And this pie chart

02:13:10.490 --> 02:13:12.490  
shows the proportion at share of

02:13:13.620 --> 02:13:15.620  
the county's \$6.8 billion in

02:13:16.122 --> 02:13:18.122  
appropriations by program. And

02:13:18.391 --> 02:13:20.391  
public protections base budget

02:13:21.427 --> 02:13:24.229  
makes up 21 percent of the  
\$6.8 billion in appropriations.

02:13:25.398 --> 02:13:27.398  
In addition, the program also

02:13:27.867 --> 02:13:29.867  
represents 44 percent of the net

02:13:29.903 --> 02:13:32.204  
county cost allocated and about  
36 percent of the total

02:13:35.410 --> 02:13:37.410  
positions in the county. There

02:13:37.610 --> 02:13:40.345  
are two significant revenue  
sources I would like to go over

02:13:42.682 --> 02:13:44.682  
for this program first we had

02:13:45.352 --> 02:13:47.352  
2007 realignment and this would

02:13:48.489 --> 02:13:50.489  
enacted when the state shifted

02:13:50.957 --> 02:13:52.957  
responsibility for several state

02:13:53.660 --> 02:13:55.660  
county programs to a level is

02:13:56.696 --> 02:13:59.565  
provided funding. It allows not  
only public protection but also

02:14:00.467 --> 02:14:02.902  
the community services program  
specifically health care agent

02:14:03.938 --> 02:14:06.806  
and social services agency. And  
I will touch on this again later

02:14:08.750 --> 02:14:10.750  
when I provide overview of

02:14:10.377 --> 02:14:13.179  
program two. Under  
law-enforcement we have several

02:14:13.980 --> 02:14:15.980  
subaccounts such as trial

02:14:16.216 --> 02:14:18.216  
courts, which is used to fund

02:14:18.651 --> 02:14:20.453

court security. We have  
enhancing law-enforcement, which

02:14:22.523 --> 02:14:24.523  
is for the juvenile probation

02:14:25.760 --> 02:14:27.760  
camp activities and the sheriff

02:14:28.280 --> 02:14:29.929  
highway interdiction team. We  
have community corrections which

02:14:32.666 --> 02:14:34.666  
is referred to ab-109, the

02:14:38.339 --> 02:14:39.640  
district attorney and public  
dperpd

02:14:41.575 --> 02:14:43.575  
defenders subact for relocation

02:14:43.911 --> 02:14:45.911  
juvenile justice and relocation

02:14:47.114 --> 02:14:49.883  
subaccount the money received by  
the county are held by the

02:14:52.386 --> 02:14:54.253  
auditor controller and with the  
exception of the community

02:14:57.625 --> 02:15:00.494  
corrections ab 119 funds these  
funds are budgeted to the

02:15:01.196 --> 02:15:03.196  
community funds partnerships and

02:15:03.831 --> 02:15:06.366  
allocated to the applicable  
publish county departments

02:15:09.547 --> 02:15:11.547  
included in the ab-109 budget

02:15:11.940 --> 02:15:13.940  
was set aside \$6 million are for

02:15:16.778 --> 02:15:18.778  
projects tied to the community

02:15:18.780 --> 02:15:21.482  
systems correction care. As  
applicable and as funds are

02:15:22.417 --> 02:15:24.417  
awarded they are brought to the

02:15:26.654 --> 02:15:28.654  
board for approval to disburse.

02:15:28.924 --> 02:15:30.993

>>lisa a. Bartlett, chair: kim,  
supervisor do has a question.

02:15:30.993 --> 02:15:32.993  
>>sup. Andrew do: thank you

02:15:34.296 --> 02:15:36.296  
Madam Chair. Kim, the

02:15:37.499 --> 02:15:40.201  
\$50.6 million item undersheriff  
coroner for trial court is that

02:15:41.236 --> 02:15:43.504  
for court security?  
>>speaker: correct.

02:15:43.772 --> 02:15:45.606  
>>sup. Andrew do: do we have  
anyone from the sheriff

02:15:45.773 --> 02:15:48.144  
department who can answer  
questions on that?

02:15:48.144 --> 02:15:50.912  
>>lisa a. Bartlett, chair:  
brian await is here.

02:15:50.913 --> 02:15:52.913  
>>sup. Andrew do: I normally

02:15:53.816 --> 02:15:55.816  
see him on this side. Through

02:15:59.187 --> 02:16:01.187  
me off. Identify yourself for

02:16:02.491 --> 02:16:05.270  
the record.  
>>speaker: good morning members

02:16:06.863 --> 02:16:08.864  
of the board, brian wait of the  
sheriff's department.

02:16:08.965 --> 02:16:11.700  
>>sup. Andrew do: the courts  
were able to increase the number

02:16:12.100 --> 02:16:14.100  
of collaborative courts, you

02:16:16.772 --> 02:16:18.772  
know what those are, right?

02:16:20.109 --> 02:16:22.109  
The special tee courts, what

02:16:22.145 --> 02:16:24.145  
type of staffing is entailed

02:16:25.140 --> 02:16:27.140  
with each time of the courts?

02:16:30.286 --> 02:16:32.286  
For the deputies.

02:16:33.222 --> 02:16:35.222  
>>speaker: one deputy per

02:16:36.225 --> 02:16:38.225  
courtroom that would act as pay

02:16:40.630 --> 02:16:42.564  
bay bailiff for the courtroom.  
>>sup. Andrew do: with that

02:16:43.660 --> 02:16:45.660  
adding four additional for the

02:16:45.134 --> 02:16:48.300  
courts if they were implemented  
would that add to the cost of

02:16:49.606 --> 02:16:51.440  
the item here under trial court?  
>>speaker: yes.

02:16:51.774 --> 02:16:54.175  
>>sup. Andrew do: it would?  
Okay. The reason I ask is

02:16:58.749 --> 02:17:01.250  
because we got a letter from the  
presiding judge asking if there

02:17:02.386 --> 02:17:05.354  
was any linkage between the cost  
of court security as covered

02:17:06.990 --> 02:17:08.990  
under the mou between the county

02:17:09.359 --> 02:17:11.893  
and the court and the  
collaborative court they are

02:17:12.295 --> 02:17:15.165  
seeking to increase so I want to  
make sure that it is clear for

02:17:15.766 --> 02:17:18.468  
the record that any such  
increase in collaborative courts

02:17:19.470 --> 02:17:22.105  
would increase in the costs of  
court security?  
>>speaker: correct.

02:17:22.105 --> 02:17:24.105  
>>sup. Andrew do: perfect.

02:17:24.875 --> 02:17:26.575  
Thank you. That's all I need.  
>>lisa a. Bartlett, chair:

02:17:31.149 --> 02:17:33.160  
okay. Kim if I would like to

continue.

02:17:33.751 --> 02:17:35.751  
>>speaker: so the local fund

02:17:35.953 --> 02:17:38.521  
per legislation is comprised of  
ten percent of law-enforcement

02:17:39.123 --> 02:17:41.558  
growth and must be used for  
services provided in this

02:17:42.426 --> 02:17:44.861  
category and I also want to note  
the amount shown in this table

02:17:47.231 --> 02:17:49.498  
are based on the governor's  
proposed budget the county is

02:17:49.634 --> 02:17:51.634  
receiving updates and the

02:17:52.837 --> 02:17:55.305  
amounts will be revised and  
finalized around September or

02:17:57.742 --> 02:17:59.742  
October. We have received

02:18:02.460 --> 02:18:04.460  
estimates for the ab-109 growth

02:18:05.215 --> 02:18:07.451  
and the county is anticipating 5  
million down frequently what is

02:18:09.921 --> 02:18:11.921  
shown here. Public safety sales

02:18:12.624 --> 02:18:14.624  
tax also known as prop 172 which

02:18:14.926 --> 02:18:16.926  
was referenced earlier with

02:18:17.228 --> 02:18:19.996  
lisa. Revenue is critical for  
the district attorney as well as

02:18:20.765 --> 02:18:23.500  
with sheriff departments shown  
here measurement of growth over

02:18:24.102 --> 02:18:27.400  
the past years including what  
the county's projection for

02:18:28.874 --> 02:18:30.874  
fiscal year 1920. The estimated

02:18:32.277 --> 02:18:34.277  
growth amount included in the

02:18:34.479 --> 02:18:36.479  
budget tends to be conservative

02:18:39.817 --> 02:18:41.817  
an amount that is agreed upon by

02:18:44.550 --> 02:18:46.550  
the ceo controller and offices.

02:18:46.125 --> 02:18:48.125  
In looking at the main operating

02:18:49.828 --> 02:18:52.960  
budget this revenue amount of  
\$16 million represents 75

02:18:53.465 --> 02:18:55.966  
percent of the department's  
revenue with respect to the

02:18:57.836 --> 02:19:00.438  
total budget prop 172 revenue  
funds 46 percent of the

02:19:01.440 --> 02:19:04.275  
departments expenditures. So  
the sheriff's main operating

02:19:04.576 --> 02:19:06.576  
budget, this represents about

02:19:06.946 --> 02:19:09.714  
half of the revenues and funds  
about 41 percent of the base

02:19:10.949 --> 02:19:12.949  
budget.

02:19:14.860 --> 02:19:16.120  
As referenced earlier,  
integrative services is a

02:19:17.757 --> 02:19:19.757  
current priority for the county.

02:19:26.632 --> 02:19:28.632  
Aside a as a reminder we see

02:19:29.680 --> 02:19:31.680  
people in the jails, the county

02:19:31.136 --> 02:19:33.404  
committed to this initiative in  
may 2015 and identified a

02:19:35.975 --> 02:19:37.975  
strategy to accomplish this and

02:19:38.244 --> 02:19:40.779  
issued a report in  
December 2017. In line with the

02:19:41.247 --> 02:19:43.247  
issuing of the report the county

02:19:43.516 --> 02:19:45.884  
created a section in the  
strategic financial plan that

02:19:47.987 --> 02:19:50.588  
took the strategies outlined and  
identified them as strategic

02:19:52.192 --> 02:19:54.560  
priorities for county. This  
section created a strategic

02:19:56.530 --> 02:19:58.530  
financial plan, with an

02:19:59.466 --> 02:20:01.800  
appropriately titled integrated  
services we are currently in the

02:20:02.235 --> 02:20:04.235  
implementation phase and working

02:20:04.337 --> 02:20:07.272  
off of these five pillars to  
group and plan county efforts.

02:20:09.543 --> 02:20:12.478  
The first pillar to establish  
community supported diversion

02:20:12.779 --> 02:20:14.779  
programs and services a lot of

02:20:15.150 --> 02:20:17.316  
work has been done in this area  
with the expansion of the

02:20:19.319 --> 02:20:21.319  
outreach and engagement teams,

02:20:22.722 --> 02:20:25.900  
crisis assessment teams  
psychiatric and emergency

02:20:25.692 --> 02:20:27.692  
response team as well as the

02:20:28.996 --> 02:20:30.996  
work being done on the anita

02:20:31.898 --> 02:20:34.467  
wellness center, the substance  
abuse is treatment services in

02:20:35.335 --> 02:20:37.335  
custody this area is a current

02:20:37.971 --> 02:20:39.971  
focus for the county as reflect

02:20:40.974 --> 02:20:42.974  
reflected when I present the

02:20:44.712 --> 02:20:46.712  
2019 budget. Budget to request

02:20:47.648 --> 02:20:49.416  
established full time in custody  
substance abuse treatment

02:20:50.251 --> 02:20:52.251  
program with case management to

02:20:52.653 --> 02:20:54.653  
model sheriff and release center

02:20:55.723 --> 02:20:57.723  
to dedicate space for male and

02:20:58.658 --> 02:21:00.293  
female mental health unit  
units is

02:21:01.290 --> 02:21:03.290  
to increase staffing to support

02:21:05.660 --> 02:21:07.368  
these units and provide lps  
designated care psychiatric

02:21:07.368 --> 02:21:10.203  
observation and step down  
treatment services. Also

02:21:10.938 --> 02:21:12.938  
implement a prison to employment

02:21:13.207 --> 02:21:15.207  
program which we grant funded.

02:21:16.677 --> 02:21:18.677  
The next pillar to establish a

02:21:20.812 --> 02:21:23.717  
reentry system to provide for  
successful reintegration efforts  
have been made here as well with

02:21:24.586 --> 02:21:26.586  
the jail to community navigators

02:21:27.221 --> 02:21:29.221  
for discharge planning, peer

02:21:29.924 --> 02:21:32.559  
mentors, the recidivism  
production and public defender's

02:21:36.980 --> 02:21:39.000  
office and reentry services for  
individuals with mild illness.

02:21:40.802 --> 02:21:42.802  
Last friday the county issued a

02:21:43.538 --> 02:21:46.273  
request for services offered for  
adult reentry services to begin

02:21:47.742 --> 02:21:49.742

to build a coordinated reentry

02:21:49.944 --> 02:21:51.944  
system and the last two pillars

02:21:52.213 --> 02:21:54.213  
to expand the special courts to

02:21:57.286 --> 02:21:59.286  
increase demands and to ensure

02:22:00.722 --> 02:22:02.722  
specialized programs and service

02:22:02.958 --> 02:22:04.958  
was for the criminal justice

02:22:05.660 --> 02:22:08.162  
system is currently in planning  
phases. In addition the

02:22:09.364 --> 02:22:11.364  
departments and ceo's office

02:22:11.667 --> 02:22:13.667  
continue to seek grant

02:22:13.669 --> 02:22:16.380  
opportunities as applicable and  
appropriate. This completes my

02:22:16.380 --> 02:22:18.506  
overview of the public  
protection program and I will

02:22:21.176 --> 02:22:22.877  
pause for board comments.  
>>lisa a. Bartlett, chair:

02:22:43.732 --> 02:22:45.732  
colleagues any comments

02:23:13.463 --> 02:23:15.864  
relative.  
>>sup. Andrew do: I feel

02:23:17.167 --> 02:23:19.701  
compelled to make comments on  
the court security matter that I

02:23:21.505 --> 02:23:23.940  
asked about earlier. And  
specifically, I refer to a

02:23:26.343 --> 02:23:29.278  
letter that was sent from the  
presiding judge over to the

02:23:33.250 --> 02:23:35.250  
county specifically to the

02:23:47.698 --> 02:23:50.266  
sheriff don barnes. As  
demanding that we meet with the

02:23:52.669 --> 02:23:54.669  
court as part of our mou updates

02:23:56.174 --> 02:23:58.174  
that is required by the rules of

02:23:58.776 --> 02:24:00.776  
the court every two years which

02:24:03.681 --> 02:24:05.681  
hasn't been done since -- and my

02:24:15.660 --> 02:24:17.660  
request for the mou, the fact of

02:24:22.567 --> 02:24:24.567  
the cost overrun or to exonerate

02:24:24.635 --> 02:24:26.970  
our responsibility to public  
safety in the court system and

02:24:28.500 --> 02:24:30.506  
so therefore when there is a  
level of service provided for,

02:24:33.678 --> 02:24:35.545  
in a priority mou,  
constitutionally, the county and

02:24:36.581 --> 02:24:38.581  
the sheriff's department are

02:24:38.883 --> 02:24:40.883  
obligated to continue that level

02:24:42.153 --> 02:24:44.153  
of service. Even at its own

02:24:46.357 --> 02:24:48.357  
financial peril. Understanding

02:24:51.563 --> 02:24:53.563  
that, and it was clear in the

02:24:54.599 --> 02:24:56.734  
responsibility, in the letter,  
nevertheless started by saying

02:24:58.136 --> 02:25:00.471  
how my attempt to ask him to  
meet with the sheriff, in order

02:25:02.273 --> 02:25:04.273  
to address the mou, and our

02:25:05.109 --> 02:25:07.779  
obligation under the mou, and  
the staffing cost that comes

02:25:09.281 --> 02:25:11.281  
with it, in order to maybe

02:25:11.717 --> 02:25:13.717  
accommodate the collaborative

02:25:15.520 --> 02:25:18.255  
courts, judge nacao murray took  
an unusual position that there

02:25:18.523 --> 02:25:21.191  
is no connection between the  
two. Between the cost of the

02:25:22.930 --> 02:25:24.930  
collaborative courts and the

02:25:24.130 --> 02:25:26.130  
court security item for the

02:25:31.371 --> 02:25:33.237  
court, in our budget. And so I  
independently a position and the

02:25:33.839 --> 02:25:35.839  
county and this board is put in

02:25:37.750 --> 02:25:39.750  
a position that is hard to

02:25:39.411 --> 02:25:41.411  
reconcile dev

02:25:41.614 --> 02:25:43.614  
reconcile not to do our work but

02:25:43.850 --> 02:25:46.818  
we can't begin to do that work  
especially coming from the  
court, which of all people

02:25:49.288 --> 02:25:51.288  
should understand the law and

02:25:51.991 --> 02:25:53.991  
the logic behind it and to

02:25:54.994 --> 02:25:57.328  
somehow say that we have that  
obligation, the court wants to

02:25:59.432 --> 02:26:01.432  
increase the level of service,

02:26:01.868 --> 02:26:04.570  
and yet we are just required to  
accept it. And there is no law

02:26:09.410 --> 02:26:11.410  
that requires that we have to

02:26:14.580 --> 02:26:16.580  
ash increase our level of

02:26:17.170 --> 02:26:19.170  
service. My request is that the

02:26:20.220 --> 02:26:22.220  
ceo will take into account the

02:26:24.524 --> 02:26:26.524  
financial impact to the county

02:26:26.726 --> 02:26:29.494  
and that any attempt, any  
discussion to increase

02:26:29.562 --> 02:26:31.562  
collaborative courts, has to

02:26:32.699 --> 02:26:34.699  
take place within the broader

02:26:36.970 --> 02:26:38.970  
context of a renegotiation with

02:26:40.207 --> 02:26:42.975  
the court on the mou on court  
security, because without that

02:26:44.311 --> 02:26:46.311  
bigger, broader discussion,

02:26:46.613 --> 02:26:48.613  
basically, we are uping the

02:26:50.150 --> 02:26:53.190  
level of service at our expense.  
And the court has taken the

02:26:54.488 --> 02:26:56.422  
position that it is our  
responsibility and rightfully,

02:26:58.192 --> 02:27:01.600  
and the law says that it is, so  
therefore, the only way for us

02:27:04.264 --> 02:27:06.264  
to get any kind of financial

02:27:06.500 --> 02:27:08.500  
relief is to ask the court to

02:27:09.470 --> 02:27:11.470  
reexamine the way they run court

02:27:12.440 --> 02:27:14.440  
security. And I think that's a

02:27:15.420 --> 02:27:17.420  
fair request, that first of all

02:27:19.113 --> 02:27:21.113  
the presiding judge, not a

02:27:28.389 --> 02:27:30.190  
facsimile, not astute  
substitute, that review under

02:27:31.392 --> 02:27:33.392  
the court. I don't want anymore

02:27:33.461 --> 02:27:36.129  
going back and forth on letters

I want to state this clearly for

02:27:36.364 --> 02:27:38.364  
the record and I hope this will

02:27:38.599 --> 02:27:40.599  
be transmitted back to the court

02:27:40.901 --> 02:27:42.901  
and I hope you agree with me on

02:27:43.710 --> 02:27:45.710  
the elected going forward to the

02:27:45.907 --> 02:27:48.508  
ceo in terms of court security  
cost. Thank you.

>>lisa a. Bartlett, chair:

02:27:49.244 --> 02:27:51.979  
okay. Thank you I think you  
make some evaluated points. We

02:27:52.747 --> 02:27:55.382  
have got a limited budget to  
work with and we have certain

02:27:58.555 --> 02:28:00.120  
obligations with regard to court  
security but sitting down with  
the presiding judge and the

02:28:01.356 --> 02:28:03.356  
sheriff's department, is looking

02:28:04.590 --> 02:28:06.590  
at court's security program and

02:28:06.940 --> 02:28:08.940  
how we should fund things on a

02:28:08.196 --> 02:28:10.965  
moving forward basis, and what  
areas we need to perhaps change,

02:28:13.935 --> 02:28:15.935  
and pin I know there is talk

02:28:16.700 --> 02:28:18.905  
about consolidating the criminal  
courts into santa ana and doing

02:28:19.175 --> 02:28:21.175  
some things because there is

02:28:21.577 --> 02:28:23.577  
added cost and we have criminal

02:28:24.246 --> 02:28:26.581  
courts spread out amongst the  
different court housings in the

02:28:26.682 --> 02:28:29.583  
county and it's up to the  
sheriff department to look at

02:28:31.853 --> 02:28:33.853  
the best model for the county

02:28:35.123 --> 02:28:37.123  
and organization our dollars for

02:28:37.226 --> 02:28:39.226  
court security and other

02:28:40.620 --> 02:28:41.863  
functions within the sheriff  
department. In addition

02:28:42.831 --> 02:28:44.831  
questions or comments?

02:28:45.567 --> 02:28:47.735  
Kim continue. Supervisor  
chaffee?  
>>sup. Doug chaffee: being new

02:28:49.638 --> 02:28:51.739  
to this process, when do we make  
a request for changes?

02:28:52.541 --> 02:28:55.243  
Is there a straw vote  
opportunity at some point in  
time?

02:28:56.120 --> 02:28:58.514  
And that comes later?  
When do we make --

02:28:58.514 --> 02:29:00.715  
>>lisa a. Bartlett, chair: we  
do have straw votes throughout

02:29:01.784 --> 02:29:03.685  
the process today.  
>>sup. Doug chaffee: being-.

02:29:04.286 --> 02:29:06.988  
On this section, if I want to  
make a change, I should comment

02:29:07.690 --> 02:29:10.224  
now or later?  
>>lisa a. Bartlett, chair:  
probably at a later time when we

02:29:11.327 --> 02:29:14.129  
are getting ready to -- and kim  
will walk us through the process

02:29:16.199 --> 02:29:18.199  
with restoring augmentation and

02:29:19.802 --> 02:29:21.804  
talking about straw votes.  
>>sup. Doug chaffee: the

02:29:22.471 --> 02:29:25.141  
collaborative court is a great

system and needs expansion and I

02:29:25.141 --> 02:29:27.141  
appreciate there are many

02:29:27.777 --> 02:29:29.879  
aspects of it that have cost  
elements.  
>>lisa a. Bartlett, chair:

02:29:30.514 --> 02:29:31.914  
great. Thank you. Kim please  
proceed.

02:29:32.716 --> 02:29:34.717  
>>speaker: yes. Thank you.  
The public protection program

02:29:37.487 --> 02:29:39.487  
has a total of 42 budgets as on

02:29:39.622 --> 02:29:41.622  
this table hereof which 13 are

02:29:41.791 --> 02:29:44.259  
within the general fund. In  
addition, the sheriff also has

02:29:45.496 --> 02:29:48.197  
an additional budgeted fund for  
800 megahertz that is included

02:29:49.766 --> 02:29:51.766  
in the capital improvements

02:29:52.202 --> 02:29:54.202  
program which will be covered

02:29:54.638 --> 02:29:56.905  
later. This table shows the  
base budget for the public

02:29:57.207 --> 02:29:59.207  
protection departments which

02:30:04.315 --> 02:30:06.816  
total to one.4 billed in  
appropriations four helped in

02:30:07.751 --> 02:30:09.751  
revenue 400 million in nest

02:30:11.488 --> 02:30:13.488  
county cost and includes 60542

02:30:15.920 --> 02:30:17.760  
budgeted positions the footnotes  
have budgets shown where

02:30:18.895 --> 02:30:20.796  
technical and reduced  
augmentations have been included

02:30:22.320 --> 02:30:24.901  
in the total and I will include

the adjustments and pause for

02:30:26.938 --> 02:30:28.938  
comments and discussion. First

02:30:29.707 --> 02:30:31.841  
a summary of technical  
augmentations included in the

02:30:37.916 --> 02:30:40.884  
base budget and these August  
tment  
augmentations include actions to

02:30:41.419 --> 02:30:43.419  
comply with county policy. For

02:30:44.222 --> 02:30:46.222  
the sheriff department the

02:30:48.259 --> 02:30:50.259  
funding received as discussed

02:30:50.561 --> 02:30:52.561  
earlier for realignment with

02:30:54.694 --> 02:30:56.199  
court security has been funded  
for services provided. Budget

02:30:58.269 --> 02:31:00.470  
control is 047, currently  
contains both court security as

02:31:02.400 --> 02:31:04.400  
well as a civil processing

02:31:05.760 --> 02:31:07.760  
function. And this technical

02:31:07.145 --> 02:31:09.145  
augmentation will move the

02:31:09.847 --> 02:31:11.715  
processing function out of court  
operations and into the

02:31:12.149 --> 02:31:14.149  
sheriff's main operating budget

02:31:19.358 --> 02:31:21.358  
to allow for easier monitoring.

02:31:22.294 --> 02:31:24.294  
Here is a summary by department

02:31:24.729 --> 02:31:26.729  
of reduction of augmentation

02:31:27.365 --> 02:31:29.365  
totaling \$103 million which are

02:31:29.801 --> 02:31:31.801  
included in the base budget in

02:31:32.638 --> 02:31:34.638  
order to meet the county net

02:31:35.730 --> 02:31:37.908  
cost limit. I will pause for  
discussion and comment and a

02:31:38.610 --> 02:31:40.610  
straw vote on the base budgets

02:31:42.280 --> 02:31:44.348  
with technical and reduced  
augmentations for the budget

02:31:45.517 --> 02:31:47.517  
programs and I will go into of

02:31:47.686 --> 02:31:49.454  
the expand augmentations.  
>>lisa a. Bartlett, chair: we

02:31:50.289 --> 02:31:52.289  
will take a straw vote at this

02:31:53.292 --> 02:31:55.427  
point. Is anyone objecting?  
Comments?  
Questions?

02:31:55.427 --> 02:31:57.195  
Supervisor chaffee.  
>>sup. Doug chaffee: I would

02:31:58.630 --> 02:32:00.630  
like to asking a change. In

02:32:00.632 --> 02:32:02.632  
fact, two. One wasn't discussed

02:32:03.769 --> 02:32:05.769  
and I know this doesn't happen

02:32:06.720 --> 02:32:09.400  
quickly, as the office of  
independent review, I know what

02:32:09.675 --> 02:32:12.410  
it does, particularly what use  
it actually is being under the

02:32:13.479 --> 02:32:15.479  
board, and I know it was taken

02:32:17.623 --> 02:32:18.917  
from the auditor controller  
sometime ago. I also know the

02:32:21.320 --> 02:32:23.388  
auditor controller is asking  
for.  
>>lisa a. Bartlett, chair: the

02:32:26.392 --> 02:32:29.227  
auditor controller never had oir  
under its purview.

02:32:30.496 --> 02:32:32.531  
>>sup. Doug chaffee: I'm sorry.  
>>lisa a. Bartlett, chair: the

02:32:33.733 --> 02:32:35.733  
department didn't have at any

02:32:36.235 --> 02:32:38.637  
time under its purview oir.  
>>sup. Doug chaffee: I see the

02:32:40.807 --> 02:32:42.807  
history and don't see why

02:32:43.110 --> 02:32:45.110  
keeping it where it's at that is

02:32:47.280 --> 02:32:49.280  
up for discussion rather than

02:32:50.183 --> 02:32:52.183  
pause for eliminating it. I am

02:32:54.787 --> 02:32:57.756  
baffled as to where it blains  
belongs. That's one comment. I

02:32:57.891 --> 02:33:00.426  
don't know how I would change it  
at this time. The other is to

02:33:01.261 --> 02:33:03.595  
the public defender's budget.  
They are requiring additional

02:33:04.898 --> 02:33:06.932  
time for a couple of reasons one  
being of the additional video

02:33:07.634 --> 02:33:10.102  
from the cameras that are out  
there. They have must review, I

02:33:12.338 --> 02:33:14.338  
think it's about 3,000 times

02:33:16.544 --> 02:33:18.544  
increase over the last year, and

02:33:18.912 --> 02:33:21.547  
they also need some additional  
help because of the new

02:33:24.117 --> 02:33:26.952  
requirement of reviewing a post  
conviction items. And so I

02:33:28.388 --> 02:33:30.956  
would like to see, and not  
completely some augmentation as

02:33:32.526 --> 02:33:34.526  
to the request that has been

02:33:34.686 --> 02:33:37.970  
recommended, where we add an  
attorney and one additional

02:33:38.332 --> 02:33:41.100  
paralegal to take care of those  
concerns.  
>>lisa a. Bartlett, chair:  
okay. Thank you for your

02:33:41.100 --> 02:33:43.100  
comments. I think at this time

02:33:43.571 --> 02:33:45.738  
we want to take the straw  
voteses on the base budget only

02:33:47.107 --> 02:33:49.107  
and then talk about the restore

02:33:49.710 --> 02:33:52.446  
and expand augmentations as we  
get to those points with kim in

02:33:52.881 --> 02:33:55.115  
the process today. On the base  
budgets that are requested

02:33:55.583 --> 02:33:58.551  
colleagues do we have any  
objection to move forward on

02:33:58.920 --> 02:34:00.920  
base budgets at this time?

02:34:01.489 --> 02:34:03.489  
Okay great. Kim please

02:34:04.325 --> 02:34:06.325  
continue.

02:34:07.963 --> 02:34:09.963  
>>speaker: thank you. This

02:34:10.899 --> 02:34:13.267  
table public budgets and ceo  
recommendations for the restore

02:34:14.169 --> 02:34:16.169  
and expand augmentations and

02:34:17.500 --> 02:34:19.500  
shows a comparison to the

02:34:20.575 --> 02:34:22.575  
current modified budget for the

02:34:24.445 --> 02:34:26.445  
current fiscal year. Restoring

02:34:28.717 --> 02:34:31.585  
augmentations with all of the  
augmentations public protection

02:34:33.555 --> 02:34:35.555

is 60 percent of the net county

02:34:35.690 --> 02:34:37.690  
allocated cost whereas base

02:34:38.793 --> 02:34:40.793  
budget was at 44 percent. This

02:34:41.395 --> 02:34:43.395  
recommendations for the restore

02:34:43.499 --> 02:34:45.499  
and expand augmentations include

02:34:47.200 --> 02:34:49.470  
additional 100 on \$23 million in  
appropriations and \$105 million

02:34:51.139 --> 02:34:53.474  
in net county cost being  
recommended for board

02:34:54.109 --> 02:34:56.760  
consideration, the total  
appropriations and net county

02:34:56.811 --> 02:34:58.811  
cost are shown here by

02:35:00.216 --> 02:35:02.216  
department and categorized as

02:35:02.351 --> 02:35:05.530  
either ongoing or one time. The  
majority of appropriations as

02:35:05.888 --> 02:35:07.888  
mentioned earlier and net county

02:35:08.624 --> 02:35:10.624  
cost as recommended are ongoing.

02:35:11.293 --> 02:35:13.994  
So as a reminder, the base  
budget previously printed

02:35:15.264 --> 02:35:18.650  
included a reduced augmentation  
by departments to meet their net

02:35:18.601 --> 02:35:21.370  
county cost limit included here  
are the details of the

02:35:22.305 --> 02:35:24.840  
restoration requests by  
department. With the extension

02:35:30.613 --> 02:35:32.613  
of the sheriff crab

02:35:32.982 --> 02:35:34.982  
corroborations for net county

02:35:36.886 --> 02:35:39.855

cost. For sheriff's  
\$8.8 million requested  
represents the short fall

02:35:40.890 --> 02:35:43.192  
between the estimated cost of  
providing court security and the

02:35:46.195 --> 02:35:48.263  
amount anticipated from 20 level  
realignment. Recommendation is

02:35:48.931 --> 02:35:50.931  
for one time appropriations and

02:35:51.801 --> 02:35:54.700  
one time net county cost. In  
addition, the budget office

02:35:55.505 --> 02:35:57.506  
worked with probation and the  
amount recommended for

02:35:58.575 --> 02:36:01.510  
restoration was estimated based  
on probation securing additional

02:36:03.790 --> 02:36:05.914  
funding to the juvenile justice  
crime intervention net to wrap

02:36:08.184 --> 02:36:10.184  
services for the jove navals and

02:36:10.454 --> 02:36:12.188  
provide staff attrition and  
anticipation of reductions

02:36:15.250 --> 02:36:17.250  
included in the reduced

02:36:18.128 --> 02:36:20.128  
augmentation by the department

02:36:24.968 --> 02:36:26.368  
in order to meet funding limits.  
Rawingment

02:36:28.720 --> 02:36:30.720  
augmented based on rev

02:36:32.443 --> 02:36:34.443  
restoration and should be

02:36:34.745 --> 02:36:36.745  
operational to meet needs. The

02:36:37.147 --> 02:36:39.282  
departments can return to the  
quarterly budget process and

02:36:39.883 --> 02:36:42.852  
I'll pause for board discussion  
and comment in a straw vote on

02:36:44.254 --> 02:36:46.254  
the restore augmentations for

02:36:46.791 --> 02:36:49.259  
the public protection program.  
>>lisa a. Bartlett, chair:  
colleagues. We have a straw

02:36:51.529 --> 02:36:53.296  
vote now on the restore  
augmentations. Any objections

02:36:54.531 --> 02:36:56.466  
to the restore augmentations at  
this time?

02:37:00.504 --> 02:37:02.538  
Great. Kim continue.  
>>speaker: as michelle covered

02:37:03.341 --> 02:37:05.842  
in the presentation earlier the  
budgeting process beginning with

02:37:07.378 --> 02:37:09.378  
a strategic financial plan,

02:37:11.883 --> 02:37:13.883  
fiscal year 1920 budget the

02:37:14.252 --> 02:37:16.886  
district provides needs to  
expand operations not included

02:37:17.880 --> 02:37:19.755  
in the strategic financial plan.  
In summary the district attorney

02:37:21.826 --> 02:37:24.361  
is requesting to add city  
positions and over \$13 million

02:37:25.430 --> 02:37:27.430  
in appropriations in net county

02:37:28.733 --> 02:37:31.468  
cost. The ceo recommendation is  
to add 13 positions and

02:37:34.305 --> 02:37:36.305  
\$3 million in appropriations in

02:37:38.458 --> 02:37:40.445  
net county cost request to  
include \$900,000 in one time  
funding and appropriations for

02:37:43.582 --> 02:37:45.582  
an it server storage chassis

02:37:46.317 --> 02:37:48.317  
with 800 terabytes of storage

02:37:49.854 --> 02:37:52.623  
and \$41,000 in one time funding

in implementation of discovery

02:37:54.893 --> 02:37:56.893  
management of system both of

02:37:59.698 --> 02:38:01.698  
which senior ceo recommendation

02:38:02.868 --> 02:38:04.868  
for board approval and to

02:38:06.705 --> 02:38:08.705  
establish post litigation unit

02:38:09.875 --> 02:38:11.875  
to request or reduce vacated

02:38:16.515 --> 02:38:18.515  
sentences ceo request is four

02:38:18.684 --> 02:38:20.684  
positions and net county cost.

02:38:21.454 --> 02:38:23.955  
Next is six positions and  
\$1.1 million to establish a

02:38:24.223 --> 02:38:26.223  
recidivism reduction unit to

02:38:26.225 --> 02:38:28.225  
address the pretrial mental

02:38:28.461 --> 02:38:30.461  
health diversion program

02:38:30.663 --> 02:38:33.432  
resulting from senate bill 1810.  
Ce o recommendation is for two

02:38:35.668 --> 02:38:38.136  
positions and \$306,000 in  
ongoing net county cost. The

02:38:39.171 --> 02:38:41.171  
next request is for 11 positions

02:38:42.942 --> 02:38:44.942  
is \$1.7 million to establish a

02:38:46.450 --> 02:38:48.450  
conviction integrity unit to  
reexamine post conviction claims

02:38:48.881 --> 02:38:51.583  
of innocence. The ceo  
recommendation is to defer this

02:38:53.219 --> 02:38:55.420  
request and include it in the  
2019 strategic financial plan.

02:38:57.256 --> 02:38:59.958  
The next request is for 11  
positions in \$2 million to

02:39:00.393 --> 02:39:02.393  
address increased work load in

02:39:03.196 --> 02:39:05.196  
the appellate unit training

02:39:05.732 --> 02:39:08.600  
discovery compliance and dna  
evidence ceo recommendation is

02:39:10.337 --> 02:39:12.337  
for two positions and \$258,000

02:39:12.806 --> 02:39:14.806  
in ongoing cost. 12 positions

02:39:16.643 --> 02:39:19.144  
and \$2 million to establish an  
ab-109 task force to address

02:39:24.117 --> 02:39:26.586  
crimes committed by ab-109  
offenders. And have district

02:39:29.256 --> 02:39:31.824  
attorney seek ab-109 from the  
community creeks partnership.

02:39:32.693 --> 02:39:35.127  
Request for five positions and  
900 city thousand dollars to

02:39:36.463 --> 02:39:39.231  
address work loads within the  
bureau of investigations ceo

02:39:41.369 --> 02:39:43.536  
recommendation is for two  
positions and 334,000 ongoing

02:39:44.370 --> 02:39:46.370  
net county cost. One position

02:39:48.575 --> 02:39:50.575  
is requested for the anticipated

02:39:54.481 --> 02:39:56.983  
work load demandstor fed for the  
auto force task funds and

02:39:58.919 --> 02:40:01.388  
request for six positions and  
\$621,000 to address the

02:40:02.990 --> 02:40:04.624  
increased work load of  
administration, senior

02:40:06.293 --> 02:40:08.293  
recommendation is for two

02:40:08.295 --> 02:40:10.295  
positions and \$167,000 ongoing.

02:40:10.297 --> 02:40:12.999

As the budget office was  
reviewing and determining a

02:40:13.100 --> 02:40:15.100

recommendation, the needs of the

02:40:15.637 --> 02:40:18.372

department were considered along  
with a capacity and resources to

02:40:19.640 --> 02:40:21.640

implement what was being

02:40:21.842 --> 02:40:24.177

requested. Recommendations were  
also made to the department to

02:40:26.147 --> 02:40:27.914

phase in the request using the  
quarterly budget process to

02:40:29.417 --> 02:40:31.417

allow time to recruit and adjust

02:40:34.890 --> 02:40:36.890

as needed. Position

02:40:36.358 --> 02:40:38.358

options to discuss

02:40:38.460 --> 02:40:40.460

staffing department' needs.

02:40:41.496 --> 02:40:44.464

Here I will pause for discussion  
and comment on the straw vote

02:40:45.299 --> 02:40:47.468

for the district attorney's  
expanding and augmentation.

02:40:47.468 --> 02:40:49.703

>>lisa a. Bartlett, chair: at  
this time I would like to invite

02:40:50.172 --> 02:40:53.700

up district attorney todd  
spitzer to make any comments

02:40:58.513 --> 02:41:01.248

regarding the budget. Welcome  
to our meeting. You are on the

02:41:06.688 --> 02:41:08.688

other side of the podium.

02:41:09.391 --> 02:41:12.610

>> Speaker: I don't like it as  
much quite frankly.

02:41:12.610 --> 02:41:14.295

>>lisa a. Bartlett, chair: we  
will set the time at three

02:41:16.198 --> 02:41:18.633  
minutes for you.  
[Laughter]  
>>speaker: good afternoon Madam

02:41:19.101 --> 02:41:21.969  
Chair and members of the board.  
I am excited about this budget.

02:41:23.905 --> 02:41:25.905  
I want to congratulate you some

02:41:28.611 --> 02:41:30.244  
of the major mish  
initiatives you

02:41:30.746 --> 02:41:32.746  
have the honor to support are

02:41:35.751 --> 02:41:38.319  
things that chief district  
attorney shawn and I work on and

02:41:41.256 --> 02:41:44.192  
me as chief of staff. I am  
extremely excited about  
expansion of mental health

02:41:44.861 --> 02:41:47.229  
services if you look at the  
expands, and I really want to

02:41:48.498 --> 02:41:50.832  
thank kim because she -- and  
lisa, and michelle, because they

02:41:51.734 --> 02:41:53.734  
spent a lot of time with me and

02:41:55.271 --> 02:41:57.271  
my staff, they -- I am not sure

02:41:57.373 --> 02:42:00.174  
they really understood the great  
needs of the department. I'm

02:42:00.510 --> 02:42:02.645  
not sure the communication  
between of the district

02:42:02.645 --> 02:42:04.645  
attorney's office and all of the

02:42:05.582 --> 02:42:08.160  
issues that are concerning the  
authors were fully understood

02:42:09.685 --> 02:42:12.387  
and that's on us and I think we  
spent a great deal of time and

02:42:15.191 --> 02:42:17.191  
they were considered in that

02:42:17.394 --> 02:42:19.995

respect. The break down of the augmentation it is at the top

02:42:21.331 --> 02:42:23.331  
and a recommendation from ceo.

02:42:23.466 --> 02:42:25.466  
I inherited quite a few issue in

02:42:25.802 --> 02:42:27.802  
terms of decry situation, the

02:42:28.400 --> 02:42:30.205  
court of appeal decision and  
issues we're dealing with in

02:42:32.342 --> 02:42:35.143  
terms of post liftigation review  
and legacy review with respect

02:42:37.140 --> 02:42:39.415  
to the ongoing department of  
justice investigation. Quite a

02:42:43.587 --> 02:42:45.587  
few of us including former

02:42:54.365 --> 02:42:56.365  
supervisor nelson, pat tickson.

02:42:58.369 --> 02:43:00.369  
My goal is to try to resolve the

02:43:01.772 --> 02:43:03.772  
doj investigation as quickly as

02:43:04.174 --> 02:43:06.175  
possible and the recidivism  
reduction unit is very

02:43:06.543 --> 02:43:09.111  
important. You talk about the  
public defender supervisor

02:43:09.212 --> 02:43:12.480  
chaffee in terms of additional  
leases they want in terms of

02:43:13.951 --> 02:43:15.951  
reviewing convictions. We are

02:43:16.854 --> 02:43:19.622  
also adding a post conviction  
litigation unit and we asked for

02:43:20.824 --> 02:43:22.824  
quite a few bodies for that, but

02:43:23.894 --> 02:43:26.295  
I appreciate kim's comment, with  
the recommendation of four. So

02:43:27.665 --> 02:43:29.665  
there is a lot of resources

02:43:29.667 --> 02:43:31.667  
being put into that issue, and

02:43:31.903 --> 02:43:34.638  
we can phase it in over time and  
we can come back to the board

02:43:37.675 --> 02:43:39.675  
with additional requests. I

02:43:42.379 --> 02:43:44.379  
think petrosino took a role in

02:43:44.515 --> 02:43:46.515  
informing on the recidivism

02:43:49.200 --> 02:43:50.921  
reduction unit. I lead hey  
recidivism reduction unit with a

02:43:52.257 --> 02:43:54.257  
team and we are very excited

02:43:54.792 --> 02:43:57.327  
about this. We're funneling  
mental health considerations for

02:43:57.896 --> 02:44:00.630  
defendants charged with crimes  
who have mental health issues

02:44:01.165 --> 02:44:03.165  
trying to identify that early in

02:44:03.502 --> 02:44:05.502  
the process, trying to funnel

02:44:07.390 --> 02:44:09.390  
those in the integrated services

02:44:09.141 --> 02:44:11.876  
led by supervisor do who chairs  
the orange county criminal

02:44:12.277 --> 02:44:14.979  
justice coordinating council.  
So this office is all in with

02:44:16.147 --> 02:44:18.147  
all of the initiatives that this

02:44:18.716 --> 02:44:20.716  
board is needing and board of

02:44:20.986 --> 02:44:23.621  
supervisors nelson and I are  
taking those missions and trying

02:44:26.124 --> 02:44:28.926  
to integrate it into the  
district attorney's office.

02:44:29.895 --> 02:44:32.531  
Ab-109 task force I am  
disappointed by ceo

02:44:32.531 --> 02:44:34.531  
recommendation only that thank

02:44:35.667 --> 02:44:38.370  
you all know in your communities  
ab-109 is chewing up our

02:44:39.171 --> 02:44:41.171  
communities in many regards.

02:44:41.807 --> 02:44:44.342  
Chief walters is here. He is  
working with probation but I

02:44:45.440 --> 02:44:47.779  
appreciate the leadership of  
chief cent man, sheriff barns

02:44:49.915 --> 02:44:51.915  
and all of the police chiefs

02:44:54.152 --> 02:44:56.321  
we're all putting sources into  
targeting ab 109ers who are out

02:44:57.557 --> 02:44:59.557  
in the community. You May not

02:45:01.687 --> 02:45:02.940  
know or realize, or maybe you  
need to be remembered if I

02:45:10.690 --> 02:45:12.690  
could, 1100 ab 109ers that have

02:45:13.773 --> 02:45:15.773  
absconded from are supervision.

02:45:16.676 --> 02:45:19.244  
Unknown whereabouts with active  
warrants that is completely

02:45:20.280 --> 02:45:22.815  
unacceptable to me. I know it's  
completely unacceptable to you.

02:45:23.916 --> 02:45:25.916  
It's paralyzing your communities

02:45:26.719 --> 02:45:28.887  
and I have asked chief walters  
to lead that conversation. We

02:45:31.324 --> 02:45:33.324  
are putting resources into

02:45:35.228 --> 02:45:37.863  
ab-109 with the cooperation of  
probation and are sheriff's

02:45:38.965 --> 02:45:40.965  
department agents but I am

02:45:41.167 --> 02:45:43.135

highlights the fact that we do  
need additional resources in

02:45:46.390 --> 02:45:48.274  
that regard. Auto theft, I talk  
about that when I was on this

02:45:49.276 --> 02:45:51.276  
board and we have asked for

02:45:52.613 --> 02:45:54.613  
addition position. Auto theft

02:45:55.480 --> 02:45:57.480  
is up 40 percent in our county.

02:45:59.486 --> 02:46:02.210  
I am honing in on focusing on  
mental health and homeless

02:46:02.923 --> 02:46:05.424  
issues, on the decry and  
informant situation and we're

02:46:06.927 --> 02:46:08.927  
trying to be proactive in

02:46:08.963 --> 02:46:10.963  
reducing recidivism and reducing

02:46:10.998 --> 02:46:13.990  
crime by creating the units that  
can oversee the individuals that

02:46:14.935 --> 02:46:16.935  
are in the respective categories

02:46:18.171 --> 02:46:20.171  
whether ab-109, homeless, or

02:46:24.278 --> 02:46:26.278  
mental health under ab1810. I

02:46:27.982 --> 02:46:30.151  
am happy to answer any  
questions.  
>>lisa a. Bartlett, chair: any

02:46:30.151 --> 02:46:32.151  
questions at this time?

02:46:33.687 --> 02:46:35.687  
I know you are in review and the

02:46:35.856 --> 02:46:37.991  
establishing of the post  
integrity unit is something we

02:46:38.692 --> 02:46:40.692  
need to move forward on given

02:46:42.730 --> 02:46:44.310  
the history of the jail house  
inform

02:46:45.766 --> 02:46:48.680  
informants and it's critical  
relative to technology and I

02:46:49.570 --> 02:46:51.404  
know the district attorney's  
office is short at this point

02:46:52.306 --> 02:46:54.306  
with regard to upgraded

02:46:54.642 --> 02:46:56.642  
technology and we want to push

02:46:58.280 --> 02:47:00.782  
some dollars into those areas.  
Of the informant pollses and

02:47:00.782 --> 02:47:03.384  
practices committee recommend  
that you establish this unit

02:47:05.553 --> 02:47:08.221  
back in 2015 and I know that the  
requested 11 positions which we

02:47:10.524 --> 02:47:12.524  
have about \$1.7 million in ceo

02:47:13.327 --> 02:47:15.897  
budget has recommended deferment  
of the strategic financial

02:47:16.498 --> 02:47:19.400  
planning process but because  
you're new in your position you

02:47:19.401 --> 02:47:21.802  
weren't able to participate in  
that particular planning

02:47:22.404 --> 02:47:24.905  
process. So in taking a look at  
everything that we have got

02:47:26.141 --> 02:47:28.542  
before us today, and colleagues,  
as we work through the budget

02:47:29.210 --> 02:47:31.210  
process today, I know that with

02:47:32.810 --> 02:47:33.982  
regard to some of the expand  
augmentations and changes we

02:47:34.783 --> 02:47:37.251  
would like to make some of the  
critical things can be done

02:47:37.719 --> 02:47:39.719  
during this budgetary process

02:47:39.821 --> 02:47:42.723  
but also keep in mind that at

any time during the year with

02:47:43.825 --> 02:47:45.825  
the queue bars are departments

02:47:45.961 --> 02:47:47.961  
can bring forth items to

02:47:48.463 --> 02:47:50.463  
increase funding for different

02:47:50.733 --> 02:47:53.702  
things during the queue bar  
process not everything has to be

02:47:54.270 --> 02:47:57.138  
done incorporating into this  
budget process today. We have

02:47:57.439 --> 02:47:59.439  
opportunities during the year

02:48:00.109 --> 02:48:02.944  
that are prescheduled and we can  
have different types of

02:48:03.679 --> 02:48:06.314  
augmentation during the fiscal  
year. But at this time in,

02:48:07.817 --> 02:48:09.817  
whoing can with the district

02:48:09.819 --> 02:48:12.421  
attorney's office I have asked  
to prepare the information

02:48:13.560 --> 02:48:15.223  
related to this particular  
establishment of the unit to

02:48:16.825 --> 02:48:18.825  
include one executive manager

02:48:19.395 --> 02:48:21.929  
and two paralegals, kim if you  
could break down the specific

02:48:26.969 --> 02:48:28.570  
cost. I think they're around  
\$410,000.

02:48:29.772 --> 02:48:32.574  
>>speaker: correct. To add one  
executive manager and two

02:48:33.243 --> 02:48:35.243  
paralegals the cost of the two

02:48:36.780 --> 02:48:38.814  
paralegals is \$151,000, and to  
add one executive manager it

02:48:44.487 --> 02:48:46.857  
would be \$258,000 for a total of

\$409,104.

>>lisa a. Bartlett, chair:

02:48:46.857 --> 02:48:49.592  
thank you. Colleagues at this  
time I would like to request --

02:48:50.627 --> 02:48:52.961  
this is an important unit that  
needs to be established within

02:48:52.962 --> 02:48:54.962  
the district attorney's office,

02:48:55.265 --> 02:48:57.265  
and I would like to request that

02:48:58.301 --> 02:49:00.301  
we have an expand augmentation

02:49:00.838 --> 02:49:02.838  
for these three positions

02:49:05.542 --> 02:49:07.476  
totally approximately \$410,000.  
>>speaker: Madam Chair can I

02:49:08.478 --> 02:49:10.612  
speak to that?  
>>lisa a. Bartlett, chair:  
absolutely.

02:49:12.682 --> 02:49:15.584  
>>speaker: 50 first I want to  
thank you very much for your  
interest in this area.

02:49:16.753 --> 02:49:18.753  
Colleagues you know I have

02:49:18.923 --> 02:49:21.758  
foreshadowed the department of  
justice investigation, the

02:49:22.920 --> 02:49:24.920  
sheriff's department is also

02:49:24.228 --> 02:49:26.228  
being looked@the same time by

02:49:26.897 --> 02:49:28.965  
the doj. I can't say the  
department of justice doesn't

02:49:30.000 --> 02:49:32.680  
support this that would be an  
important representation. We

02:49:32.903 --> 02:49:34.903  
did discuss this with this as

02:49:37.102 --> 02:49:39.409  
only one of the reforms they  
wanted to implement when I met  
with the department of justice.

My goal is to do everything I

02:49:41.312 --> 02:49:43.312  
can to avoid a consent to decree

02:49:44.348 --> 02:49:46.683  
to put on this office, my office  
and the sheriff's office by the

02:49:47.170 --> 02:49:49.385  
department of justice. When I  
was chair of the committee on

02:49:49.953 --> 02:49:52.889  
prisons for the state assembly  
we had a special master

02:49:53.725 --> 02:49:55.725  
appointed by the three judge

02:49:56.995 --> 02:49:58.995  
panel that oversaw all health

02:50:00.364 --> 02:50:02.364  
care for the prisons once the

02:50:02.700 --> 02:50:04.700  
courts started getting involved

02:50:05.360 --> 02:50:07.360  
and pointing masters they have a

02:50:07.805 --> 02:50:10.774  
blank checkbook and being  
proactive and making sure if you

02:50:13.278 --> 02:50:15.278  
look at my expand request the

02:50:15.447 --> 02:50:17.681  
recidivism reduction unit and  
integrity, having those reforms

02:50:18.349 --> 02:50:21.118  
in place that never existed  
before, my goal is to send a

02:50:21.352 --> 02:50:23.352  
strong statement to all of the

02:50:23.721 --> 02:50:26.489  
actors in the criminal justice  
system that especially the

02:50:26.524 --> 02:50:28.524  
department of justice, and let

02:50:33.799 --> 02:50:36.567  
them know that the informant  
scandal  
scandal will never happen again

02:50:38.470 --> 02:50:40.271  
and by putting in place  
throughout board of supervisors

02:50:40.639 --> 02:50:42.639  
to put in place that it will

02:50:43.141 --> 02:50:45.543  
never happen again. If you  
would support at the request of

02:50:45.911 --> 02:50:47.911  
the chair allow us to get this

02:50:48.380 --> 02:50:50.982  
up and running without delay,  
let me explain that to the

02:50:51.950 --> 02:50:53.950  
department of justice and get it

02:50:54.953 --> 02:50:56.953  
working preliminary with some

02:50:58.623 --> 02:51:00.623  
schedule schedule tall staff

02:51:02.755 --> 02:51:05.263  
and come back with appropriate  
updates and not only let you

02:51:06.432 --> 02:51:08.432  
know how it's doing but let you

02:51:08.968 --> 02:51:11.704  
know if I can justify additional  
resources for the unit in the  
future.

02:51:11.704 --> 02:51:13.404  
>>lisa a. Bartlett, chair: and  
the establishment of this

02:51:13.806 --> 02:51:15.806  
particular unit not only will it

02:51:16.275 --> 02:51:18.943  
help the county from just a  
legal perspective but when we

02:51:19.770 --> 02:51:21.770  
had the federal investigations

02:51:21.781 --> 02:51:24.449  
that occur, it's very costly to  
our county, and we need to

02:51:25.651 --> 02:51:28.119  
figure out what we can do on a  
moving forward basis to be able

02:51:31.924 --> 02:51:33.924  
to cover what we need to cover,

02:51:34.193 --> 02:51:37.610  
and preclude these additional  
investigations coming from the

02:51:37.797 --> 02:51:39.797  
state and federal level down to

02:51:41.134 --> 02:51:44.360  
our county because we have to  
assign personnel to review

02:51:44.537 --> 02:51:46.537  
things and it's time sensitive

02:51:47.106 --> 02:51:49.374  
and we have to reorganize our  
personnel and it's costly and

02:51:49.809 --> 02:51:52.677  
it's something that we need to  
on a moving forward basis we

02:51:53.412 --> 02:51:55.948  
need to start establishing some  
of these units that make sense

02:51:59.121 --> 02:52:02.121  
to reduce our legal liability  
and exposure in the future and  
that's something that district  
attorney spitzer is taking a

02:52:02.789 --> 02:52:04.657  
proactive approach about.  
>>speaker: Madam Chair I do say

02:52:06.459 --> 02:52:08.459  
and I saw this in an e-mail back

02:52:12.733 --> 02:52:15.134  
in the back, we are  
adversaries, supervisor do

02:52:16.970 --> 02:52:18.970  
knows that, he has been on both

02:52:19.206 --> 02:52:21.206  
sides but the fact 1810 other

02:52:21.408 --> 02:52:23.408  
and I am doing the best I can

02:52:25.845 --> 02:52:28.781  
in the system to work cooptively  
with the public defender

02:52:29.416 --> 02:52:31.416  
streamlined to move throughout

02:52:31.719 --> 02:52:33.719  
mental health and court systems

02:52:33.921 --> 02:52:35.989  
as appropriate but in this  
particular case work with the

02:52:36.123 --> 02:52:38.123  
public defender and private

02:52:38.425 --> 02:52:40.460  
council when they bring to my  
office's attention that there is

02:52:41.728 --> 02:52:43.728  
an issue with respect to review

02:52:44.970 --> 02:52:46.832  
of a conviction. And so I hope  
you see, and proof will be in

02:52:48.690 --> 02:52:50.690  
the pudding, that this office,

02:52:50.271 --> 02:52:52.271  
the da's office is committed to

02:52:55.342 --> 02:52:57.342  
justice and the integrity of its

02:52:58.712 --> 02:53:00.712  
convictions and will will never

02:53:02.116 --> 02:53:04.584  
hesitate to leave behind post  
conviction if there were duties.

02:53:05.687 --> 02:53:08.322  
It will look at collaboratively  
with the public defender which

02:53:08.756 --> 02:53:10.756  
you also extended a great deal

02:53:11.250 --> 02:53:12.859  
of resources.  
>>lisa a. Bartlett, chair: are

02:53:13.940 --> 02:53:15.929  
you finished significance.  
>>speaker: yes.  
>>lisa a. Bartlett, chair:

02:53:16.264 --> 02:53:18.264  
okay. At this time I would like

02:53:18.799 --> 02:53:21.301  
to take a straw vote on the  
district attorney expand

02:53:22.871 --> 02:53:24.872  
augmentation which includes ceo  
recommendation and in addition

02:53:26.574 --> 02:53:28.574  
that the three positions totally

02:53:30.345 --> 02:53:32.813  
the \$410,000. Any additional  
comments or objections to the

02:53:34.148 --> 02:53:35.515  
expand augmentation for district  
attorney?

02:53:36.751 --> 02:53:38.751  
All right. Thank you very much.

02:53:38.753 --> 02:53:40.521  
>>speaker: thank you so much.  
>>lisa a. Bartlett, chair: okay

02:53:45.460 --> 02:53:47.460  
kim please continue your

02:53:47.529 --> 02:53:49.529  
presentation. Next is the item

02:53:49.731 --> 02:53:52.367  
relating to sheriff coroner.  
>>speaker: sheriff coroner.

02:53:52.367 --> 02:53:55.269  
Correct. Thank you very much.  
The sheriff's department is also

02:53:55.837 --> 02:53:58.473  
requested to expand operations.  
All of these projects listed in

02:53:59.308 --> 02:54:01.776  
the summary with the extension  
of the two positions for the

02:54:02.440 --> 02:54:04.440  
driving under the influence and

02:54:04.813 --> 02:54:06.813  
the purchase of the 128 vehicles

02:54:08.684 --> 02:54:11.352  
were included in of the 2018  
strategic financial plan and

02:54:12.530 --> 02:54:14.555  
projects and continuations from  
the prior year. Sheriff is

02:54:14.824 --> 02:54:16.824  
requesting to purchase two

02:54:21.630 --> 02:54:23.630  
inmate burs for \$1.8 million in

02:54:26.502 --> 02:54:28.770  
procurement to purchase 128 vex

02:54:30.205 --> 02:54:32.205  
circuit television projects to

02:54:33.760 --> 02:54:35.760  
improve key areas of the jail

02:54:36.120 --> 02:54:38.120  
and two limited terms for

02:54:38.347 --> 02:54:40.347  
forensic scientists funded by

02:54:40.416 --> 02:54:42.517  
the new grand driving under the  
influence program. When the

02:54:44.420 --> 02:54:47.122  
opportunity came up the budget  
office was notified in advance

02:54:47.289 --> 02:54:49.289  
to coordinate the addition of

02:54:50.293 --> 02:54:52.795  
needed positions and this is  
\$289,000 in appropriations. The

02:54:54.300 --> 02:54:56.598  
sheriff is also requesting to  
continue a jail hardening

02:54:59.102 --> 02:55:01.870  
measures to obtain high level of  
security in the jails for

02:55:03.339 --> 02:55:05.339  
\$1 million. To continue the

02:55:06.420 --> 02:55:08.420  
katella upgrades for modernize

02:55:14.551 --> 02:55:16.551  
of equipment. Upgrade of jail

02:55:17.200 --> 02:55:19.688  
electronic security system for  
\$3.3 million, and the sheriff is

02:55:22.192 --> 02:55:24.192  
also requesting to remodel the

02:55:24.628 --> 02:55:26.628  
intake release center to provide

02:55:27.264 --> 02:55:29.264  
dedicated housing for inmates

02:55:30.267 --> 02:55:32.802  
with mental illness mentioned  
earlier under integrated

02:55:34.605 --> 02:55:36.605  
services and related to expand

02:55:37.307 --> 02:55:39.875  
services for the health agency  
correction unit for the need of

02:55:41.779 --> 02:55:43.779  
associate staffing and this is

02:55:43.981 --> 02:55:45.981  
for \$9.2 million. You will see

02:55:46.250 --> 02:55:48.250  
the capital projects included

02:55:48.619 --> 02:55:51.387  
again under program five which  
is the capital improvements

02:55:51.522 --> 02:55:54.123  
programs later in the  
presentation. But the approval

02:55:54.825 --> 02:55:57.493  
received at this point will be  
considered approval for the

02:55:58.940 --> 02:56:00.940  
program including additional

02:56:00.431 --> 02:56:02.431  
related budget actions that need

02:56:03.367 --> 02:56:05.367  
to occur which is transfers.

02:56:06.871 --> 02:56:09.439  
the ceo recommendation is for  
board approval for all of the

02:56:09.640 --> 02:56:12.208  
sheriff's expand requests and I  
will pause for discussion and

02:56:12.743 --> 02:56:15.178  
straw votes on the sheriff  
expand augmentation.

02:56:15.178 --> 02:56:17.178  
>>lisa a. Bartlett, chair: I

02:56:17.849 --> 02:56:20.500  
don't see sheriff barns in the  
audience. Brian are you going

02:56:20.585 --> 02:56:22.585  
um to the podium?

02:56:22.854 --> 02:56:24.854  
I can tell you colleagues, after

02:56:25.723 --> 02:56:28.158  
taking an in depth tour of the  
intake and release center about

02:56:28.859 --> 02:56:31.528  
a week ago all of these  
recommended actions are items

02:56:33.197 --> 02:56:36.166  
for the ceo recommended budget  
here are definitely needed on

02:56:37.135 --> 02:56:39.135  
the expand augmentation side but

02:56:40.305 --> 02:56:42.506  
I'll let you elaborate on that  
brian.

>>speaker: thank you Madam

02:56:43.700 --> 02:56:45.700  
Chair and members of the board

02:56:45.243 --> 02:56:47.711  
brian wait sheriff's department  
specifically to the inmate

02:56:48.379 --> 02:56:50.780  
release modification that's part  
of the sheriff's strategic

02:56:51.282 --> 02:56:53.885  
initiative to deal with mental  
health in the jails part of how

02:56:56.154 --> 02:56:58.522  
we canceled ice contract and  
projected I know the sheriff is

02:56:58.757 --> 02:57:01.193  
excited about and looking  
forward to get moving on.

02:57:01.193 --> 02:57:03.194  
>>lisa a. Bartlett, chair:  
colleagues any questions or

02:57:03.561 --> 02:57:05.561  
comments at this time relative

02:57:05.664 --> 02:57:07.664  
to the sheriff coroner item on

02:57:09.768 --> 02:57:12.603  
the expand augmentation?  
Okay. Thank you. Okay. Kim,

02:57:14.339 --> 02:57:16.339  
if you will please continue.

02:57:16.475 --> 02:57:18.776  
Next item is public defender.  
>>speaker: correct. For the

02:57:19.778 --> 02:57:21.846

02:57:52.778 --> 02:57:55.800  
subsequent requests for extra  
help being recommended that can

02:57:56.716 --> 02:57:58.716

02:58:46.867 --> 02:58:49.402  
1437 which retroactively  
provides for certain convicted

02:58:50.937 --> 02:58:52.805

02:59:04.840 --> 02:59:06.840  
requesting to add one it systems

hundred \$25,000 to increase work  
load demands for legislation and

02:59:24.305 --> 02:59:26.172  
body cameras and this is  
recommended for board approval

02:59:33.481 --> 02:59:35.582  
and lastly a request to add two  
positions for digital evidence

02:59:35.950 --> 02:59:37.950

recommendation is to add one

positioning and \$131,000 in

02:59:41.622 --> 02:59:44.324  
appropriations and net county  
cost. And I'll pause here for

02:59:45.859 --> 02:59:47.859  
board discussion and comments.

02:59:48.597 --> 02:59:50.898  
Any straw voteses on the public  
defenders expand augmentation.

02:59:50.898 --> 02:59:53.801  
>>lisa a. Bartlett, chair: I  
think the public defender

02:59:54.202 --> 02:59:56.202  
patrick is in the audience. Do

02:59:56.271 --> 02:59:58.639  
you wish to come to the podium  
and have any comments at this

03:00:00.174 --> 03:00:02.174  
time or just go to the straw

03:00:06.114 --> 03:00:08.115  
vote?  
Super chaffee?

03:00:08.650 --> 03:00:10.650  
Questions or comments?

03:00:10.819 --> 03:00:12.553  
Did you have --  
>>sup. Doug chaffee: she is

03:00:12.988 --> 03:00:15.222  
make her comments first that  
would be great.

03:00:16.910 --> 03:00:18.892  
>>speaker: actually my comments  
are based on supervisor

03:00:19.127 --> 03:00:21.127  
chaffee's comments before. I

03:00:25.200 --> 03:00:27.200  
had originally asked for body

03:00:27.202 --> 03:00:29.937  
cameras and recently since  
March, which was when we first

03:00:30.772 --> 03:00:33.207  
met with the board looked at our  
statistics more closely and we

03:00:34.743 --> 03:00:36.743  
have had a 300 percent increase

03:00:38.460 --> 03:00:40.460  
in the volume of video cameras

03:00:40.449 --> 03:00:42.651  
body worn cameras primarily due  
to other agencies that are

03:00:45.988 --> 03:00:47.988  
coming on. So we would really

03:00:50.960 --> 03:00:53.761  
-- we appreciate the one  
position but two would go a long

03:00:55.230 --> 03:00:57.634  
way in helping us deal with the  
volume in that regard.

03:00:57.634 --> 03:01:00.569  
>>lisa a. Bartlett, chair:  
great. Super chaffee?  
>>sup. Doug chaffee: I would

03:01:02.138 --> 03:01:04.138  
like to add one more portion,

03:01:04.139 --> 03:01:06.139  
the work load is heavier but

03:01:06.141 --> 03:01:08.141  
getting more heavy as this is

03:01:09.879 --> 03:01:12.614  
progressing and adding one more  
paralegal, I know you have 3 and

03:01:13.282 --> 03:01:15.718  
1 has been recommended but I  
would like to make that two.

03:01:17.320 --> 03:01:19.320  
And if we can, the cost

03:01:19.656 --> 03:01:22.624  
estimate, if you can bring that  
up, for one more attorney and

03:01:25.757 --> 03:01:28.330  
one more paralegal.  
>>speaker: if I can explain for  
the additional paralegal in the

03:01:29.298 --> 03:01:32.168  
1437 work load that would be a  
limited term request, because we

03:01:33.837 --> 03:01:35.837  
don't believe we need that as a

03:01:36.206 --> 03:01:38.907  
permanent basis so the limited  
term for two years would be

03:01:40.343 --> 03:01:42.343  
helpful. We have to gather the

03:01:44.247 --> 03:01:47.150

records for the old homicides  
it's taking forever to get those

03:01:49.286 --> 03:01:51.454  
and one limited term would be  
useful.  
>>lisa a. Bartlett, chair: all

03:01:52.289 --> 03:01:54.424  
right. Supervisor do?  
>>sup. Andrew do: you can go

03:01:54.424 --> 03:01:56.424  
back --

03:01:56.660 --> 03:01:59.161  
>>speaker: I can.  
>>sup. Andrew do: actually,

03:01:59.963 --> 03:02:01.963  
kim, too, maybe this is a

03:02:02.365 --> 03:02:04.365  
question more appropriately for

03:02:05.769 --> 03:02:07.769  
you -- I apologize. Why do we

03:02:09.390 --> 03:02:11.407  
recommend four expand  
augmentation positions for

03:02:12.643 --> 03:02:14.643  
conviction litigation for the

03:02:15.112 --> 03:02:17.112  
da's office and only one for the

03:02:17.948 --> 03:02:20.160  
public defender's office?  
>>speaker: the recommendations

03:02:21.351 --> 03:02:23.853  
were based on the needs  
expressed by the department, the

03:02:27.124 --> 03:02:29.759  
work loads that around  
communicated, and --  
>>sup. Andrew do: you know that

03:02:31.529 --> 03:02:33.529  
they work on the same number of

03:02:33.531 --> 03:02:36.332  
cases, by definition, right?  
>>speaker: yes. I'm looking to

03:02:38.335 --> 03:02:40.335  
the da right now because I

03:02:41.506 --> 03:02:44.174  
believe -- I'm seeing shaking  
heads, no. This is better

03:02:45.276 --> 03:02:47.770  
between departments.  
>>sup. Andrew do: departments

03:02:49.480 --> 03:02:51.480  
-- okay. Well I'm not asking to

03:02:51.582 --> 03:02:53.582  
defend recommendation for ceo

03:02:53.684 --> 03:02:56.252  
for expansion. I'm asking why  
we're recommending only one for

03:02:57.540 --> 03:02:59.422  
the public defender?  
>>speaker: we worked through

03:03:01.459 --> 03:03:03.459  
all of the augmentation request

03:03:05.730 --> 03:03:07.730  
working with the departments and

03:03:07.865 --> 03:03:10.434  
existing vacancies allocation  
and we are recommending

03:03:11.736 --> 03:03:14.304  
positions to meet the immediate  
needs also looking forward at

03:03:15.906 --> 03:03:18.709  
the quarterly budget process as  
well. So all taken into

03:03:18.977 --> 03:03:20.977  
consideration and when we did

03:03:22.180 --> 03:03:25.115  
all that it ended up that the da  
got recommended his positions

03:03:27.719 --> 03:03:29.920  
and sharon got recommended her  
positions.  
>>sup. Andrew do: the question

03:03:31.323 --> 03:03:33.323  
for you sharon realistically the

03:03:34.360 --> 03:03:36.595  
bulk of the work and challenging  
commission --  
>>speaker: comes from our

03:03:36.595 --> 03:03:39.530  
department.  
>>sup. Andrew do: thank you.  
Having been in your office I

03:03:41.266 --> 03:03:43.835  
know that word. It seems  
backwards to me. Can you do the

03:03:45.370 --> 03:03:47.370  
work appropriately with one --

03:03:47.472 --> 03:03:49.974  
>>speaker: first, we do the  
best we can.  
>>sup. Andrew do: yes I know

03:03:50.375 --> 03:03:52.110  
that can you work appropriately  
with one?

03:03:53.579 --> 03:03:55.614  
>>speaker: two would be better.  
>>sup. Andrew do: that would be

03:03:57.550 --> 03:03:59.840  
my -- that would be my  
recommendation --

03:04:00.919 --> 03:04:03.121  
>>speaker: how about four --  
>>sup. Andrew do: I would

03:04:03.622 --> 03:04:05.622  
recommend -- to me it doesn't

03:04:08.594 --> 03:04:11.620  
make any sense to on one side  
have four and the other side

03:04:14.660 --> 03:04:16.768  
only one. To me the work is the  
same. If anything the work is

03:04:17.436 --> 03:04:19.436  
heavier on the defense side. So

03:04:20.206 --> 03:04:22.273  
that would be my recommendation.  
>>lisa a. Bartlett, chair: all

03:04:25.277 --> 03:04:27.746  
right. Colleagues any terrible  
additional comments kim could we

03:04:29.783 --> 03:04:31.783  
have you come back up to the

03:04:33.486 --> 03:04:36.210  
podium for roams to expand for  
augmentations for the public

03:04:37.990 --> 03:04:40.292  
defender you can expand on  
comments from my colleagues?

03:04:40.493 --> 03:04:42.493  
>>speaker: it is my

03:04:42.929 --> 03:04:44.929  
understanding that we will be

03:04:47.434 --> 03:04:49.434  
adding two paralegals instead of

03:04:52.238 --> 03:04:54.238  
one paralegal to meet the demand

03:04:55.208 --> 03:04:57.843  
for 147 and will be adding two  
attorneys rather than the one

03:04:58.344 --> 03:05:00.445  
that was recommended.  
>>sup. Andrew do: can I ask

03:05:00.981 --> 03:05:02.981  
shawn nelson to come up?

03:05:03.817 --> 03:05:06.719  
I just want to understand this  
work a little bit maybe I should

03:05:09.853 --> 03:05:12.158  
have asked this earlier, what  
does post conviction work mean?

03:05:13.260 --> 03:05:14.760  
>>speaker: on behalf of the  
district attorney's office.

03:05:16.863 --> 03:05:18.863  
There is a variety of forms, but

03:05:20.501 --> 03:05:22.501  
1437, a lot of these convictions

03:05:23.303 --> 03:05:26.390  
are essentially old murderers  
and for the defendant to ask for

03:05:26.707 --> 03:05:28.942  
the case to be reviewed  
essentially they have to

03:05:28.942 --> 03:05:31.777  
remember their name probably  
likely to do and the case number

03:05:33.852 --> 03:05:35.600  
and submit the request. We  
don't have to review any file

03:05:37.985 --> 03:05:39.985  
and employer remember as you

03:05:40.788 --> 03:05:42.788  
know these files are volume

03:05:44.392 --> 03:05:47.260  
news, and the prosecutors are  
decades away or retired so we

03:05:48.662 --> 03:05:50.662  
receive a request that's ignited

03:05:50.798 --> 03:05:53.399  
by merely a defendant wanting  
their case to be reviewed, the

03:05:53.802 --> 03:05:55.802  
one pager essentially. When

03:05:56.404 --> 03:05:58.404  
that comes to our office, as

03:05:58.673 --> 03:06:00.673  
opposed to that ask, that file

03:06:01.420 --> 03:06:03.420  
has to be drawn in from storage,

03:06:04.579 --> 03:06:06.579  
and the, you know, dozens of

03:06:07.948 --> 03:06:09.983  
boxes have to either be taken  
from department district

03:06:11.453 --> 03:06:13.453  
attorney do who has usuallile a

03:06:15.189 --> 03:06:17.624  
full caseload or management at  
this point because if they're

03:06:18.826 --> 03:06:21.428  
still with us pretty advanced in  
their career or experienced

03:06:21.829 --> 03:06:24.300  
enough to take something in law  
that they didn't work on and now

03:06:24.732 --> 03:06:26.732  
you have to go through and find

03:06:28.370 --> 03:06:30.370  
all of the issues, dig through

03:06:30.639 --> 03:06:32.639  
informants that were not used

03:06:35.310 --> 03:06:37.310  
because sometimes the informants

03:06:37.312 --> 03:06:39.312  
on occasion aren't even put on

03:06:40.181 --> 03:06:42.683  
so you have volumes of  
information and the public

03:06:44.819 --> 03:06:47.623  
defernld does a great job in our  
county and the work load is

03:06:47.623 --> 03:06:49.390  
different here --  
>>sup. Andrew do: let me ask

03:06:49.791 --> 03:06:52.727  
you this, they can start the  
process with a form but once

03:06:53.996 --> 03:06:55.897  
they file that and you start  
your work don't want you also

03:06:56.865 --> 03:06:58.865  
have to start your work, and

03:06:59.101 --> 03:07:01.101  
recover the form -- I'm sorry,

03:07:01.669 --> 03:07:03.669  
the file and review the evidence

03:07:04.941 --> 03:07:06.941  
and put on the own case because

03:07:07.910 --> 03:07:10.812  
ultimately they will have to --  
>>speaker: one is we have, in

03:07:14.283 --> 03:07:17.251  
the 1437, of the account keeps  
growing we're at 200 at this

03:07:18.287 --> 03:07:20.287  
point we May never even close

03:07:20.455 --> 03:07:23.191  
some of those, it would take  
months of work just on one case

03:07:24.360 --> 03:07:26.360  
just to know that. Then it

03:07:26.729 --> 03:07:28.729  
could be a matter of potentially

03:07:29.999 --> 03:07:32.867  
retrying the case. Rearguing  
it. So it's to be determined

03:07:33.969 --> 03:07:36.871  
but the idea up front as to what  
the work load would be on each

03:07:43.680 --> 03:07:46.381  
side it would be sort of, inored  
on the prosecution side just to

03:07:50.653 --> 03:07:53.121  
understand is this petition  
meritous, and where do you go

03:07:55.570 --> 03:07:57.570  
with it fight it on its merits

03:07:58.161 --> 03:07:59.929  
or some sort of resolve.  
>>sup. Andrew do: thank you.

03:08:02.165 --> 03:08:04.165  
What I explain to people as as

03:08:05.402 --> 03:08:07.403

da the bulk of my work is  
preparation before court. The

03:08:08.304 --> 03:08:10.304  
defense is where the bulk of the

03:08:11.174 --> 03:08:13.174  
work is you have to be prepared

03:08:13.176 --> 03:08:15.176  
to put on your case and faith in

03:08:15.712 --> 03:08:17.712  
the evidence. So yes the work

03:08:19.149 --> 03:08:21.149  
might be loaded up front for the

03:08:21.151 --> 03:08:23.786  
da but by the end of the day the  
work is the same. They have to

03:08:25.889 --> 03:08:28.357  
be able to review evidence cross  
examine witnesses and poke holes

03:08:30.360 --> 03:08:32.896  
in the cases the da has built.  
>>speaker: it's a rough

03:08:33.864 --> 03:08:35.864  
estimate 60 percent of our cases

03:08:36.133 --> 03:08:38.133  
are public defender s are, there

03:08:38.135 --> 03:08:40.970  
is another universe out there  
that's not.  
>>sup. Andrew do: thank you.

03:08:41.305 --> 03:08:43.139  
>>speaker: thank you sir.  
>>lisa a. Bartlett, chair: the

03:08:44.441 --> 03:08:46.441  
case could be a bit different.

03:08:47.544 --> 03:08:49.544  
>>speaker: it is, because all

03:08:49.914 --> 03:08:52.150  
prosecutions are with the da all  
defenses are not necessarily

03:08:52.650 --> 03:08:54.784  
with the public defender as  
well.  
>>lisa a. Bartlett, chair:

03:08:55.786 --> 03:08:57.786  
exactly. What we could do is

03:08:58.756 --> 03:09:01.624  
adjust in a queue bar in the

event public defender's office

03:09:02.893 --> 03:09:04.893  
might need in addition what

03:09:05.129 --> 03:09:08.650  
we're providing today, more  
positions but anything over and

03:09:10.301 --> 03:09:12.301  
above that for limited term

03:09:12.970 --> 03:09:15.772  
expert help positions on the  
body worn cameras we could

03:09:16.107 --> 03:09:18.107  
provide additional increased

03:09:19.109 --> 03:09:21.109  
funding at a future date through

03:09:25.984 --> 03:09:28.585  
a queue bar but today for the  
limited body-worn cameras and

03:09:30.155 --> 03:09:32.856  
the positions is limited.  
>>sup. Andrew do: for the

03:09:37.280 --> 03:09:39.280  
precoast prepost conviction

03:09:39.564 --> 03:09:41.298  
would increase from 1 to 2?  
>>lisa a. Bartlett, chair: I

03:09:42.701 --> 03:09:45.360  
think we have to covered. And  
kim can --

03:09:45.700 --> 03:09:47.371  
>>speaker: Madam Chair thank  
you very much.  
>>lisa a. Bartlett, chair: kim

03:09:49.241 --> 03:09:52.900  
can you restate we have ceo  
recommended budget for expanded

03:09:52.477 --> 03:09:55.379  
augmentation and recap what we  
have for the additional funding

03:09:56.470 --> 03:09:59.160  
for the additional positions?  
>>speaker: certainly. For the

03:09:59.318 --> 03:10:02.287  
post conviction work, the  
request we're going to be adding

03:10:03.522 --> 03:10:05.522  
one paralegal position for

03:10:08.160 --> 03:10:10.160  
additional \$72,584, and for a

03:10:15.801 --> 03:10:17.801  
total for that line item, 147,

03:10:18.304 --> 03:10:20.872  
158, 145,158 and for the last  
augmentation there showing for

03:10:22.208 --> 03:10:24.809  
the digital evidence discovery  
work load we will have that

03:10:25.644 --> 03:10:27.644  
being two positions adding

03:10:28.214 --> 03:10:30.214  
additional \$131,000 for a total

03:10:32.618 --> 03:10:35.320  
there of 262,463.  
>>lisa a. Bartlett, chair: okay  
great. Thank you very much. At

03:10:36.222 --> 03:10:38.222  
this time let's take a straw

03:10:38.858 --> 03:10:41.526  
vote on the ceo budget  
recommendation for expand

03:10:41.861 --> 03:10:43.995  
augmentation plus the additional  
positions that my colleagues

03:10:45.998 --> 03:10:48.666  
have recommended. Any  
objection?  
Any comments?

03:10:49.969 --> 03:10:51.969  
Okay. Thank you. All right

03:10:54.273 --> 03:10:56.443  
that concludes program one.  
>>michelle steel, vice chair:  
Chairwoman?

03:10:56.443 --> 03:10:59.440  
>>lisa a. Bartlett, chair: vice  
chair steel.  
>>michelle steel, vice chair:

03:11:02.915 --> 03:11:04.915  
I want to revisit the oir, and

03:11:07.253 --> 03:11:10.890  
the concerns. We haven't had a  
chance to discuss it t I agree

03:11:11.240 --> 03:11:13.893  
with supervisor chaffee that the  
use is unclear and I recommend

03:11:16.563 --> 03:11:18.563  
not funding the oir under the

03:11:20.733 --> 03:11:22.434  
base budget.  
>>lisa a. Bartlett, chair:

03:11:24.700 --> 03:11:26.773  
okay. We have already gone  
through a number of the items in

03:11:30.430 --> 03:11:32.430  
the program, so --

03:11:34.714 --> 03:11:36.714  
>>speaker: do you want me to

03:11:48.950 --> 03:11:49.829  
scroll back to the base budgets?  
>>lisa a. Bartlett, chair: I

03:11:50.497 --> 03:11:52.497  
understand the comments from my

03:11:52.533 --> 03:11:55.501  
colleagues and the oir done  
right it certainly can have a

03:11:55.569 --> 03:11:57.569  
good effect and at this point in

03:11:58.138 --> 03:12:00.272  
time I know that supervisor  
chaffee I don't know how well

03:12:01.800 --> 03:12:03.800  
briefed you have been relative

03:12:05.613 --> 03:12:07.613  
to the oir department and the

03:12:07.848 --> 03:12:09.950  
personnel --  
>>sup. Doug chaffee: I have had

03:12:12.820 --> 03:12:15.588  
some briefing, and am sort of  
baffled as to why it's even

03:12:16.790 --> 03:12:18.790  
here, and I also wonder why it's

03:12:19.561 --> 03:12:21.561  
under the board as opposed to

03:12:23.731 --> 03:12:25.731  
like somebody like the auditor

03:12:27.680 --> 03:12:29.200  
that strikes me as being a more  
independent source and i

03:12:29.136 --> 03:12:31.638  
understand there have been  
problems in the past as to how

03:12:35.744 --> 03:12:37.744  
that worked and are it May need

03:12:40.582 --> 03:12:42.282  
a more tight directive.  
>>lisa a. Bartlett, chair:

03:12:43.418 --> 03:12:45.418  
we're running through the budget

03:12:46.354 --> 03:12:48.989  
process to fund the oir on a  
moving basis and we can do

03:12:50.692 --> 03:12:53.493  
something on a queue bar in the  
future because we have contracts

03:12:54.620 --> 03:12:56.620  
relative to that department so

03:12:56.640 --> 03:12:58.990  
let's fund the department at  
this point but certainly we can

03:12:59.634 --> 03:13:02.503  
get up to speed on exactly  
what's going on to what the

03:13:03.405 --> 03:13:05.405  
department entails and we can

03:13:05.640 --> 03:13:07.640  
always make an adjustment with

03:13:08.844 --> 03:13:10.913  
regard to the next queue bar.  
>>sup. Doug chaffee: okay thank  
you.

03:13:10.913 --> 03:13:12.913  
>>lisa a. Bartlett, chair: are

03:13:16.552 --> 03:13:19.210  
you okay with that supervisor  
steel?  
>>michelle steel, vice chair:  
--

03:13:19.210 --> 03:13:21.880  
>>lisa a. Bartlett, chair: do  
you want to vote no relative to

03:13:22.190 --> 03:13:24.992  
the oir position?  
>>michelle steel, vice chair:  
yes.  
>>lisa a. Bartlett, chair:

03:13:25.427 --> 03:13:27.428  
okay. Supervisor wagner.  
>>donald p. Wagner: let me,

03:13:28.797 --> 03:13:30.797

briefly, I am not supportive of

03:13:34.136 --> 03:13:36.136  
getting rid of the oir jhun

03:13:38.207 --> 03:13:40.808  
just lining it out just yet.  
Some of the discussing needs to

03:13:43.450 --> 03:13:45.413  
be flushed out but I think the  
process is appropriate to work

03:13:46.182 --> 03:13:48.182  
through today. So I would not

03:13:50.219 --> 03:13:51.887  
support lining out the oir.  
>>lisa a. Bartlett, chair:

03:13:52.755 --> 03:13:54.755  
okay. All right. Thank you for

03:13:55.191 --> 03:13:57.191  
your comments supervisor wagner.

03:13:57.226 --> 03:13:59.561  
I understand that district  
attorney spitzer would like to

03:14:01.864 --> 03:14:03.864  
speak relative to the oir.

03:14:03.867 --> 03:14:05.867  
>>speaker: I could briefly.

03:14:06.369 --> 03:14:08.369  
Oir in 2015 was important to me.

03:14:09.438 --> 03:14:12.107  
What was going on in the county  
at that time was monumental and

03:14:13.142 --> 03:14:15.142  
it's still to me. But I want to

03:14:15.311 --> 03:14:17.311  
give an example of how I try to

03:14:18.514 --> 03:14:21.417  
use the oir and I am happy to  
use these discussions further

03:14:22.850 --> 03:14:24.850  
when I came into office

03:14:25.322 --> 03:14:27.556  
obviously there was a lot of  
allegations against deputy

03:14:28.792 --> 03:14:30.792  
sheriffs for testifying

03:14:33.163 --> 03:14:35.163  
untruthfully in the informant in

03:14:35.198 --> 03:14:37.198  
the decry position. My staff is

03:14:38.602 --> 03:14:40.603  
here, and I retain the senior  
assistant district attorneys who

03:14:40.871 --> 03:14:42.871  
are here and seated in the

03:14:43.840 --> 03:14:46.542  
audience here. They worked for  
my predecessor and they continue

03:14:46.944 --> 03:14:48.944  
to work for me. There was a

03:14:49.279 --> 03:14:51.279  
letter that cleared the deputy

03:14:53.490 --> 03:14:55.851  
sheriffs before I assumed office  
unbeknownst to any of us. There

03:14:56.821 --> 03:14:58.821  
was a letter clearing those

03:14:59.230 --> 03:15:01.658  
deputies with respect to brady.  
Because some of them are still

03:15:02.526 --> 03:15:04.961  
employed by the sheriff's  
department the duty became on me

03:15:06.630 --> 03:15:08.664  
whether or not I would put those  
individual deputies on a brady

03:15:09.633 --> 03:15:11.633  
list because they continue to be

03:15:12.402 --> 03:15:14.571  
employed in the sheriff's  
department. I took that risk

03:15:16.474 --> 03:15:18.474  
and submitted it to your oir and

03:15:19.410 --> 03:15:21.410  
I asked the oir to rendered his

03:15:22.813 --> 03:15:25.140  
opinion whether or not I should  
respect of the determination of

03:15:26.917 --> 03:15:29.520  
my predecessor on the brady  
issue, on whether or not I

03:15:31.456 --> 03:15:33.790  
should revisit that issue. Your  
oir could not review that

03:15:36.894 --> 03:15:39.297  
because it wasn't part of your  
approved work list that

03:15:39.297 --> 03:15:41.297  
obviously the board of

03:15:45.200 --> 03:15:47.200  
supervisors oversees, so before

03:15:47.304 --> 03:15:49.304  
you might consider the fate of

03:15:50.308 --> 03:15:53.210  
the oir in this county. I would  
tell you the district attorney

03:15:55.280 --> 03:15:57.280  
that would be overseen by the

03:16:00.184 --> 03:16:02.686  
oir, it is in my opinion a very  
important oversight function.

03:16:04.322 --> 03:16:06.691  
My department needs that  
oversight, sheriff department

03:16:08.627 --> 03:16:10.627  
needs that oversight probation

03:16:11.430 --> 03:16:13.430  
needs that oversight and it's

03:16:14.332 --> 03:16:16.934  
for the supervision of all of  
the department heads whether

03:16:17.402 --> 03:16:19.402  
elected or nonelected please

03:16:20.572 --> 03:16:23.540  
give me the opportunity  
one-on-one or ad-hoc or with

03:16:24.276 --> 03:16:26.945  
county council or whatever to be  
heard but I would like to

03:16:28.447 --> 03:16:30.748  
provide you a copy, if I can,  
and I will look at that whether

03:16:31.984 --> 03:16:33.984  
I can give you the letter

03:16:35.220 --> 03:16:37.220  
transmitted from my predecessor

03:16:38.690 --> 03:16:40.690  
from sheriff hutchens clearing

03:16:40.827 --> 03:16:43.261  
the deputies of brady I don't  
know if that's in the document I

03:16:45.998 --> 03:16:48.533  
will have to reach that. But I  
have no problem putting on

03:16:49.835 --> 03:16:52.203  
record the alleged misconduct  
with the deputy sheriffs with

03:16:52.705 --> 03:16:55.730  
respect to brady and I inherited  
that decision is that decision

03:16:56.241 --> 03:16:58.241  
was made with no one else except

03:16:58.344 --> 03:17:00.344  
the district attorney and when I

03:17:00.613 --> 03:17:02.613  
assumed office my executives

03:17:04.500 --> 03:17:06.500  
told me they had no knowledge of

03:17:06.552 --> 03:17:08.552  
that letter being issued so that

03:17:11.524 --> 03:17:13.524  
was trouble symbol

03:17:14.860 --> 03:17:16.860  
trouble psalm to me.

03:17:17.130 --> 03:17:19.130  
That that recommendations from

03:17:19.632 --> 03:17:21.400  
senior executives from the  
district attorney's office to

03:17:22.302 --> 03:17:24.736  
the elected official some of  
those deputy officials should

03:17:25.705 --> 03:17:28.673  
have been bradied. It's very  
serious. And I am more than

03:17:32.178 --> 03:17:34.178  
happy to make mice available

03:17:34.581 --> 03:17:36.549  
myself available. And with  
county counsel I can show you

03:17:37.551 --> 03:17:39.551  
with that as an example of the

03:17:40.253 --> 03:17:43.121  
letter and clearing why the oir  
might be or I believe is still

03:17:44.657 --> 03:17:47.359  
very necessary in this county.

>>lisa a. Bartlett, chair:  
thank you. Supervisor do.

03:17:47.660 --> 03:17:49.660  
>>sup. Andrew do: thank you.

03:17:50.630 --> 03:17:52.630  
Da spitzer for your comments.

03:17:52.466 --> 03:17:55.000  
As one of the two of us working  
having worked together very

03:17:56.636 --> 03:17:59.472  
closely on the drafting of the  
oir ordinance integration of

03:18:01.708 --> 03:18:03.708  
that position. I want to

03:18:04.100 --> 03:18:06.100  
clarify the word oversight has

03:18:06.513 --> 03:18:09.482  
many meanings, what was  
contemplated from my perspective

03:18:11.352 --> 03:18:13.352  
when we created the oir, was a

03:18:14.588 --> 03:18:16.356  
vehicle through which the board  
of supervisors can investigate

03:18:17.958 --> 03:18:20.326  
into cases in these five  
departments. It's not just the

03:18:21.795 --> 03:18:23.795  
sheriff and da but also on

03:18:24.197 --> 03:18:26.197  
probation, social services, and

03:18:29.537 --> 03:18:32.105  
public defender. Because of the  
specialized nature of the work

03:18:34.141 --> 03:18:36.141  
and some of the work involved,

03:18:40.347 --> 03:18:42.481  
the custody setting of the  
people there is liability that

03:18:43.585 --> 03:18:45.585  
comes with that type of work.

03:18:46.888 --> 03:18:49.156  
So that's why the oir was  
created but let's also recognize

03:18:50.892 --> 03:18:52.892  
it for what it cannot do. Which

03:18:53.694 --> 03:18:55.694  
is, it has no more power to get

03:18:55.763 --> 03:18:57.763  
into these elected departments

03:18:59.700 --> 03:19:01.700  
than any of us. The oir is only

03:19:02.938 --> 03:19:04.938  
a representative for the board

03:19:05.273 --> 03:19:08.242  
of supervisors to contact the  
elected department heads, and

03:19:09.511 --> 03:19:11.511  
hope to get cooperation. They

03:19:13.470 --> 03:19:15.470  
don't have the full power to go

03:19:15.883 --> 03:19:17.883  
in and demand to see all of the

03:19:17.886 --> 03:19:20.455  
investigative records from the  
da's office. For instance, or

03:19:21.823 --> 03:19:23.823  
to go into the sheriff's

03:19:24.126 --> 03:19:26.794  
department and demand to see all  
of the personnel files. And so

03:19:29.698 --> 03:19:31.698  
I want us to understand that the

03:19:32.834 --> 03:19:35.335  
oir serves a particular  
function, that when we need to,

03:19:38.274 --> 03:19:41.242  
we have one person to go to, to  
find the facts and report back

03:19:43.145 --> 03:19:45.145  
to the board, instead of five of

03:19:45.280 --> 03:19:47.280  
us independently doing our own

03:19:47.783 --> 03:19:49.783  
fact checking. That's it let's

03:19:50.180 --> 03:19:52.180  
be very clear that's all it is.

03:19:52.454 --> 03:19:54.454  
It doesn't have any oversight

03:19:54.457 --> 03:19:56.457  
power in the sense of going in

03:19:58.527 --> 03:20:00.527  
and mandating access to records.

03:20:03.198 --> 03:20:05.198  
If the elected's choose not to

03:20:05.467 --> 03:20:07.802  
provide that kind of access. Am  
I correct?

03:20:08.704 --> 03:20:11.540  
da spitzer?  
>>speaker: yes. Supervisor do

03:20:12.174 --> 03:20:14.174  
you're correct but when I

03:20:14.944 --> 03:20:16.944  
assumed office I sent a letter

03:20:17.446 --> 03:20:20.315  
and/or a phone call -- I can't  
remember my transmission but I

03:20:22.852 --> 03:20:24.852  
did offer the oir and office

03:20:25.955 --> 03:20:28.522  
working space within the  
district attorney's office.  
>>sup. Andrew do: we don't want

03:20:29.325 --> 03:20:31.393  
that -- we want it with the  
sheriff's department.

03:20:32.128 --> 03:20:34.128  
>>speaker: workspace to

03:20:34.497 --> 03:20:36.497  
interact or conduct inquiries I

03:20:37.100 --> 03:20:39.434  
wanted to make sure it was  
un-85ically clear that office is

03:20:41.571 --> 03:20:44.506  
wide open and we're completely  
cooperative. With respect to

03:20:47.778 --> 03:20:50.146  
limitations of certain records,  
confidential were informant for

03:20:50.147 --> 03:20:52.514  
example, you're absolutely  
right. But what I would submit

03:20:53.516 --> 03:20:55.516  
to this board is that there are

03:20:56.219 --> 03:20:58.620  
ways to work out certain  
understandings and agreements in

03:20:58.755 --> 03:21:01.356  
cooperation with the board in  
the event there was some

03:21:01.524 --> 03:21:03.524  
sensitive nature. One of the

03:21:03.760 --> 03:21:05.760  
things I think I was frustrated

03:21:05.929 --> 03:21:08.898  
as a supervisor and I think the  
reason or the impetus of

03:21:11.680 --> 03:21:13.680  
creating the oir is we needed --

03:21:13.303 --> 03:21:15.303  
your board needs -- not me

03:21:15.805 --> 03:21:17.805  
anymore -- it needs an entity, a

03:21:18.800 --> 03:21:20.809  
person to be able to go in when  
there is an allegation of

03:21:22.713 --> 03:21:24.881  
misconduct or impro prat and  
gather all of the information

03:21:25.849 --> 03:21:28.651  
that's available and quite  
frankly in decry, there was

03:21:28.919 --> 03:21:30.919  
plenty of information on the

03:21:31.155 --> 03:21:33.856  
public record, judge goals  
decision court of appeals

03:21:34.925 --> 03:21:36.925  
decision, transcripts, testimony

03:21:37.160 --> 03:21:39.160  
of district attorneys that

03:21:41.465 --> 03:21:43.465  
didn't understand their

03:21:45.136 --> 03:21:47.170  
obligation. Invoking the fifth  
amendment, which they have the

03:21:48.873 --> 03:21:50.873  
right to do but to me that needs

03:21:51.108 --> 03:21:53.108  
to be looked at, when I sworn

03:21:53.677 --> 03:21:55.677  
peace officer in our county

03:21:56.447 --> 03:21:58.447

invokes the fifth. We should

03:21:58.549 --> 03:22:01.418  
know that a what I'm saying is  
there that should presentee of

03:22:03.287 --> 03:22:05.287  
information generally when there

03:22:06.390 --> 03:22:08.758  
issaligation of conduct of a  
misscandal to provide

03:22:10.427 --> 03:22:12.427  
information that is available

03:22:12.998 --> 03:22:14.998  
from policy makers to do

03:22:15.534 --> 03:22:18.303  
something about it or at least  
make additional inquiries.

03:22:18.303 --> 03:22:21.400  
>>sup. Andrew do: we need such  
a vehicle and such a tool that's

03:22:22.206 --> 03:22:24.206  
why I worked with you on it.

03:22:28.413 --> 03:22:30.413  
But I don't want people to

03:22:31.516 --> 03:22:32.850  
misread the reach this board  
has.

03:22:34.586 --> 03:22:36.586  
>>speaker: the oir which

03:22:38.890 --> 03:22:40.890  
happens before I was elected

03:22:42.727 --> 03:22:45.295  
remember Mr. Raspino and  
rackauckas told us they would

03:22:46.564 --> 03:22:48.564  
not cooperate because of the

03:22:50.135 --> 03:22:52.136  
sensitive nature of the  
investigations and prosecutions

03:22:52.971 --> 03:22:54.971  
and defense, and I'm saying that

03:22:56.308 --> 03:22:58.642  
it oftentimes is elected  
officials or department heads,

03:23:00.312 --> 03:23:02.312  
yes you are absolutely right but

03:23:02.447 --> 03:23:04.447

I am cooperative and if I want

03:23:05.284 --> 03:23:07.685  
to maintain the oir and to  
oversee my office in some regard

03:23:09.488 --> 03:23:11.790  
or to look at things I am fully  
cooperative.  
>>sup. Andrew do: okay. Thank

03:23:11.790 --> 03:23:13.491  
you Madam Chair.  
>>lisa a. Bartlett, chair:

03:23:13.959 --> 03:23:15.959  
colleagues, I think we're ready

03:23:16.662 --> 03:23:18.662  
to -- we have program two, which

03:23:20.794 --> 03:23:22.794  
is next, I think what we want to

03:23:23.436 --> 03:23:25.436  
do right now is record the base

03:23:25.905 --> 03:23:27.905  
budget for vice chair steel, a

03:23:28.707 --> 03:23:30.707  
no on the oir under the straw

03:23:31.430 --> 03:23:33.430  
vote and everything else is

03:23:33.913 --> 03:23:35.913  
correct. It's now after 1:00,

03:23:36.882 --> 03:23:39.617  
our next program is program two.  
I think we should pause at this

03:23:40.520 --> 03:23:42.520  
point and why don't we come back

03:23:42.589 --> 03:23:45.557  
at a time certain at 2:00 to  
start on program two. We will

03:23:49.395 --> 03:23:51.797  
recess into closed session.  
madam clerk.  
>>clerk of the board, robin

03:23:57.690 --> 03:23:59.205  
stieler: under closed session  
to government code section  
54956.9(D)(1): name of case: lab

03:23:59.205 --> 03:24:01.842  
holding, llc v. County of orange  
ocsc case no.:

>>lisa a. Bartlett, chair:

03:24:01.842 --> 03:24:03.842  
thank you. Now we will recess
